The Mystery of the Three Men Who Escaped From The Rock The Boy at the Top of the Mountain

The classic account of growing up gay in America. "The best little boy in the world never had wet dreams or masturbated; he always topped his class, honored mom and dad, deferred to elders and excelled in sports The best little boy in the world was . . . the model IBM exec . . . The best little boy in the world was a closet case who 'never read anything about homosexuality.' . . . John Reid comes out slowly, hilariously, brilliantly. One reads this utterly honest account with the shock of recognition." The New York Times "The quality of this book is fantastic because it comes of equal parts honesty and logic and humor. It is far from being the story of a Gay crusader, nor is it the story of a closet queen. It is the story of a normal boy growing into maturity without managing to get raped into, or taunted because of, his homosexuality. . . . He is bright enough to be aware of his hangups and the reasons for them. And he writes well enough that he doesn't resort to sensationalism" San Francisco Bay Area Reporter

The riveting narrative of an honorable Irish priest who finds the church collapsing around him at a pivotal moment in its history Propelled into the priesthood by a family tragedy, Odran Yates is full of hope and ambition. When

he arrives at Clonliffe Seminary in the 1970s, it is a time in Ireland when priests are highly respected, and Odran believes that he is pledging his life to "the good." Forty years later, Odran's devotion is caught in revelations that shatter the Irish people's faith in the Catholic Church. He sees his friends stand trial, colleagues jailed, the lives of young parishioners destroyed, and grows nervous of venturing out in public for fear of disapproving stares and insults. At one point, he is even arrested when he takes the hand of a young boy and leads him out of a department store looking for the boy's mother. But when a family event opens wounds from his past, he is forced to confront the demons that have raged within the church, and to recognize his own complicity in their propagation, within both the institution and his own family. A novel as intimate as it is universal, *A History of Loneliness* is about the stories we tell ourselves to make peace with our lives. It confirms Boyne as one of the most searching storytellers of his generation.

'HISTORICAL FICTION AT ITS BEST' -- Bookseller & Publisher It's 1939, and for Georg, son of an English academic living in Germany, life is full of cream cakes and loving parents. It is also a time when his teacher measures the pupils' heads to see which of them have the most 'Aryan'- shaped heads. A Boy in Winter Doubleday Canada Thomas Buergenthal is unique. Liberated from the death camps of Auschwitz at the age of eleven, in adulthood he became a judge at the International Court in The Hague. In his honest and heartfelt memoirs, he tells the story of

his extraordinary journey - from the horrors of Nazism to an investigation of modern day genocide. Aged ten Thomas Buergenthal arrived at Auschwitz after surviving the Ghetto of Kielce and two labour camps, and was soon separated from his parents. Using his wits and some remarkable strokes of luck, he managed to survive until he was liberated from Sachsenhausen in 1945. After experiencing the turmoil of Europe's post-war years - from the Battle of Berlin, to a Jewish orphanage in Poland - Buergenthal went to America in the 1950s at the age of seventeen. He eventually became one of the world's leading experts on international law and human rights. His story of survival and his determination to use law and justice to prevent further genocide is an epic and inspirational journey through twentieth century history. His book is both a special historical document and a great literary achievement, comparable only to Primo Levi's masterpieces.

A Traveler at the Gates of Wisdom

Hogarth

A New York Times Notable Book of the Year | An O Magazine Best Book of the Year The New York Times bestselling author of *The Flight of Gemma Hardy* delivers another “luminous, unforgettable, and perfectly rendered” (Dennis Lehane) novel—a poignant and probing psychological drama that follows the lives of three siblings in the wake of a violent crime. One September afternoon in 1999, teenagers Matthew, Zoe, and Duncan Lang are walking home from school when they discover a boy lying in a field, bloody and unconscious. Thanks to their intervention, the boy’s life is saved. In the aftermath, all three siblings are irrevocably changed. Matthew, the oldest, becomes obsessed with tracking down the assailant, secretly searching the local town with the victim’s brother. Zoe wanders the streets of Oxford, looking at men, and one of them, a visiting American graduate student, looks back. Duncan, the youngest, who has seldom thought about being adopted, suddenly decides he wants to find his birth mother.

Overshadowing all three is the awareness that something is amiss in their parents’ marriage. Over the course of the autumn, as each of the siblings confronts the complications and contradictions of their approaching adulthood, they find themselves at once drawn together and driven apart. Written with the deceptive simplicity and power of a fable, *The Boy in the Field* showcases Margot Livesey’s unmatched ability to “tell her tale masterfully, with intelligence, tenderness, and a shrewd

understanding of all our mercurial human impulses” (Lily King, author of *Euphoria*).

And he never will be. But if he isn't a real Avery, then who is he? A Memoir of Surviving Auschwitz as a Young Boy Scholastic Fiction

They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

There was a story that Mama read to Jiro: Once, in old Japan, a young woodcutter lived alone in a little cottage. One winter day he found a crane struggling in a snare and set it free. When Jiro looks out the window into Mr. Ozu's garden, he sees a crane and remembers that story. Much like the crane, the legend comes to life—and, suddenly, Jiro finds himself in a world woven between dream and reality. Which is which?
