The wait is over for the sequel to the international bestseller, *New Age Bible Versions*, for its quarter of a million readers! For the first

time ever, view the authors who brewed the words in corrupt new bible versions, such as the TNIV, NIV, NKJV, ESV, NASB, and HCSB. College president Dr. Norris Belcher said, "This book takes you to the head of the stream, where you will see the men, standing with sticks in hand, stirring

up the mud to cloud the pure water of God's word, the King James Bible." This book will bring Greek and Hebrew study out of the closet for the first time. Tumbling out come the starving skeletons of the authors of Greek and Hebrew study tools, lexicons and editions, the sordid sources from which new versions, such as the NIV, TNIV, NKJV, ESV, NASB, and HCSB take their corrupt words. These are the very same study 'aids' which kill a sermon or Bible study when used to 'define' a word in the Holy Bible. Lexicon and Bible dictionary authors dug down into the depths of pagan lore, then ransacked the English dictionary to find a match which could burn the Bible

word-by-word. The smoke darkens the directing light of the holy scriptures. This book will document that men who want to change and redefine the Holy Bible are likely to want to change anything -- even Bible doctrine, their own gender, and their god. - Publisher. [Jonah Leader Kit](#) Lifeway Church Resources Taped at the 2007 Deeper Still event, three women explored their lives and the life of David. Anointed, Transformed, Redeemed: A Study of David contains the audio and video portions of the Deeper Still conference featuring Beth Moore, Priscilla Shirer, and Kay Arthur. You'll laugh with them, cry with them, and learn to love

God with them. These authors' messages are divided into three segments, two lessons each. Each segment focuses on the life of David at a different stage of his life: as a young man (by Priscilla Shirer), as a middle-aged man (by Beth Moore), and as a man facing the final third of his life (by Kay Arthur). Member Book provides six weeks of interactive, in-depth Bible study and group leader helps.

What do you do when you can relate more to Jezebel, Ahab, or Eve than Esther or Mary?

To her surprise and joy, author Autumn Miles discovered most of the heroes of the Bible were plagued with the same problem. They were ordinary people who sinned, but God's love, mercy, and truth proved greater. I Am Rahab provides a better understanding of God, with a focus on the breadth of his reach to use and redeem all things for the good of his purposes, and for their benefit as his beloved children. You will find comfort in relating to

Rahab and to Autumn's own raw story of surviving domestic abuse and will be encouraged to know you are not alone in a life disrupted by bad choices, nor are you meant to stay there. You can move forward from your past and have an abundant future.

Misuse of the Bible has made hatred holy. In this provocative book, Adrian Thatcher argues that debates on sexuality currently raging through the churches are the latest outbreak in a long line of savage interpretations of the Bible. Fascinating reading for anyone concerned about the future of Christianity. A

provocative book claiming that debates on sexuality currently raging through the churches are the latest outbreak in a long line of savage interpretations of the Bible. Argues that the Bible has been abused to convert the “good news” which it brings to the world, into one which has been used to discriminate against many groups, including children, women, Jews, people of color, slaves, heretics, and homosexuals. Asks how Christians have been able to conduct, in public and on a global scale, an argument that has exposed so much prejudice, fear and hatred. Offers an alternative, faithful and peaceable reading of the Bible, drawing on numerous examples

throughout. Breaks new ground in debates about sexual ethics and biblical interpretation.

Who Are You? When you introduce yourself to someone for the first time, you may start with your name, where you go to school, a sport or instrument you play, or your future plans. Each of those may help our culture define us, but are they enough? There are bigger questions culture can't answer: "Who am I?" and "Why do I matter?" But first, you must answer, "Who is God?" Scripture teaches that we're all made in the image of God. We don't define ourselves--the Creator does. Once you begin to understand who God is and what it means to be created in His image, you'll begin to discover all God has called you to be. This

beginning." Genesis is about beginnings - the beginning of creation, time, mankind, relationships, sin and salvation. The only thing Genesis is not about is the beginning of God, who always was and always is. Genesis helps us to understand where it all began and why things are the way they are. It shows us the importance of Israel and how God protects and guides a people dedicated to him. Genesis shows us that God has a plan and if you follow that plan, he will lead you to eternal life. Genesis sets purpose in motion. The faith of Abraham reveals a belief that moves from knowledge to trust. It knows confidently that all be okay with God in control. Every promise

will come to fruition. For us, as we pray through Genesis, we see ourselves - sinful and disobedient, needing reconciliation with God. We see God working through us to develop an incredible plan. God is all about fresh beginnings and new horizons and Genesis shows us how He does that.

PRAYING THROUGH THE BIBLE SERIES What is God's word? Simply put, it is the word of God spoken to people long ago who transcribed that information into writing. That writing was meticulously passed down for thousands of years to speak to us today. How did God speak to people in Bible times? *

Audibly - God spoke directly to people who heard him with their ears or in their heart.*

Through situations - God spoke through the actions and events of this world.* Through people - God spoke through leaders, kings and prophets who proclaimed God's purpose.* Through prophecy - God spoke about future events, then those events happened.* Scripture - God spoke through his written word when people read those words later.* Prayer - God spoke through the prayers of people.

PRAYING THROUGH THE BIBLE SERIES recognizes the power of God speaking to mankind through His Scriptures. God's word was not only meant to be read, but applied. We must apply ourselves to these passages and adjust our lives to God's will. Today, God uses many

ways to speak to us. This book incorporates those avenues of communication to ensure that God will speak to you during your quiet time with Him. Each section asks the reader to do six things. 1. Read the passage. Open up the Bible and read His Word. 2. Memorize the passage. A certain verse is given special focus. Commit it to memory. Remember it all day. 3. Understand the passage. Background information (Time, Characters, Place, What's Happening) help you to understand the context of the section you are reading. 4. Read the prayer. Read the written prayer as if it is from your heart. Don't recite them as words from a page, but a plea

from your soul. 5. Keep praying. Prayer prompts are there to help you continue praying about other specific areas. Listen to the Holy Spirit and see if there is more you need to pray. 6. Journal your thoughts. In the space provided, write down some thoughts that you feel God said to you during this time. Every so often I've included a "Prayer Thoughts" page to give you more room to journal your thoughts and write down prayer requests as you go through the Bible. They attempted to reconstruct the temple, however, they became discouraged and quit. Haggai challenged them to consider their priorities and get back to work. Life Interrupted Lifeway Church Resources The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of

Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes

examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.
