**A Handbook of Natural  
Spells, Charms, and  
Potions** ABC-CLIO

Hoodoo, voodoo, and conjure are part of a mysterious world of African American spirituality that has long captured the popular imagination. These magical beliefs and practices have figured in

literary works by such authors as Toni Morrison, Alice Walker, and Ishmael Reed, and they have been central to numerous films, such as *The Skeleton Key*. Written for students and general readers, this book is a convenient

introduction to hoodoo, voodoo, and conjure. The volume begins by defining and classifying elements of these spiritual traditions. It then provides a wide range of examples and texts, which illustrate the richness of these beliefs and practices. It also examines the scholarly response to hoodoo, voodoo, and conjure, and it explores the presence of hoodoo, voodoo, and conjure in popular culture. The volume closes with a glossary and bibliography. Students in social studies

classes will use this book to learn more about African American magical beliefs, while literature students will enjoy its exploration of primary sources and literary works.

*A Beginner's Guide to Hoodoo--Including Candle Magic, Rituals, Crystals, Herbs, and More*  
Lexington Books  
Conjure, hoodoo, and rootwork are all terms used to describe southern American folk magic. Conjure initially appeared during the days of slavery and plantations and is

usually regarded as one of the most powerful types of magic. Its popularity is growing in the United States and across the world. Whether you are looking for a hoodoo herb and root magic book, magic practice book, or candle magic guide for beginners, this comprehensive hoodoo book is exactly what you need.

**Herbal** Simon and Schuster

Explore the ancient art of formulary with award-winning herbalist Holly

Bellebuono's comprehensive guide to creating effective herbal medicine. Organized by body systems, *An Herbalist's Guide to Formulary* shows how to design a holistic treatment for acute and chronic conditions. Packed with detailed information on more than one hundred plants, *An Herbalist's Guide to Formulary* is the go-to reference for formulary. Holly presents her 4-tier formula structure, a commonsense way to integrate a wide range of

herbal actions while keeping the formula simple. She also shares the history of healing traditions as well as personal and clinical examples that illustrate the art of combining plants for illnesses, preventative care, and overall wellness. With this book's guidance, healing-arts practitioners can turn formulary into a rewarding and practical skill. *Praise:* "Holly has blended the richness of the Western herbal tradition with the transformative insights of

modern holistic medicine. This book is a cornucopia of herbal insights."—David Hoffmann, BS, FNIMH, medical herbalist *Hoodoo, Mojo & Conjuring with Herbs* Llewellyn Worldwide Conjure, hoodoo, and rootwork are all terms used to describe southern American folk magic. Conjure initially appeared during the days of slavery and plantations and is usually regarded as one of the most powerful types of magic. Its popularity is growing in the United States and across the

world. Whether you are looking for a hoodoo herb and root magic book, magic practice book, or candle magic guide for beginners, this comprehensive hoodoo book is exactly what you need.

Demystifying Hoodoo - A Powerful Folk Magic You Can Master and Gain Positive Outcomes

Hoodoo is ancient magic developed among the African American population in the south of the United States.

However, some sources say its roots also derive from Christianity, Jewish mysticism, but also Native American tradition. It turns out, hoodoo is a lot closer to you than you might've thought...

Throughout the years, hoodoo magic has influenced the spiritualists, and manifestations. Today, hoodoo's purpose is to gain positive outcomes from everyday life by strengthening the bond with the source of one's power. Would you like to: Unlock the mystical world

of magical beliefs, practices and principles? Grant yourself a better life by using the power of the conjuror's tools employed in hoodoo? Evoke higher beings? Know how to form a pact between higher beings in the spirit worlds and yourself? Say no more! This book will give you all the knowledge you need regardless of your experience in the hoodoo field. Whether you're just getting started or have been practicing hoodoo for a while but you reached a dead end, this book will give you the

