The Empty Mirror 47north  
A globetrotting, time-  
bending, wildly  
entertaining masterpiece  
hailed by the New York  
Times Book Review as  
"Audaciously well  
written...the book I was  
raving about to my friends  
before I'd even finished  
it." Publishers Weekly  
raved that "with near-  
universal appeal . . .  
Seay's debut novel is a  
true delight, a big,  
beautiful cabinet of  
wonders that is by turns  
an ominous modern  
thriller, a supernatural  
mystery, and an  
enchanted historical  
adventure story." Set in  
three cities in three eras,  
The Mirror Thief calls to  
mind David Mitchell and  
Umberto Eco in its mix of  
entertainment and literary  
bravado. The core story is  
set in Venice in the  
sixteenth century, when  
the famed makers of  
Venetian glass were  
perfecting one of the old  
world's most wondrous  
inventions: the mirror. An  
object of glittering yet  
fearful fascination—was it  
reflecting simple reality,  
or something more  
spiritually revealing?—the  
Venetian mirrors were

state of the art  
technology, and subject to  
industrial espionage by  
desirous sultans and  
royals world-wide. But for  
any of the development  
team to leave the island  
was a crime punishable by  
death. One man,  
however—a world-weary  
war hero with nothing to  
lose—has a scheme he  
thinks will allow him to  
outwit the city's terrifying  
enforcers of the edict, the  
ominous Council of Ten . . .  
. Meanwhile, in two other  
Venices—Venice Beach,  
California, circa 1958, and  
the Venice casino in Las  
Vegas, circa today—two  
other schemers launch  
similarly dangerous plans  
to get away with a secret .  
. . . All three stories will  
weave together into a  
spell-binding tour-de-force  
that is impossible to put  
down—an old-fashioned,  
stay-up-all-night novel  
that, in the end, returns  
the reader to a stunning  
conclusion in the original  
Venice . . . and the  
bedazzled sense of having  
read a truly original and  
thrilling work of art.

### **The Awakened Mind**

Melville House  
In Venice, magic is not  
unusual. Merle is  
apprenticed to a magic  
mirror maker, and  
Serafin—a boy who was  
once a master  
thief—works for a weaver

of magic cloth. Merle and  
Serafin are used to the  
mermaids who live in the  
canals of the city and to  
the guards who patrol the  
streets on living stone  
lions. Merle herself  
possesses something  
magical: a mirror whose  
surface is water. She can  
reach her whole arm into  
it and never get wet. But  
Venice is under siege by  
the Egyptian Empire; its  
terrifying mummy  
warriors are waiting to  
strike. All that protects  
the Venetians is the  
Flowing Queen. Nobody  
knows who or what she  
is—only that her power  
flows through the canals  
and keeps the Egyptians  
at bay. When Merle and  
Serafin overhear a plot to  
capture the Flowing  
Queen, they are  
catapulted into desperate  
danger. They must do  
everything they can to  
rescue the Queen and  
save the city—even if it  
means getting help from  
the Ancient Traitor  
himself.

**Mirror, Mirror** Houghton

In this twisting time-travel  
thriller, a woman faints on  
the eve of her  
wedding—and awakens at  
the turn of the century in  
her grandmother's body .  
. . . The night before she is  
supposed to get married,  
Shay Garrett has no idea

that a glimpse into her grandmother's antique Chinese mirror will completely transform her seemingly ordinary life. But after a bizarre blackout, she wakes up to find herself in the same house—but in the year 1900. Even stranger, she realizes she is now living in the body of her grandmother, Brandy McCabe, as a young woman. Meanwhile, Brandy, having looked into the same mirror, awakens in Shay's body in the present day—and discovers herself pregnant. As Rachael—the woman who links these two generations, mother to one and daughter to another—weaves back and forth between two time periods, this imaginative thriller explores questions of family, identity, and love. Courageous, compassionate Shay finds herself fighting against the confines of a society still decades away from women's liberation, while Brandy struggles to adapt to the modern world she has suddenly been thrust into. The truth behind this inexplicable turn of events is more complex than either woman can imagine—and *The Mirror* is a tribute to the triumph of the female spirit, even

in the face of seemingly insurmountable obstacles. "What happens will surprise you. In the meantime, settle down for a good read." —The Denver Post  
*Mirror, Mirror* Sounds True  
 Chaos has descended on the Valducci family. Gina Valducci's grandmother, mentor, and founder of the family's thriving nursery business, has died. Her death sets off a string of seemingly unrelated events, including two horrific murders. So many puzzle pieces for attorney Barbara Holloway to fit together. And time is running out.

