Paperwhite Users Manual The Ultimate Kindle Paperwhite User Guide To Getting Started And Finding Unlimited Free Books, Plus Little Known Tips And Tricks! The electronic book has risen rapidly in popularity in recent years; although it appears that there will always be a place for the physical version as well. The e-readers which enable you to read an e-book comfortably are developing at an impressive pace, each new version does something better than the versions before it. The Amazon Paperwhite is no different; it takes the technology from its predecessors and builds on it to make an even better, easier to use device. The latest version of the Paperwhite offers a 6 inch screen with side lighting to create the effect of light being shone onto the screen and not lit from behind. This reduces the annoying glare when trying to read and prevents eye strain whilst creating a natural feel and enabling you to read in a dark room without disturbing anyone else. The Paperwhite is a step forward in e-readers; this book will guide you through setting up your Paperwhite, locating books, particularly those which are cheap or free. It will also help you to understand the potential of your e-reader by divulging a variety of tips and tricks which Amazon may not want you to know but which will improve your experience with the Paperwhite.