answers you're looking for. In its pages, these are but a few of the things that you'll learn: Hoodoo History: How it began, its purpose, the difference and similarities between voodoo and hoodoo, etc; The Hoodoo Spiritual World: Spiritual practices, LOA and LOA Manifestations, Danbhallah family, hot to evoke and get in touch with spirits, etc; The Conjuror's Tools in Hoodoo: Incense rituals, hoodoo dolls and how to use them, spirit houses, building a vase of

ancestors and using it to your advantage, etc; Hoodoo Spells: White spells (to attract money, serenity, happiness, power, etc.), Red Magic (to attract love, friendship, luck, etc.)Black Magic (subduing a man, macumbero, etc.), etc; Most Powerful Spells: The Negra Cinta, home protection spell, banishment spell, the mirror box, rituals, etc; Bone Reading, Prayers, Psalms, Novenas, Power of Candles, and much more! Hoodoo should not be considered a taboo.

Hoodoo should be accepted as a means of improving one's life. The practices in this book will help you to achieve your dreams.

### **Hoodoo, Rootwork, & Folk Magic Red**

Wheel/Weiser  
 Conjuring money and attracting love, reversing hexes and stopping slander-it's all in a day's work for the Hoodoo practitioner. This is true American folk magic, colorful and powerful, yet little-known outside of the bayous and backwoods of Louisiana. Let Ray

Malbrough take you deep inside the Hoodoo mysteries. You'll learn the secrets of root working and magical baths, the Head Pot and the Medium's necklace. You'll discover how to divine the future with playing cards and cowrie shells, and how to work with the spirits of the dead. Step inside a world of magic and intrigue you never knew existed-enter the hidden world of the Hoodoo.

Hoodoo For Beginners

City Lights Books

Explore the world of

hoodoo with an experienced rootworker in this friendly, accessible guide to rituals, spells, and other traditional folk magic. Rootwork, also known as hoodoo or conjure, is an African American folk magic influenced by a blend of African beliefs, traditions, and cultures. This book includes step-by-step guidance for over 80 rituals, spells, and techniques that can help manifest your goals and transform your life.

Written by a descendant of African American and

Filipino rootworkers, Paris Ajana (also known as the Hoodoo Goddess) guides you on a spiritual journey, teaching skills such as: Preparing altars and sacred spaces Crystal spells, herb magic, and candle creation Constructing mojo bags, doll babies, and honey jars And much more! Learn to connect with the spirits of your ancestors to invigorate your mind, body, and soul as you delve into the mystical world of rootwork.

 The Little Book of Rootwork  
 A Beginner's Guide to Hoodoo-- Including Candle Magic, Rituals, Crystals, Herbs, and More  
 Have you begun to realize that there is more to the world than what you can see? Can you feel your ancestors calling out to you? Are you ready to begin walking the path of

spirituality and magic? Then Hoodoo for Beginners is the perfect first step. Hoodoo is old North American folk magic, born from African spiritual traditions brought over by slaves. Over the centuries it incorporated Native American and European influences, using what worked and discarding what did not. This process has made Hoodoo into an adaptable, powerful magical system that works. Angelie Belard has helped hundreds of people with their

problems using the potent and practical magic of Hoodoo. From customers who needed help with financial or romantic problems, to friends and loved ones who wanted a way to connect to their ancestral roots, she has used Hoodoo to improve and enrich their lives. Now she's ready to share her lifetime of learning with you. In this book you'll learn: ♦ What Hoodoo is and how it began ♦ The difference between Hoodoo and Voodoo ♦ How to begin working with your

ancestors ♦ The importance of crossroads and graveyards ♦ What Rootwork is and how to use herbs and roots in your magic ♦ The importance of spiritual cleansing ♦ How to work with candle magic and conjure oils ♦ How to make your own mojo bags to carry magic with you This book covers everything you need to know to get started with Hoodoo, and includes over twenty five simple spells to draw money to you, bring luck and love into your life, and protect

yourself from evil. Hoodoo was hidden by its practitioners for hundreds of years, but now you can safely get started with information you won't find anywhere else.

