In this book, we'll discuss the identity of the Black Horse of the Apocalypse and his plagues of famine and hyperinflation. We will look specifically at the engines of power in the world and their trails of blood. God has filled this world with everything we need to feed ourselves and enjoy peace and prosperity, but He also allows us to face the consequences of our decisions, whether they are wise or less-than-wise.

What does the Bible say about "wars"?How can the classic literature of centuries ago impact today's (and tomorrow's) tactics and strategies?Which technologies are predicted in the Bible? Which ones have yet to be witnessed?In what ways have the economies of scale in violence been reversed?What is the threat assessment and risk analysis pending today?In what ways can a country be regarded as a "one-bomb target"?What are the likely implications of trans-humanism in the quests for the "Super-Soldier"?How could electromagnetic pulses emerge to become the "Great Equalizer"?Where is the safest place to be? Dr. Chuck Missler, an honor graduate of the U.S. Naval Academy at Annapolis, with an international background including three decade's experience in the board rooms of the defense industry, reviews the major Biblical references to warfare, the trends in modern weapons technology, and some of the current preparations for war among the major powers.

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information

that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all

the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

This is the top secret manual said to be found by accident in 1986 by an employee of Boeing Aircraft. He bought a surplus IBM copier for scrap parts at a government sale and found the manual inside. The manual outlines a plan to control the masses through manipulation of industry, education and politics, and to divert the public's attention from what is really going on. Surprisingly, it is claimed that much of what is outlined has come to pass, and makes interesting reading for those exploring the deeper levels of our social structure and how it may be controlled or influenced. This Book Tree edition includes all of the important charts and diagrams not seen in other versions. It is an exact replica of the original, aside from some minor alterations to correct print quality. Found in this edition only is a new, four-page Introduction. It explains why we may never be certain of the true origin of this document, despite the fact that someone has stepped forward and claimed that they assembled it from multiple sources.

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him" (Revelations 6:8, KJV). One man would blaze such a path of death and destruction across the western frontier that he would be forever associated with this passage. Disowned by his family, betrayed by his commanding officer, and framed for atrocities he did not commit, he was branded a murderer and a traitor. Living life on the run and forced to kill those who would take his freedom and his life, he nevertheless fought to defend, and sometimes avenge, those who could not do so themselves. Labelled a monster by most, he was considered a hero by some. In time his name would be lost to history, but he would live on in legend, known only as the Pale Rider. This is how his story begins.

In this first novel of the Incarnations of Immortality, Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death. This is a novel that will long linger in the reader's mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept his unwelcome task, despite the rules that seemed woefully unfair. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution!

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will

"My people are destroyed for lack of Knowledge" (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places"(Ephesians 6:12). "Behold a White Horse" is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit." " Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen" (Romans 1:25) "This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free."

"The Protocols of the Elders of Zion" is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for "The Protocols" across Europe and even in America, thanks to Henry Ford and others.

We are living in a time of unprecedented distrust in America... Faith in the government is at an all-time low, and political groups on both sides of the aisle are able to tout preposterous conspiracy theories as gospel, without much opposition. "Fake news" is the order of the day. This book is about a man to whom all of it points, the greatest conspiracist of this generation and a man you may not have heard of. A former U.S. naval intelligence worker, Milton William Cooper published his manifesto Behold a Pale Horse in 1991. Since then it has gone on to sell hundreds of thousands of copies, becoming the number-one bestseller in the American prison system. According to Behold a Pale Horse, JFK was assassinated—because he was about to reveal that extraterrestrials were about to take over the earth—by his driver, an alien himself; AIDS is a government conspiracy to decrease the population of blacks, Hispanics, and homosexuals; and the Illuminati are secretly involved with the U.S. government to manage relationships with extraterrestrials. Cooper died in a shootout with Apache County police in 2001, one month after September 11, in the year in which he had predicted catastrophe. In Pale Horse Rider, journalist Mark Jacobson not only tells the story of Cooper's fascinating life but also provides the social and political context for American paranoia. Indeed, with the present NSA situation and countless other shadowy government dealings often in the news, aren't we right to suspect that things may not be as they seem?
