Exploring the Basics of Drawing (Book Only) Arcturus Publishing

This comprehensive six-part course will suit absolute beginners as well as anyone who wants to improve their existing skills and understanding of techniques. The course is broken down as follows: Week 1 is a gentle introduction with a series of exercises in mark-making which encourage you to get used to handling a pencil before you try some simple still lifes. Week 2 concentrates on one composite still life, from assembling objects to completion. Week 3 explores one of the most popular subjects for still life - plants. Week 4 looks at landscapes, from understanding perspective and composition to planning and executing a complete project. Week 5 introduces ways of sketching a range of familiar animals, from cats, dogs and horses to more exotic creatures. Week 6 tackles the high point of most drawing courses - portraits and figures. Throughout you will find the processes clearly explained and demonstrated in Barrington Barber's inimitable style - encouraging, inspiring and intent on showing that artistic excellence is not just for the professionals.

The Natural Way to Draw Simon and Schuster

THE SEQUEL TO THE MULTI-MILLION BESTSELLER DRAWING ON THE RIGHT SIDE OF THE BRAIN From the author of the world's most popular drawing instruction manual Drawing on the Right Side of the Brain, this new book helps you discover a new way of drawing and problem solving. Betty Edwards reveals the role our dominant eye plays in how we perceive, create, and are seen by those around us. Research shows that much like being right-handed or left-handed, each of us has a dominant eye, corresponding to the dominant side of our brain - either verbal or perceptual. Once you learn the difference and try your hand at the simple drawing exercises, you'll gain fresh insights into how you perceive, think, and create. You'll learn how to not just look but truly see. Generously illustrated throughout, Drawing on the Dominant Eye offers a remarkable guided tour through art history, psychology, and the creative process; a must-read for anyone looking for a richer understanding of our art, our minds, and ourselves. Praise for Betty Edwards' Drawing on the Right Side of the Brain: 'Hands down the best and most life-enhancing thing I've done in lockdown' India Knight 'A guide to enhancing creativity and artistic confidence' Independent