**Rootwork** Wellfleet  
“I loved this book. Told by a narrator you won't soon forget, it is filled with myth and legend, danger and bravery. Hoodoo is pure folk magic.”—Keith Donohue, New York Times bestselling author Twelve-year-old Hoodoo Hatcher was born into a family with a rich tradition of practicing folk magic:

hoodoo, as most people call it. But even though his name is Hoodoo, he can't seem to cast a simple spell. Then a mysterious man called the Stranger comes to town, and Hoodoo starts dreaming of the dead rising from their graves. Even worse, he soon learns the Stranger is looking for a boy. Not just any boy. A boy named Hoodoo. The entire town is at risk from the Stranger's black magic, and only Hoodoo can defeat him. He'll just need to learn how to conjure

first. Set amid the swamps, red soil, and sweltering heat of small-town Alabama in the 1930s, Hoodoo is infused with a big dose of creepiness leavened with gentle humor. “What a splendid novel. Reader, be prepared to have your foundations shaken: this is a world that is deeper, more wondrous, more spiritually charged than you may have ever imagined.”—Gary D. Schmidt, two-time Newbery Honor medalist and author of The Wednesday Wars “The

authenticity of Hoodoo's voice and this distinctive mashup of genres make Smith one to watch. Seekers of the scary and 'something different' need look no further."—Kirkus Reviews "The chilling supernatural Southern Gothic plot action is enhanced by atmospheric description of rural life in Depression-era Alabama . . . Readers will particularly enjoy Hoodoo's authentic and engaging narrative voice."—School Library Journal  
[Private Lessons on the Practice of Hoodoo](#) St.

Martin's Press  
 "Chireau has written a marvelous text on an important dimension of African American religious culture. Expanding beyond the usual focus of scholarship on Christianity, she describes and analyzes the world of magical-medical-religious practice, challenging hallowed distinctions among "religion" and "magic." Anyone interested in African American religion will need to reckon seriously with Chireau's text on conjure."—Albert J.

Raboteau, Princeton University "Deprived of their own traditions and defined as chattel, enslaved Africans formed a new orientation in America. Conjuring—operating alongside of and within both the remnants of African culture and the acquired traditions of North America—served as a theoretical and practical mode of deciphering and divining within this, enabling them to create an alternate meaning of life in the New World. Chireau's is the first full-

scale treatment of this important dimension of African American culture and religion. A wonderful book!"—Charles H. Long, Professor of History of Religions University of California, Santa Barbara and author of *Significations: Signs, Symbols and Images in the Interpretation of Religion* and *Religion and the African American Conjuring Tradition* Scarborough House Publishers

Are you confident that the world as you know it cannot be influenced?

Prepare to be enraptured, informed, and aroused... You can't deny it. As we know, the world has certain oddities, coincidences, and fortunes attributed to the spiritual sphere since ancient times. ### **A Deck of Spells**

Independently Published  
In this book, Katrina Hazzard-Donald explores African Americans' experience and practice of the herbal, healing folk belief tradition known as Hoodoo. Working against conventional scholarship, Hazzard-Donald argues that Hoodoo emerged first in three distinct regions she calls "regional Hoodoo clusters" and that after the turn of the nineteenth century, Hoodoo took on a national rather than regional profile. The first

interdisciplinary examination to incorporate a full glossary of Hoodoo culture, *Mojo Workin': The Old African American Hoodoo System* lays out the movement of Hoodoo against a series of watershed changes in the American cultural landscape. Throughout, Hazzard-Donald distinguishes between "Old tradition Black Belt Hoodoo" and commercially marketed forms that have been controlled, modified, and often fabricated by outsiders; this study

focuses on the hidden system operating almost exclusively among African Americans in the Black spiritual underground. *A Materia Magica of African-American Conjure* University of Illinois Press This is the first book of its kind, presenting accurate botanical information about roots and herbs employed in conjure, with sample spells that will show you how to make and use your own mojo bags, spiritual baths, and incenses. 500 herbs, roots, minerals, and rare zoological curios, 750

traditional spells, tricks, and magical recipes, 50 black and white illustrations

