Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. In thriller master Lee Child's exclusive eBook short story, Jack Reacher must track down a spy in soldier's clothing—by matching wits with four formidable females. Three are clean—but the fourth may prove fatal. Includes a thrilling preview of Lee Child's hotly anticipated Jack Reacher novel, *A Wanted Man!* Summoned by Military Intelligence to Washington, D.C., Reacher is sent undercover. The assignment that awaits him: The army is meeting with its Capitol Hill paymasters for classified talks on a new, state-of-the-art sniper rifle for U.S. forces. But vital details about the weapon are leaking—straight from the Capitol and probably into the hands of unidentified foreign arms dealers. The prospect of any and every terrorist, mercenary, or dictator's militia getting their hands on the latest superior firepower is unthinkable. That's where Reacher comes in. His task: infiltrate

the top-secret proceedings and smoke out the mole. His target: a quartet of high-powered Army political liaison officers—all of them fast-track women on their way to the top. According to his bosses, it's a zero-danger mission. No need to draw a gun . . . just chat over drinks. But Reacher knows that things are rarely what they seem. And he's learned the hard way never to underestimate an opponent. Or four. Lessons that will come in handy when he starts digging for the truth—and gets his hands a lot dirtier than he expected. "Child is a superb craftsman of suspense."—Entertainment Weekly "The truth about Reacher gets better and better."—Janet Maslin, *The New York Times*

 HOW I MADE \$2,000,000 IN THE STOCK MARKET is an extraordinary book. It tells one of the most unusual success stories in the history of the stock market. Nicolas Darvas was not a stock market professional trading on inside information. He was one of the highest paid dancers in show business. Yet he was able to make himself a millionaire several times over by his unique investment approach. Unlike other so-called systems, it worked regardless of whether the market rose or fell. When news of Darvas's fantastic profits and methods leaked, he was featured in *Time* magazine. He then was persuaded to write this book, which became an instant hit—selling nearly 200,000 copies in eight weeks. Many of the companies talked about in this book no longer exist. Many of the stocks are no longer traded. Nevertheless, the basic principles are as sound as ever.
