Suman, a compassionate teenage beauty and a dream girl of every boy is in steady pursuit of her life's goals when she runs into a young beggar girl and the purpose of her life changes. During her eventful journey, she crosses paths with two headstrong and extremely patriotic youth. One is an ardent supporter of a separate state movement and is hell-bent upon achieving the seemingly impossible. The other is a giant volcano full of aggressive enthusiasm and revolutionary ideas, resolved to transform the whole country, take it to a different level. They set out on different paths. Sparks are bound to fly when great passion meets surreal beauty. Love blossoms. But are their personal feelings greater than their ultimate goals? Are their goals inter-related? Do these fiery youngsters achieve what they dream of? *The Game Changers* – youth on fire is a story about three common, yet not so common youngsters of India, who whole-heartedly dedicate themselves

to their causes in life. It is a narration full of youthful energy, fun, great transition and an unpredictable climax. Last but not the least, Kiran Kumar, the writer, has expressed through this book his strong belief that youth has an amazing energy in them, a fire which when channelized constructively, can yield incredibly positive results.