### **Voodoo & Hoodoo**

Weiser Books

Harold Roth is a leading authority on plant/herbal magic. His new book, *The Witching Herbs*, is an in-depth exploration of 13 essential plants and herbs most closely associated with witchcraft—13 because it's the witching number and reflects the 13 months of the lunar calendar. The plants are poppy, clary sage, yarrow, rue, hyssop, vervain,

mugwort, wormwood, datura, wild tobacco, henbane, belladonna, and mandrake. Roth writes simply and clearly on a vast amount of esoteric information that is not easily found elsewhere and will be greeted enthusiastically by those who already have extensive experience and libraries. It is unique in that it combines mysticism with practical instructions for growing each plant, based on Roth's 30 years of gardening expertise. Each chapter focuses on one

plant and includes information on its unique plant spirit familiar, clear how-to instructions for magical projects, and pragmatic information on growing and cultivating. Roth writes, "This book is a great choice for intermediate-to-advanced witches who would like to work more closely with the traditional witching herbs, especially the baneful plants with their rather difficult spirits. Working directly with spirits is one of the fundamentals of the Craft." *The Witching*

Herbs is the essential plant-worker's guide. Roth is not only a successful gardener, but also a magician and scholar of the occult. No other book blends clear, practical gardening techniques with equally lucid and sophisticated plant magic so successfully.

*Learn the Most Effective Hoodoo Magic Spells, Hoodoo Herbs, and Root Magic to Attract Money, Luck, Success and Love*  
Missionary Independent Spiritual Church  
A renowned neurologist shares the true stories of

people unable to get a good night's rest in *The Nocturnal Brain: Nightmares, Neuroscience, and the Secret World of Sleep*, a fascinating exploration of the symptoms and syndromes behind sleep disorders. For Dr. Guy Leschziner's patients, there is no rest for the weary in mind and body. Insomnia, narcolepsy, night terrors, apnea, and sleepwalking are just a sampling of conditions afflicting sufferers who cannot sleep—and their experiences in trying are

the stuff of nightmares. Demonic hallucinations frighten people into paralysis. Restless legs rock both the sleepless and their sleeping partners with unpredictable and uncontrollable kicking. Out-of-sync circadian rhythms confuse the natural body clock's days and nights. Then there are the extreme cases. A woman in a state of deep sleep who gets dressed, unlocks her car, and drives for several miles before returning to bed. The man who has spent

decades cleaning out kitchens while “sleep-eating.” The teenager prone to the serious, yet unfortunately nicknamed Sleeping Beauty Syndrome stuck in a cycle of excessive unconsciousness, binge eating, and uncharacteristic displays of aggression and hypersexuality while awake. With compassionate stories of his patients and their conditions, Dr. Leschziner illustrates the neuroscience behind our sleeping minds, revealing

the many biological and psychological factors necessary in getting the rest that will not only maintain our physical and mental health, but improve our cognitive abilities and overall happiness. *Nightmares, Neuroscience, and the Secret World of Sleep* Llewellyn Worldwide African-American Slave Medicine offers a critical examination of how African-American slaves medical needs were addressed during the years before and

surrounding the Civil War. Drawing upon ex-slave interviews conducted during the 1930s and 1940s by the Works Project Administration (WPA), Dr. Herbert C. Covey inventories many of the herbal, plant, and non-plant remedies used by African-American folk practitioners during slavery. He demonstrates how active the slaves were in their own medical care and the important role faith played in the healing process. This book links each referenced plant or herb to modern

scientific evidence to determine its actual worth and effects on the patients. Through his study, Dr. Covey unravels many of the complex social relationships found between the African-American slaves, Whites, folk practitioners, and patients. African-American Slave Medicine is a compelling and captivating read that will appeal to scholars of African-American history and those interested in folk medicine.

