What will a group of monks do when their century-old monastery in New York City is threatened with demolition to make room for a new high-rise? What will a group of monks do when their two-century-old monastery in New York City is threatened with demolition to make room for a new high-rise? Anything they have to. "Thou Shalt Not Steal" is only the first of the Commandments to be broken as the saintly face off against the unscrupulous over that most sacred of relics, a Park Avenue address. Returning to

bookstores for the first time in three decades, BROTHERS KEEPERS offers not only a master class in comedy from one of the most beloved mystery writers of all time but also a surprisingly heartfelt meditation on loss, temptation, and how we treat our fellow man.

This book is my way to honor my brother Shannon who was a fallen Police Officer. Shannon was the first Police officer in the

state of Florida to die in the line of duty due to contracting Covid-19. My aim is to tell a love story of two brothers who lived in each other's world from childhood years into young adult years. Two brothers who eventually went opposite directions but found their way back to each other because of the bond of love. This is the story of how love bridged the chasm between a conservative evangelical preacher and an openly gay police officer.

In recent years, a lively debate has developed in Poland on the question of what responsibility the Poles share for the mass murder of the Jews, which took place largely on Polish soil. This debate was sparked off by the showing in Poland of Claude Lanzmann's film, Shoah, which revealed how deeply-rooted anti-Jewish prejudice could still be found in the Polish countryside. Anti-semitism is something which Poland has preferred to forget. But before the Second World War hostility to the Jews was widespread and this climate of pervasive anti-semitism may have facilitated the Nazis' murderous plans. But Poles now, with great courage, are facing this dark side of their past. This book, translated and edited by a leading British historian of Poland, Antony Polonsky, is a major contribution to the history of the Holocaust. It gathers together the most important contribution to the current debate, revealing the agony many Poles feel about their lack of action during the war.

Like Friday Night Lights did years ago, Brother's Keeper tries to put the reader in the mind of a high school football player during one of the most exciting times of his young life. Listening to the

words and thoughts of some of the most impactful Abilene football players of the past 50 years is a rare treat -- and the central theme, that of protecting and working for your teammate, is a lost art in a me-first sporting world. This book captures the best of high school football and the best of the city of Abilene.

With war looming on the horizon and winter setting in, can two children escape North Korea on their own? Winner of the Freeman Book Award! North Korea, December, 1950. Twelve-year-old Sora and her family live under an iron set of rules: No travel without a permit. No criticism of the government. No absences from Communist meetings. Wear red. Hang pictures of the Great Leader. Don't trust your neighbors. Don't speak your mind. You are being watched. But war is coming, war between North and South Korea, between the Soviets and the Americans. War causes chaos--and war is the perfect time to escape. The plan is simple: Sora and her family will walk hundreds of miles to the South Korean city of Busan from their tiny mountain village. They just need to avoid napalm, frostbite, border guards, and enemy soldiers. But they can't. And when an incendiary bombing changes everything, Sora and her little brother Young will have to get to Busan on their own. Can a twelve-year-old girl and her eight-year-old brother survive three hundred miles of warzone in winter? Haunting, timely, and beautiful, this harrowing novel from

a searing new talent offers readers a glimpse into a vanished time and a closed nation. In a captivating debut novel that is both humorous and heartwrenching, ReShonda Tate Billingsley -- winner of the Gold Pen Award for Best New Author -- spins an irresistible story that will touch every reader's heart. Aja James hasn't had it easy. She has kept a close watch over her siblings ever since tragedy robbed them of their parents. Tired of carrying the weight of the world on her shoulders, Aja is ready for a change. Her best friend, Roxie, knows just what to do -- she sets Aja up on a date with one of the most sought after bachelors in town, handsome sportscaster Charles Clayton. Charles is everything Aja has ever dreamed of -- sensitive, sexy, and charming. But "happily ever after" isn't that simple. While Aja has rebounded from the loss of her parents, her sister and brother have not. Jada is lost in a world of silence with no way for Aja to reach her, and Eric's uncontrollable rage is wreaking havoc on his life. As Aja sees her brother heading down the same violent path that destroyed their family, she makes it her business to stop the cycle -- even if it means putting her own life, and her own chance at love, on hold. *My Brother's Keeper* is a poignant novel about a resilient family learning that sometimes you have to forgive in order to find the strength to move on.

