Compare ...NEUROANATOMY is an annual journal of neuroanatomy and neuroscience. It is mainly published as an electronic journal in Adobe PDF format. Although all the articles' copyright holder is neuroanatomy.org, NEUROANATOMY is an open access journal. NEUROANATOMY Neuroanatomy is the study of the structure and organization of the nervous system. In contrast to animals with radial symmetry, whose nervous system consists of a distributed network of cells, animals with bilateral symmetry have segregated, defined nervous systems. Their neuroanatomy is therefore better understood. Utilizing clear text and explanatory artwork to make clinical neuroanatomy and neuroscience as accessible as possible, this newly updated edition expertly integrates clinical neuroanatomy with the clinical application of neuroscience. It's widely regarded as the most richly illustrated book available for guidance through this complex subject, making it an ideal reference for both medical ...