### **Working Magic Spells in Rootwork and**

### **Conjure with Roots, Herbs, Candles, and Oils** Houghton Mifflin Harcourt

In 1947, when it was first offered for sale, This Amazing Book was a rural herbalist's delight. Published by the strangely obscure Sunrae Products Company in the tiny town of Ogema, Wisconsin, it was marketed via a series of small classified ads in popular do-it-yourself magazines, and gave traditional rootworkers an introduction to the convenience of mail-order supplies. The

anonymous author took the secret of his or her identity to the grave, but the data supplied here about down-home treatments with herbs, roots, seeds, and flowers forms the foundation of modern herbal medicine. Now, on the 70th anniversary of its original publication, the Lucky Mojo Curio Company is proud to present a restored and revised edition of this essential text, newly edited by Catherine Yronwode and illustrated with the classic botanical

art of F. Schuyler Mathews. Filled with historically valuable medical lore, this beautiful book belongs in every conjure worker's library.

*The Witching Herbs*

Independently Published  
Conjure, hoodoo, rootwork - these are all names for southern American folk magic. Conjure first emerged in the days of slavery and plantations and is widely considered among the most potent forms of magic. Its popularity continues to increase, both in the

United States and worldwide. This book is a guide to using conjure to achieve love, success, safety, prosperity, and spiritual fulfillment. Author Starr Casas, a hereditary master of the art, introduces readers to the history and philosophy of conjure and provides practical information for using it. Featuring Casas's own rituals, spells, and home recipes, the book provides useful information suitable for novices and seasoned practitioners alike. In its pages, you'll learn about:

Bone reading  
Candle burning  
Conjure bags  
Building your own conjure altar  
At last, a book that answers every questions you had about Conjure but were afraid to ask!  
Old Style Conjure is an absolute treasure. It's a must-read for every practitioner of the ancient arts and a must-have for every magical library! - Dorothy Morrison, author of *Everyday Magic*, *The Craft* and *Utterly Wicked*.  
**In Rootwork, Conjure, and Spiritual Church Services** Llewellyn Worldwide

Within these pages you will find a treasure-trove of accurate, traditional, and easy-to-follow instructions that teach you how to work with candles and lamps in hoodoo folk magic and Spiritual Church services Down-home Candle Magic for the Private Practitioner; How to Select and Prepare Candles for Personal Use; Auspicious Timing for Effective Spell-Casting; Candle Conjure for Love, Money, and Protection; How to Create, Craft, and Cast Your Own Candle Spells; How to

**Working Conjure** Univ of California Press  
Are you looking for powerful magic rituals that work? In this book, Mirella Williamson, a magickal practitioner born and raised in South Carolina, reveals everything you wanted to know but didn't have the courage to ask about

hoodoo. Probably when you think about hoodoo, you often assume that it's all about burning candles before strange altars, sticking pins in dolls, or chanting rhymes to bring about your wishes instantaneously. You are light years away from reality. This art uses compelling and effective rituals but, at the same time, dangerous if not used correctly and without a guide. But how exactly can you learn it? Well, you've come to the right place, but first, a warning: the rituals

exposed inside are effective when the practitioner does not want to hurt someone merely but only tries to claim himself from something that was previously his own. If your goal is to hurt someone, please don't go further. This book is not for you. However, if you really want to find out what this is all about with all due respect, then here is what you will discover: The deepest realities about hoodoo rites and

folk magic All the hidden tools of the Conjuror: incense, dolls, spirit houses, oils, candles, and mojo Bag. What is behind a ritual to communicate and evoke spirits Powerful Hoodoo spells that work to attract luck regain lost love, and sow disunity The cult of Santa Marta la Dominadora, one of the most famous spirits of the Dominican hoodoo tradition And much, much more... Like any other

magic practice, hoodoo rituals must be performed with the utmost precision, allowing you not to run into any backlash. Do not hesitate to indulge your curiosity. Whatever the problems that afflict your spirit and believe that magic can be a valid help, take this guide without hesitation. Often even a simple sentence can help you clear your mind... Are you ready? Press on the buy now button to start your journey today.