Street Journal Once upon a time, *Mirror Mirror*, a brilliant book of fairy tale themed reversos—a poetic form in which the poem is presented forward and then backward—became a smashing success. Now a second book is here with more witty double takes on well-loved fairy tales such as *Thumbelina* and *The Little Mermaid*. Read these clever poems from top to bottom and they mean one thing. Then reverse the lines and read from bottom to top and they mean something else—it is almost like magic! A celebration of sight, sound, and story, this book is a marvel to read again and again.

 Because it has always represented a rich collaboration of the music, art, architecture, handicraft and science of its day, the organ, more than any other instrument, continues to reflect the spirit of the age in which it was built. This collection of essays, by leading scholars of the organ, follows the history

of six organs in Scandinavia and Northern Germany, telling a unique story of the cultural history of northern Europe during the past four centuries. A CD with appropriate repertoire played on each of the six instruments accompanies the book.

A “marvelous history”\* of medieval Europe, from the bubonic plague and the Papal Schism to the Hundred Years’ War, by the Pulitzer Prize-winning author of *The Guns of August* \*Lawrence Wright, author of *The End of October*, in *The Wall Street Journal* The fourteenth century reflects two contradictory images: on the one hand, a glittering age of crusades, cathedrals, and chivalry; on the other, a world plunged into chaos and spiritual agony. In this revelatory work, Barbara W. Tuchman examines not only the great rhythms of history but the grain and texture of domestic life: what childhood was like; what marriage meant; how money, taxes, and war dominated the lives of serf, noble, and clergy alike. Granting her subjects their loyalties, treacheries, and guilty

passions, Tuchman re-creates the lives of proud cardinals, university scholars, grocers and clerks, saints and mystics, lawyers and mercenaries, and, dominating all, the knight—in all his valor and “furious follies,” a “terrible worm in an iron cocoon.” Praise for *A Distant Mirror* “Beautifully written, careful and thorough in its scholarship . . . What Ms. Tuchman does superbly is to tell how it was. . . . No one has ever done this better.”—*The New York Review of Books* “A beautiful, extraordinary book . . . Tuchman at the top of her powers . . . She has done nothing finer.”—*The Wall Street Journal* “Wise, witty, and wonderful . . . a great book, in a great historical tradition.”—*Commentary*

What if the sleeping beauty never woke up? *Once Upon a Dream* marks the second book in a new YA line that reimagines classic Disney stories in surprising new ways. It should be simple—a dragon defeated, a slumbering princess in a castle, a prince poised to wake her. But when the prince falls asleep as his lips touch the fair maiden's, it is clear that

this fairy tale is far from over. With a desperate fairy's last curse controlling her mind, Princess Aurora must escape from a different castle of thorns and navigate a dangerously magical landscape--created from her very own dreams. Aurora isn't alone--a charming prince is eager to join her quest, and old friends offer their help. But as Maleficent's agents follow her every move, Aurora struggles to discover who her true allies are and, moreover, who she truly is. Time is running out. Will the sleeping beauty be able to wake herself up?

The year is 1502, and seven-year-old Bianca de Nevada lives perched high above the rolling hills and valleys of Tuscany and Umbria at Montefiore, the farm of her beloved father, Don Vicente. One day a noble entourage makes its way up the

winding slopes to the farm—and the world comes to Montefiore. In the presence of Cesare Borgia and his sister, the lovely and vain Lucrezia—decadent children of a wicked pope—no one can claim innocence for very long. When Borgia sends Don Vicente on a year's quest to reclaim a relic of the original Tree of Knowledge, he leaves Bianca under the care, so to speak, of Lucrezia. She plots a dire fate for the young girl in the woods below the farm, but in the dark forest there can be found salvation as well. . . . A lyrical work of stunning creative vision, *Mirror Mirror* gives fresh life to the classic story of Snow White—and has a truth and beauty all its own.

An unbelievably believable story about the afterlife, with documenting photographs from the former publisher of a major metropolitan newspaper. In 2004, Janis Heaphy Durham's husband, Max Besler, died

of cancer at age 56. The daughter of a Presbyterian minister, she practiced her faith as she struggled with her loss. Soon she began encountering phenomena unlike anything she'd ever experienced: lights flickering, doors opening and closing, clocks stopping at 12:44, the exact time of Max's death. But then something startling happened that changed Heaphy Durham's life forever. A powdery handprint appeared on her bathroom mirror on the first anniversary of Max's death. This launched Heaphy Durham on a journey that transformed her spiritually and altered her view of reality forever. She interviewed scientists and spiritual practitioners along the way, as she discovered that the veil between this world and the next is thin and it's love that bridges the two worlds.
