### SIERRA ANNABEL

**The Feast of the Goat** Penguin

The work of the French sociologist Pierre Bourdieu has emerged, over the last two decades, as one of the most substantial and innovative bodies of theory and research in contemporary social science. The *Craft of Sociology*, both a textbook and an original contribution to epistemology in social science, focuses on a basic problem of sociological research: the necessity of an epistemological break with the preconstructed objects social practice offers to the researcher. Pierre Bourdieu and his co-authors argue in the epistemological tradition of scholars like Bachelard, Canguilhem, Koyre, a tradition that identifies the construction of the object as being the fundamental scientific act. Their way of discussing the issue makes it accessible not only to academics and experts of epistemology, but also to advanced students of social science, using for illustration a wide range of texts from the various social sciences as well as from philosophy of

science. The book includes an interview with Pierre Bourdieu and an introduction by the editor to his sociological methodology.

*Fundamentals of Christian Education* Blackstone Publishing

An anthology of essays dating from the 1890s and presenting a Mexican national outlook.

*The Modern Mexican Essay* Bloomsbury Publishing

A feel-good novel for fans of *A Man Called Ove* and *The Rosie Project*, about an eccentric, language-loving bachelor and the cat that opens his eyes to life's little pleasures  
*The Silver Linings Playbook* author Matthew Quick: "A delightfully absurd, life-affirming celebration. I literally stood up and cheered as I read the last page." When Samuel, a lonely linguistics lecturer, wakes up on New Year's Day, he is convinced that the year ahead will bring nothing more than passive verbs and un-italicized moments—until an unexpected visitor slips into his Barcelona apartment and refuses to leave. The appearance of Mishima, a stray, brindle-furred cat, becomes the catalyst that leads Samuel from the comforts of his favorite books, foreign films, and classical music to places he's never been (next door) and to people he might never have met (a neighbor with whom he's

never exchanged a word). Even better, the Catalan cat leads him back to the mysterious Gabriela, whom he thought he'd lost long before, and shows him, in this international bestseller for fans of *The Rosie Project*, *The Solitude of Prime Numbers*, and *A Man Called Ove*, that sometimes love is hiding in the smallest characters.

*One Hundred Years of Solitude* Penguin

"Highly entertaining." —Adam Gopnik, *The New Yorker* "Funny, curious, erudite, and full of useful details about ancient techniques of training memory." —*The Boston Globe* The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An instant bestseller that is poised to become a classic, *Moonwalking with Einstein* recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top "mental athletes." He draws on cutting-edge research, a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of

our memories.

[Mío Cid Campeador, hazaña](#) Review and Herald Pub Assoc

Gallegos won an international reputation as one of the leading novelists in Latin American literature with *Doña Bárbara* (1929; Eng. trans. Doña Barbara), the story of the ruthless woman who runs a great hacienda, and who finally meets her match in the person of the city-educated Santos Luzardo. She and the violent frontier yield in the face of civilization and law.

[Napoleon the Little](#) Birlinn Ltd

A subtle and enlightening novel about a neglected human rights pioneer by the Nobel Laureate Mario Vargas Llosa In 1916, the Irish nationalist Roger Casement was hanged by the British government for treason. Casement had dedicated his extraordinary life to improving the plight of oppressed peoples around the world—especially the native populations in the Belgian Congo and the Amazon—but when he dared to draw a parallel between the injustices he witnessed in African and American colonies and those committed by the British in Northern Ireland, he became involved in a cause that led to his imprisonment and execution. Ultimately, the scandals surrounding Casement's trial and eventual hanging tainted his image to such a degree that his pioneering human rights work wasn't fully reexamined until the 1960s. In *The Dream of the Celt*, Mario Vargas Llosa, who has long been regarded as one of Latin America's most vibrant, provocative, and necessary literary voices—a fact confirmed when he was awarded the Nobel Prize in Literature in 2010—brings this complex character to life as no other writer can. A masterful work, sharply translated by Edith Grossman, *The Dream of the Celt* tackles a controversial man whose story has long been neglected, and, in so doing, pushes at the boundaries of the historical novel.

