DIGGING FOR PEAT in the mountain with his Uncle Tally, Fergus
 finds the body of a child, and it looks like she's been murdered.
 As Fergus tries to make sense of the mad world around him—his
 brother on hunger-strike in prison, his growing feelings for Cora,
 his parents arguing over the Troubles, and him in it up to the
 neck, blackmailed into acting as courier to God knows what—a
 little voice comes to him in his dreams, and the mystery of the
 bog child unfurls. *Bog Child* is an astonishing novel exploring the
 sacrifices made in the name of peace, and the unflinching
 strength of the human spirit.
