What is it that we as a nation are missing? Why, given all our skills, resources and talents, do we settle so often for the ordinary instead of

striving to be the best? At the heart of Ignited Minds is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam's vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness. *Competition Science Vision* Oswaal Books and Learning Pvt Ltd
