Focus on Making Predictions The Creative Company
Standards-Based Connections Reading for grade 2 offers focused skill practice in reading comprehension. A skill assessment will point out students' learning gaps. This allows teachers to choose appropriate student pages for individualized remediation. The student pages emphasize five important reading comprehension skills: summarizing, inferring, story elements, comparing and contrasting, and cause and effect. The book includes high-interest fiction and nonfiction, with texts about moving day, volcanoes, Laura Ingalls Wilder, planets, poetry, and more. --Each 96-page book in the Standards-Based Connections Reading series includes a skill assessment, an assessment analysis, targeted practice pages, and an answer key, making this series an ideal resource for differentiation and remediation. The skill assessments and assessment analyses help teachers determine individualized instructional needs. And, the focused, comprehensive practice pages and self-assessments guide students to reflection and exploration for deeper learning!

Reading Carson-Dellosa Publishing

Quijana is a girl in pieces. One-half Guatemalan, one-half American: When Quijana's Guatemalan cousins move to town, her dad seems ashamed that she doesn't know more about her family's heritage. One-half crush, one-half buddy: When Quijana

meets Zuri and Jayden, she knows she's found true friends. But she can't help the growing feelings she has for Jayden. One-half kid, one-half grown-up: Quijana spends her nights Skyping with her ailing grandma and trying to figure out what's going on with her increasingly hard-to-reach brother. In the course of this immersive and beautifully written novel, Quijana must figure out which parts of herself are most important, and which pieces come together to make her whole. This lyrical debut from Rebecca

Balcárcel is a heartfelt poetic portrayal of a girl growing up, fitting in, and learning what it means to belong.