[The Prince](#) Hachette Books

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

**Pep Guardiola: The Evolution** Macmillan + ORM

The international bestseller, longlisted for the Dublin Literary Award 2021. Fernando Aramburu's *Homeland* is an epic and heartbreaking story of two best friends whose families are divided by the conflicting loyalties of terrorism. 'It's been a long time since I've read a book that was so persuasive and moving' – Mario Vargas Llosa, author of *Time of the Hero*. *The Basque Country*, Spain, 2011. Miren and Bittori have lived side by side in a small Basque town all their lives. Their husbands play cards together, their children play and eventually go out drinking together. The terrorist threat posed by ETA seems to affect them little. When Bittori's husband starts receiving threatening letters – demanding money, accusing him of being a police informant – she turns to her friend for help. But Miren's loyalties are torn: her son has just been recruited as a terrorist and to denounce them would be to condemn her own flesh and blood. Tensions rise, relationships fracture, and events move towards a tragic conclusion . . . 'Is Aramburu the Tolstoy of the Basque country, author of a Spanish language War and Peace?' – Guardian

The assignment was simple: stake out the man's home and kill him. Easy work for a professional like Quarry. But when things go horribly wrong, Quarry finds himself with a new mission: learn who hired him, and make the bastard pay. NOW A CINEMAX TELEVISION SERIES! The longest-running series from Max Allan Collins, author of *Road to Perdition*, and the first ever to feature a hitman as the main character, the Quarry novels tell the story of a paid assassin with a rebellious streak and

an unlikely taste for justice. Once a Marine sniper, Quarry found a new home stateside with a group of contract killers. But some men aren't made for taking orders - and when Quarry strikes off on his own, god help the man on the other side of his nine-millimeter...

[The Dream of the Celt](#) Wyatt North Publishing, LLC

These memoirs trace the wild and adventurous life of Pérez Rosales from his childhood up to the 1860s. During that approximately half-century he saw and did more than a dozen ordinary men. At age eleven in Argentina he witnessed the executions of Luis and Juan Jose Carrera. From there, his activities and adventures took him on several journeys on sailing vessels around Cape Horn; to Paris, where he witnessed the July revolution of 1830; to various commercial endeavors including a distillery, the practice of medicine, and cattle smuggling; into service as an advisor to an Argentine warlord; as a miner for precious metals in the north of Chile; as participant in the California Gold Rush in 1849; as director of the government's project for German immigration and settlement in the wild south of Chile; and also as Chilean consul and immigration agent in Hamburg. Around the world, Rosales lived through many of his era's watershed moments. His exciting memoirs offer a chance to relive the rush and chaos of these times--from a much safer vantage.

Alexandre Dumas's classic tale of betrayal and revenge follows the life of Edmond Dantes. After young Dantes is falsely imprisoned in the Chateau d'If, he is taken under the wing of another prisoner and taught to be a gentleman. By deceiving his jailers, Dantes escapes prison and sets off to take revenge on those who had betrayed him. Follow the powerful story of friendship, betrayal, and revenge in the Calico Illustrated Classics adaptation of Dumas's *The Count of Monte Cristo*.

[El Monte](#) RUTH

Mario Vargas Llosa's *A Fish in the Water* is a twofold book: a memoir of one of Latin America's most celebrated writers, beginning with his birth in 1936 in Arequipa, Peru; and the story of his organization of the reform movement which culminated in his bid for the Peruvian presidency in 1990.

[Homeland](#) Vintage

For three extraordinary seasons at Bayern Munich, Martin Perarnau was given total access around the German super club - to its players, its backroom staff, its board members and, above all, to its manager, Pep Guardiola. In the follow-up to his critically acclaimed account of Guardiola's first full season at Bayern, Pep Confidential, Perarnau now lifts the lid on the Catalan's whole tenure in Bavaria. Pep Guardiola: The Evolution takes the reader on a journey through three action packed seasons as Bayern smashed domestic records yet struggled to emulate that dominance in Europe, analysing Guardiola's management style through key moments on and off the field. Perarnau reveals how Guardiola improved as a manager at Bayern despite failing to land the ultimate prize in European football, examines his decision to leave Germany to take up the challenge at Manchester City and how his managerial style will continue to evolve in the Premier League. This is more than the story of three seasons with one of the biggest clubs in the game. It is a portrait and analysis of a manager and the footballing philosophies that have beguiled the world.

