The book "The Mystery of the Fivefold Ministry Revealed Biblically"

started as a book to answer my questions about the fivefold ministry, as I had not been taught about it in church. As I studied it, I found the richness and depth of utilizing the offices of the fivefold ministry in the local church to be a blessing. Moving

forward, the fivefold ministry needs to be active in every church. Just as scripture

teaches us, the fivefold ministry is a gift from God. In: Ephesians

4:11-12 King James Version 11 And he

gave some, apostles; and some, prophets;

and some, evangelists;

and some, pastors and teachers; 12 For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Therefore it is crucial that the fivefold ministry actively functions in our churches today. Its presence is not a luxury but a necessity for the spiritual growth and edification of the body of Christ.

"The Character Of The Five-Fold Ministry Through the Lens of LOVE " explores the fivefold as the gifts that recreate the world. It is a comprehensive book

that capsuled the fivefold ministry in five absorbing chapters. The author Chief Apostle Leon D. Nelson Jr. a seasoned minister of God, a brilliant instructor, and one of the few Apostles of our generation presents the fivefold ministry in a compelling narrative that kindles the mind. Discerning from foresight the future of the church and the new creation, Apostle Nelson advocates the exigency of the fivefold ministry. Stating that, the fivefold is of immense significance in modern Christianity. He thus, developed the fivefold in an exciting paradigm precisely presenting it as the character of Jesus Christ. He further exposed the fivefold as the character of Christ and can only be

accessed through the lens of love. Focused on the character of the Five-Fold ministry officers, the book reveals the perfect plan of The Father to equip the saints and empower His Kingdom by dispensing the work at His House into a few hands, for the benefit of the church.

Beginning from the introduction, Apostle Nelson clearly illuminates the fivefold and distinguishes the character of the office from the gifts of the office. He expounds the benefits of the fivefold to the body of Christ and provides an intuitive insight of the fivefold which the church and the Five-Fold ministry officers must strive to live up to for the body to mature and grow into the fullness of Christ.

what it means and they have never asked within their own church exactly what is the "5 Fold Ministry." They state they did not want to embarrass themselves. I usually have two answers for them. Would you be surprised if an internationally recognized evangelist believes that each person who sits in a pew each week can effectively minister part-time in one of the fivefold ministry offices? Did you know that you could be called to a ministry and that you can actually fulfil the tug on your heart that you have

felt for years, but have not had the opportunity to enter into it on any full-time basis? This book is a conversation that Matthew Robert Payne had with the Holy Spirit where he wrote out questions and the Holy Spirit answered them, sometimes at length. Come and hear the Holy Spirit speak on the fivefold ministries and give counsel to the full-time ministers of God, and others who may become part-time ministers, and explain the gifts of the Holy Spirit. Do you feel an urge to listen and sit at the feet of the Teacher and listen to his answers to a humble prophet's questions? Are you ready to capture what the Spirit of the Lord is saying to his ministers in this hour and receive his

### **Deeper Revelations Of The Five-Fold**

**Ministry** Rwg Publishing

One of the biggest problems we have created for ourselves in today's church is that we have people serving in offices where they have not been called into. "But unto every one of us is given grace according to the measure of the gift of Christ."

Ephesians 4: 7. When the church leaders are not functioning in their gifts, they will not be able to accomplish the purpose of the leadership offices because they are

serving where God did not intend to use them at that particular time. What then happens is that they become too busy working in someone else office and they leave their own original gifts wasted and unfulfilled. A good example is when a man does not know that he is called into the office of an Evangelist, and he decides to serve in the office of a Pastor. He will use up all his time serving inside the church as a shepherd whereas, God's intention is to use him outside the church to preach the message of salvation that will get unbelievers saved before they are directed into the church. This means that he will not have an encounter with the exact people Christ

called him to minister to, and he will not be able to properly minister to the people inside the church because Christ has not called and equipped him for such service. This will only be making the church spiritually stagnant or pulling the church backward and giving Satan the opportunity to infiltrate the church with his evil schemes, drifting the Church far from its biblical roots, away from the fundamental doctrines which are vital to its effectiveness and spiritual well-being. The Bible speaks of how such people who are not using their gifts in the right way will be judged. They will be saved but they may not be rewarded for their services (1 Corinthians 3: 13-15).

"So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up." Ephesians 4: 11-12. When Jesus gave these leadership gifts to the church, He wanted these gifts to be the tools to build up the church. To edify means "building up" in the same way as in constructing a house. When the church leaders use their gifts to function as Christ intended, the church will be quipped and strengthened, the ministry will be enhanced, the church will become effective and edified, new Christians will be established, and the congregation will be

enlarged. This book discusses both the gift of spiritual leaders and how it is important for a mature, loving, unified Christianity. It is crucial to the health of Christian congregations that every church leader uses their God-given gifts appropriately. It has Scriptures to confirm and back up everything said. Here's just a snippet of the Teacher. Teachers or teaching is a divine calling from God.