Stanislaus Joyce was more than his brother's keeper: he was at various times his brother's co-dependent, touchstone, conscience, and biggest fan. The two shared the same genius, the same childhood influences, and had the same literary instinct, but in Stanislaus it was channeled into sober academic pursuit, while in James it evolved into gaiety, wild whimsy, and at times sodden despair. Covering the first twenty-two years of James Joyce's life in Dublin and Trieste, *My Brother's Keeper* is a window onto the drama that was his youth. Thanks to Stanislaus's superb memory and sure hand, here we find the Dublin of Dubliners: the streets, neighbors, churches, and unforgettable eccentrics. Here we see the model for Ulysses' Simon Dedalus: James' father, a dour and violent figure when in his cups. Here are the Joyces in their own home, and the minor characters that pepper *A Portrait of the Artist*: Eileen, Leopold Bloom's comely daughter; Mrs. Riordan, the surly teacher; Mr. Casey, the political agitator. And finally, here is Trieste, a place of exile for Stanislaus but a retreat for James. Stanislaus Joyce has fashioned both an invaluable primary source for his brother's opaque masterpieces and a loving memoir of his brother's early life.

From New Zealand author Donna Malane, *My Brother's Keeper* is a dark and twisting mystery that leaves no stone—or page—turned. Diane Rowe is a missing persons expert. Ex-con Karen needs Diane's help to track down her fourteen-year-old daughter, Sunny, whom she's lost contact with while she's been in prison. To Diane, this appears at first glance to be a simple case of a mother wanting to reunite with a beloved daughter. Tracking the girl down is easy. However, convincing her to meet her mother is no easy task. And at the back of Diane's mind is a nagging thought—that guilt and innocence aren't straightforward and nothing is quite what it seems. Does Karen really want to fix the wrongs of the past or is there something darker at play here that will take all of Diane's skills to uncover?

Trapped in a web of hate with no escape, a young woman discovers her attraction to the man determined to protect her may be her undoing. Will time run out, or will he find a way to protect her before her abusive father kills her? When Rowan is awarded a ballet scholarship to Michigan State University during

her senior year of high school, her life's dream is finally realized. Having lost her mother at an early age and being subjected to the abuse of a destitute drunken father, she has known unimaginable loss and heartache and been left wanting for a better life—a life now within her grasp. But with one ill-fated phone call, her life is turned upside down. Logan is Rowan's best friend's older brother whose career is taking off as he prepares to graduate law school and move cross-country to the prestigious law firm that has offered him a very lucrative contract. When Rowan finds herself at Logan's mercy after he inadvertently learns of the abuse she has suffered at the hands of her father, their lives become intertwined in a way neither ever imagined nor wanted. In an effort to protect her, but with his own hands tied by her unwillingness to report the abuse, Logan strikes a deal requiring Rowan to stay with him whenever there is a chance her father might be on a drunken binge—which is often. For her agreement and cooperation, he will keep her secret. Soon, their time together weighs on them both, and they find themselves constantly tempted to step outside the bounds of their supposed platonic relationship. But there is no point. The devastating fact of the matter is their lives are moving in opposite directions—a relationship destined to die before it even has a chance to live. The ever-present clock plagues them both as it ticks off the days until they are parted. But one all-important question remains—after he leaves, how will he protect her from a father intent on hating her until the day he dies ... or the day he kills her?

The death of a sibling is unlike any other. Gloria Reuben's little brother died just before his twenty-second birthday. Two decades later, her oldest brother Denis died two weeks short of his sixtieth birthday. Just as Gloria felt like she was finally healing from David's death, the shock of Denis' unexpected death was almost too much to take. In *My Brothers' Keeper*, Gloria bares her soul as she reveals the intimate details of her life at home as a young girl. How the death of her father when she was twelve shaped her view of love and life. How David's death was the impetus for her move from Canada to the United States. And how her brother Denis was her heart's twin in a multitude of ways. Gloria, most well known as an actress, debuts her talent as a writer in *My Brothers' Keeper*, an intimate and honest tribute to David and Denis. Their lives. Their deaths. And the hope that awaits. "Gloria has written a truly wonderful and inspirational tribute to her brothers and to life. Helpful to all of us who have suffered losses."—Pete Earley

"What is man, that you are mindful of him, the son of man, that you care for him?" Indeed, what is a man? As our society sorts through what it means to be masculine or feminine and roles drift and shift, men as well as women feel the strain. Very recently, a small but growing field of theory called men's studies has appeared in reaction to the decades-long feminist movement in women's studies. Can the social sciences informing contemporary men's studies (psychology, cultural anthropology and others) provide helpful insight as to what helps or hinders men in becoming the sons, fathers, husbands, and brothers they ought

to be? Following her landmark gender-reconciliation text, *Gender and Grace*, Mary Stewart Van Leeuwen turns her focus to men's studies in this new book. She incorporates the most recent and significant research in the social sciences with a biblically founded Christian worldview that sets the course for men and women being in right relationship. Surveying a vast amount of literature with balance and insight, Van Leeuwen probes the value and plumbs the limits of what the social sciences offer Christians. For men and women, for students, teachers and general readers, Van Leeuwen offers an alternative to mindless

conformity to--or dismissal of--cultural "norms." Rather she encourages pursuit of a faithful masculinity that honors the God who made men and women to be a blessing to each other.
