THE STORY:

Earning their bread with satires of white high society, the African Company came to be known for debunking the sacred status of the English classics (which many politically and racially motivated critics said were beyond the scope of bla

The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or

prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for

napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and

#1 NEW YORK TIMES
BESTSELLER •

With a new afterword by the author in honor of Frank Sinatra's 100th birthday This is the book that Frank Sinatra tried—but failed—to keep from publication, and it's easy to understand why. This unauthorized biography goes behind the iconic myth of Sinatra to expose the well-hidden side of one of the most celebrated—and elusive—public figures of our time. Celebrated

journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps, and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, friends). The result is a stunning, often shocking exposé of a man as tortured as he was talented, as driven to self-destruction as

he was to success. Featuring a new afterword by the author, this fully documented, highly detailed biography—filled with revealing anecdotes—is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day. Praise for His Way “The most eye-opening

celebrity biography of our time.”—The New York Times “A compelling page-turner . . . Kitty Kelley’s book has made all future Sinatra biographies virtually redundant.”—Los Angeles Herald Examiner The African Company Presents Richard III Wentworth Press Wards 101 pocket is a hospitalist’s survival guide, a comprehensive yet hyper-concise

clinical guide intended and geared for internists, and medical trainees such as interns and residents. Now in its 3rd edition, Wards 101 pocket has been updated with new information in many areas, and is better than ever. Topics covered include: * Critical information and clinical pearls on the routine management of the hospitalized patient * The basics: H&P, note

templates,
 fluids &
 electrolytes,
 acid-base
 disorders,
 statistics *
 Emergencies:

Many biblical scholars believe that the Gospel of Matthew was written after those of Mark and Luke. In this

controversial book, an eminent politician who is also a distinguished classical scholar refutes this idea, using textual and literary criticism to assert that the Gospel of Matthew preceded the other gospels. Translating and analysing the original Greek source, Powell proceeds to concentrate upon the text of Matthew, as being the earliest form of the gospel that we possess, and

to demonstrate how its peculiar characteristics can best be accounted for as being the result of insertions and manipulations, often theologically motivated. Powell argues that the Gospel of Matthew represents an attempted compromise between a pro-gentile book and a critical revision of that book produced for the judaising wing of the early Church, and that

material intended to appeal to the followers of John the Baptist was also introduced. The Gospel of Matthew, though given the form of consecutive narrative, is, says Powell, essentially a theological debate carried on by means of allegory: was Jesus the Son of God or a Davidic king? UNCTAD VIII Random House (UK) Offers a detailed look at the film actor and singer's life by

his daughter Britain at the Heart of Europe Brandon/Mount Eagle Gillian Traherne and her mother Phoebe lead a remote existence in their grey, stone house on the Welsh borders. Gillian is a loner, an eccentric poet in her thirties, who has a difficult relationship with her very different mother: a well-known and expert gardener. Into their strange and secluded world,

described with beautifully observed detail, come strangers from London to disrupt life as Gillian knows it. But with the joy of the love that she is to discover, will also come the pain and suffering of experience and the stark realities of the adult world.

Now you can discover some of Switzerland's finest recipes and culinary

traditions. A Taste of Switzerland includes more than 50 recipes of specialities from all regions of Switzerland. Chapters focus on festivities, breads, cheeses, sausages, game and mushrooms, the significance of chocolate, fruits, wine, and the art of the Swiss hotelier. There is a bibliography, a list of food and wine museums, an index and 119 luscious colour

photographs. Swiss food, folklore, history and traditions are interspersed with many recipes to give you a tempting taste of the richness of the country's diverse gastronomic cultures. Sue Style's writing stimulates more than your taste buds as she describes the delectable flavours that give a unique identity to each region. She takes you to dairies, vineyards, butchers and bakers, as

well as to some of Switzerland's finest restaurants and hotels and shares with you her many impressions, anecdotes - and of course recipes. Clear and simple instructions enable you to prepare a whole range of Swiss dishes and specialities. *Britain in Brief* This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as
