The first edition was a small book of twelve poems and the last, a compilation of over 400. The poems of Leaves of Grass represent Whitman's celebration of his philosophy of life and humanity. His poetry praises nature and the individual human's role in it. My name is Haldin Raish. Legionnaire. And the High General just murdered my parents. My dad was well respected in the Legion. Always had a reputation for doing the right thing, no matter the

cost. He was a good man. And whatever he stumbled onto got them both killed. Messily. Now, that red-eyed thing is coming for me. It walks like the High General. Talks like him, too. But it's not. Human beings don't shirk off gunfire and smack grown men across the room like that. Not even High Generals. And he's not the only one. The only reason I'm alive is Carlisle. I still don't understand how he found me that night, or how he does the things he does. Telekinesis. Inhuman speed. He tells me I can do these things too. I'm pretty sure he's insane. Or one of them. But if the crazy bastard can help me get another shot at the thing that murdered my parents, well then... sign me up. These things picked the wrong planet to mess with... Amazons of Bluebelle Valley, Giantess Collector's Edition is phenomenally entertaining and massive - all twenty marvelous episodes of the original series. Included, for your viewing pleasure, in this big, wide, tall, heavy 474-page volume are all the original covers presented as art and without titles. This huge book is the perfect coffee-table gift for the man who dreams (probably secretly) of being enthusiastically loved by magnificent vigorous amazons of superlative proportions. Kind of expensive for a book - but you wanted highest quality and a fun unique experience for your valuable time. Here it is for the price of a good theater ticket. So pull up a seat, my friend. In the specific genre of mini giantess and small man, Amazons of Bluebelle Valley stands as a grand and unique achievement. It is a celebration of the dominant Goddess, a joyous ode to voluptuous, tall, gorgeous, amorous, and sexy women in the extreme. Surprisingly, these thoroughly smashing-good-time erotic adventures comprise an unexpected spiritual journey you can be proud to witness. Thoroughly indulge yourself and be properly uplifted at the same time: now that's the win-win we've been looking for! Be 21 years old (if not 31) to read the sexually explicit content that permeates these super sexy, XXX-rated, and adult-only adventure stories. This is the Hero's adventure as never seen before, looking up at sexually impossible odds. Each Episode fulfills the promise to be dependably engaging, heartfelt, clever, humorous, and of course sexually perilous for our unlikely little protagonist, Richie Greenfield. We cast aside all unhealthy shame to rejoice and claim this particular sexual fantasy and proclivity. Step into the extraordinary life of our little avatar, our champion, humbly doing his best to be a true man as he lives with, works for, loves under, and is munificently smothered by the Amazons and Giantesses of Bluebelle Valley. "The style is exceptionally easy to read. Each bodacious romp in the juicy fantasy land moves along like a fun amusement park ride. The characters are ultimately open and generous and therefore their world, while edgy and sexually dangerous, seems kind and oddly sweet. The paradox is that so much outrageous crushing sex could be so uplifting." J.E. - San Francisco

The Stone Giant Lulu Press, Inc

When her father leaves to save people from a giant who turns them to stone with his gaze, a child in a red dress is left alone. Many days and many nights go by. Every evening the girl says good night to herself in her mirror. When the last light burns down, the girl takes her mirror and a knife and sets out to find her father. "I will save my father from the giant," she says. The Stone Giant is a contemporary and timeless fairytale that tells of a child who succeeds where adults cannot. Based on a classic Swedish fairytale by Elsa Beskow, often called the Beatrix Potter of Scandinavia, whose books have been read by Swedish children for over 100 years.

Twenty-something Aviva moved to Cairo shortly after graduating from college with a degree in elementary education. She became a teacher not because she cared passionately about educating the young, but for the traveling opportunities the career provided. Aviva's best friend, Aisha, has visited her mother's family in Cairo on several occasions. When she's twenty-four, she decides to move to Egypt to live with them for a year or two. But there are problems from the beginning. When Aviva's roommate abandons her, the two friends become roommates, setting them up for some unforgettable exploits. Aviva and Aisha's worldly adventures range from hilarious to traumatic, taking them from Egypt to its neighbors and even farther east. Together, they suffer from culture shock that is worse the second year than the first. It comes from realizing that they've been desensitized to things that once stunned or saddened them-and causes them to question their own sanity. They get into and out of trouble, both at work and on vacation; learn new languages; and make friends and enemies along the way. One important lesson is reiterated everywhere they go-if they don't try to apply American logic, everything makes more sense! Instigating Profligacy: Aviva and Aisha's Adventures in the World is based on author E. G. Barbuto's experiences living, working, and vacationing in the Middle East and Asia.

Nominated for the Amazon.ca First Novel Award Eugenia Ledoux, nine years old, wakes to a note from her father: 'gone to save the world. sorry. yours, sheb wooly ledoux. asshole.' Eugenia is left behind with her mother, the sharp-edged B-movie actress Mink, and her sister, the death-obsessed and hauntingly beautiful Immaculata. When Mink climbs into the family car and vanishes, Eugenia doubles in age overnight, but remains the dark and diminutive creature who earned the nickname 'Stunt.' Eugenia devotes herself to finding Sheb. She writes to the man she believes to be Sheb's father: I.I. Finbar Me The Three, a retired tightrope walker. Waiting for Finbar's response, she retreats to Toronto Island, where she meets Samuel Station, a barefoot voluptuary, world traveller and ring-maker. When Finbar does write back, Eugenia wonders if she will find what she is looking for - or something else entirely. Studded with postcards from outer space, twins, levitation, the explosion of a shoulder-pad factory, and some accomplished taxidermy, Stunt is part dirge, part cowboy poetry and part love letter to the wilder corners of Toronto and of ourselves. 'Claudia Dey's debut novel is like a snowflake, utterly unique, compellingly intricate and sparkle-riven, sharp as broken crystal and just as dazzling. Stunt is daring, poignant, full of abandon and abandonment, wistful and funny. Brilliant.' - Lisa Moore 'Dey's ... prose [is] a wondrous compression of poetry, her carnival of characters drawn in gripping detail, and the riot of fantastical yet gritty imagery all shot through with a keen and relentless sadness. The sheer density of the imagery and vivid characterizations makes you slow down to enjoy every sentence. You want to read this novel carefully; you want to read it again.' - The Globe and Mail 'Stunt is mesmerizing, rewarding, and breathtaking. Dey never lets up!' - Quill & Quire.

The Collected Works of Marie-Louise von Franz is a 28 volume Magnum Opus from one of the leading minds in Jungian Psychology. Volume 1, released on her 106th birthday, is to be followed by 27 more volumes over the next 10 years. Volume 2 turns to the Hero's Journey within fairytales. The Hero's Journey is about the great adventure that leads to a cherished and difficult to obtain prize. In these fairytales, the Self is often symbolized as that treasured prize and the hero's travails symbolize the process of individuation. In its many manifestations, the hero embodies the emerging personality. "In the conscious world, the hero is only one part of the personality—the despised part—and through his attachment to the Self in the unconscious is a symbol of the whole personality." Von Franz's prodigious knowledge of fairytales from around the world demonstrates that the fairytale draws its root moisture from the collective realm. This volume continues where Volume 1 left off as von Franz describes the fairytale, "suspended between the divine and the secular worlds (...) creating a mysterious and pregnant tension that requires extreme power to withstand." The resistance of the great mother against the hero and his humble origins, as well as the hero

freeing the anima figure from the clutches of the unconscious are universal archetypal patterns. The spoils retrieved by the hero unconscious. symbolize new levels of consciousness wrested from the
