Major Theoretical Categories. Humanistic: Humanistic counseling theories hold that people have within themselves all the resources they need to live healthy and functional lives, and that problems occur as a result of restricted or unavailable problem-solving resources. Humanistic counselors see their role not as one of directing clients in how to address their problems but, rather, as one of helping clients to discover and access within themselves the ...Counseling Theories and Approaches

COUNSELING THEORY AND PRACTICE provides a unique, in-depth presentation of all the major theories of counseling and psychotherapy. Author Edward S. Neukrug discusses twelve theories that cover four...Counseling Theory and Practice - Edward S. Neukrug ...Abstract In this book, we contend that the psychologist who engages in counseling can be both practitioner and scientist-that he can contribute to knowledge while helping clients. Admittedly, few counselors are theorists in the strict sense of the term, but inevitably every counselor will bring to his work with clients certain assumptions.

Counseling theory and practice. - APA PsycNET