Most startups fail. But many of those failures are preventable. The Lean Startup is a new approach being adopted across the globe, changing the way companies are built and new products are launched. Eric Ries defines a startup as an organization dedicated to creating something new under conditions of extreme uncertainty. This is just as true for one person in a garage or a group

of seasoned professionals in a Fortune 500 boardroom. What they have in common is a mission to penetrate that fog of uncertainty to discover a successful path to a sustainable business. The Lean Startup approach fosters companies that are both more capital efficient and that leverage human creativity more effectively. Inspired by lessons from lean manufacturing, it relies on “validated learning,” rapid scientific experimentation, as well as a number of counter-intuitive practices that shorten product development cycles, measure actual progress without resorting to vanity metrics, and learn what customers really want. It enables a company to shift directions with agility, altering plans inch by inch, minute by minute. Rather than wasting time creating elaborate business plans, The Lean Startup offers entrepreneurs—in companies of all sizes—a way to test their vision continuously, to adapt and adjust before it's too late. Ries provides a scientific approach to creating and managing successful startups in an age when companies need to innovate more than ever.

**Moonwalking with Einstein** Editorial Universitaria

This book is the first that describes the practices of any stock exchange; it makes evident a high development of practices, with puts, calls, pools, and manipulations; and it appeared as early as the seventeenth century. Not inappropriately the stock exchange described is that of Amsterdam, a city which at the date of the volume's publication —1688 — was still the leading financial center of the world. The book, to be sure, is hardly a systematic account of the institution; the author pursued moral, philosophical, and rhetorical objectives, and, while saying a lot that seems now to be of little value, manages somehow to leave unsaid a great deal that would be of interest for us. Nevertheless, it represents, even in its peculiar form, a really important source of information about the stock exchange, and indeed about the Dutch business world of that period.

[Amador](#) ABDO

In *Amador*, Fernando Savater writes in the form of a letter to his teenage son about ethics, morals and freedom in today's society.

**ABC, Madrid** Macmillan + ORM

A hacker breaks into the pope's computer, asking him to save from demolition a 17th century church in Seville. The Vatican dispatches handsome Father Lorenzo Quart who quickly attracts the attention of an aristocratic beauty embroiled in the affair. By the author of *The Flanders Panel*.

[The Craft of Sociology](#) Oxford University Press

The New York Times Bestseller - Revised and Expanded "[An] earth-shaking exposé of clerical corruption" - National Catholic Reporter The arrival of Frédéric Martel's *In the Closet of the Vatican*, published worldwide in eight languages, sent shockwaves through the religious and secular world. The book's revelations of clericalism, hypocrisy, cover-ups and widespread homosexuality in the highest echelons of the Vatican provoked questions that the most senior Vatican officials--and the Pope himself--were forced to act upon; it would go on to become a New York Times bestseller. Now, almost a year after the book's first publication, Frédéric Martel reflects in a new foreword on the effect the book has had and the events that have come to light since it was first released. *In the Closet of the Vatican* describes the double lives of priests--including the cardinals living with their young "assistants" in luxurious apartments whilst professing humility and chastity--the cover-up of numerous cases of sexual abuse; sinister scheming in the Vatican; political conspiracy overseas in Argentina and Chile, and the resignation of Benedict XVI. From his unique position as a respected journalist with uninhibited access to some of the Vatican's most influential people and private spaces, Martel presents a shattering account of a system rotten to its very core.

[Don Juan Tenorio](#) BoD - Books on Demand

The online economy offers challenges to traditional businesses as well as incredible opportunities. Chris Anderson makes the compelling case that in many instances businesses can succeed best by giving away more than they charge for. Known as "Freemium," this combination of free and paid is emerging as one of the most powerful digital business models. In *Free*, Chris Anderson explores this radical idea for the new global economy and demonstrates how it can be harnessed for the benefit of consumers and businesses alike. In the twenty-first century, *Free* is more than just a promotional gimmick: It's a business strategy that is essential to a company's successful future.
