*A History of Western Society, Volume 2*  
Macmillan Higher Education  
The first Western civilization text to make social history its focus, *A History of Western Society, Ninth Edition*, remains unsurpassed in its integration of everyday

life in the broad sweep of Western history. The enduring appeal of social history is strengthened in the new edition with fresh scholarship on gender and cultural history contributed by new authors Merry E. Wiesner-Hanks and Clare Haru Crowston. Compelling writing, fascinating details about daily life, and engaging special features help students identify with peoples of the past, while the authors' sustained attention to cultural, economic,

political, and diplomatic history ensures a balanced, integrated narrative. *A History of Western Society, Tenth Edition, Volume 2 / A Pocket Guide to Writing in History, Sixth Edition* Bedford/St. Martin's  
Praised by instructors and students alike for its readability and attention to everyday life, the thirteenth edition of *A History of Western Society* includes a greater variety of tools to engage today's

students and save instructors time. This edition features an enhanced primary source program, a question-driven narrative, five chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Available for free when packaged with the print book, the popular digital assignment options for this text bring skill building and assessment to a highly effective level. The active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that—when assigned—helps ensure students read the book; the complete companion reader with quizzes on each source; and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

**Strive for a 5 for a History of Western Society Since 1300 for Ap(r)** Bedford/st Martins  
Examines the development of religious

and social attitudes towards divorce, discusses previous alternatives to divorce, and argues that the family has become less stable

*Mckay History of Western Society Complete Seventh Edition Plus Western Civ Atlas Second Edition* Houghton Mifflin College Division

Long praised by instructors and students alike for its readability and attention to everyday life, the eleventh edition of A History of Western Society includes even more built-in tools to engage today's students and save instructors time. This edition features a brand-new, comprehensive primary source program in-text and online, expanded chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Enhanced with a wealth of digital content—including carefully developed online document assignments for each chapter with auto-graded exercises—the eleventh edition provides easily assignable options for instructors and novel ways for students to master the content. Now integrated with LearningCurve, an adaptive online

resource that helps students retain the material and come to class prepared.

**A History of Western Society** Macmillan Higher Education

Sources for Western Society provides a variety of primary sources to accompany A History of Western Society, Eleventh Edition and the new Value edition of A History of Western Society. With over fifty new selections—including a dozen new visual sources—and enhanced pedagogy throughout, students are given the tools to engage critically with canonical and lesser known sources, and prominent and ordinary voices. Each chapter includes a "Sources in Conversation" feature that presents differing views on key topics. This companion reader is an exceptional value for students and offers plenty of assignment options for instructors. Sources for Western Society is free when packaged with A History of Western Society and is heavily discounted when packaged with A History of Western Society, Value Edition.

[A History of Western Society + Atlas of Western Civilization](#) Bedford/St. Martin's Social welfare has a three-thousand-year history in Western society. This book offers

a sociological framework that provides conceptual order to the countless details of that history, while highlighting its essentials. Social welfare in all its forms is based on one central concept--help. But there are many versions of help and multiple debates about those versions. The outcomes of some debates have led to withholding help, and these outcomes are an inescapable part of this domain, in the past and in the present. The major versions, their development, and the debates are carefully examined in this volume. Social Welfare in Western Society argues that in history five basic concepts of help have emerged. These five, explored and developed are: charity, based on a relationship between private donors and recipients; public welfare, based on a relationship between the state and its recipients; social insurance, based on a relationship between the state and beneficiaries of its programs; social service, based on people skilled in interaction providing skill-based time to their clients; mutual aid groups (sometimes misleadingly called self-help groups), whose members are simultaneously helpers and those helped.

There are multiple versions of each of these five concepts now usually referred to as social policy issues. There are fierce disagreements about what is helpful and which supposed forms of help are harmful to the wider society. The book concludes that major debates have centered and continue to center around these major issues: Should the poor be helped or punished? Who is to blame? Do the poor have the same rights as other people? Who should pay? Who should decide? What is the effect of receiving welfare on incentive to work? Who should be helped? This is a masterful text designed for professional and public reading. Gerald Handel is professor emeritus of sociology at The City College and The Graduate Center, City University of New York. He is the author of *Making a Life in Yorkville: Experience and Meaning in the Life Course Narrative of an Urban Working-Class Man*, editor of *Childhood Socialization*, and co-editor of *The Psychosocial Interior of the Family*, all published by Transaction Publishers.

*Volume 1* Bedford

edition provides easily assignable options for instructors and novel ways for students to master the content. Integrated with LearningCurve, an adaptive online resource that helps students retain the material and come to class prepared.

*A History of Western Society, Value Edition, Volume 2* Macmillan Higher Education

This book investigates the relationship between ideas about childhood and the actual experience of being a child, and assesses how it has changed over the span of five hundred years. Hugh Cunningham tells an engaging story of the development of ideas about childhood from the Renaissance to the present, taking in Locke, Rousseau, Wordsworth and Freud, revealing considerable differences in the way western societies have understood and valued childhood over time. His survey of parent/child relationships uncovers evidence of parental love, care and, in the frequent cases of child death, grief throughout the period, concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries. For undergraduate

courses in History of the Family, European Social History, History of Children and Gender History.

*A History of Western Society, Complete Edition (Volume I & II)* Psychology Press

The lively and accessible narrative and the hallmark focus on social and cultural history that has made *A History of Western Society* one of the most successful textbooks for the Western civilization course is now available at a greatly reduced cost. *A History of Western Society, Volume 1* A History of Western Society Since 1300 for AP®

The first book of its kind, *Forensic Medicine in Western Society: A History* draws on the most recent developments in the historiography, to provide an overview of the history of forensic medicine in the West from the medieval period to the present day. Taking an international, comparative perspective on the changing nature of the relationship between medicine, law and society, it examines the growth of medico-legal ideas, institutions and practices in Britain, Europe (principally France, Italy and Germany) and the United States. Following a thematic structure within a broad chronological framework, the book focuses on practitioners, the development of notions of 'expertise' and the rise of the expert, the main areas of the criminal law to which forensic medicine contributed, medical attitudes towards the victims and perpetrators of crime, and the wider influences such attitudes had. It thus develops an understanding of how medicine has played an active part in shaping legal, political and social change. Including case studies

which provide a narrative context to tie forensic medicine to the societies in which it was practiced, and a further reading section at the end of each chapter, Katherine D. Watson creates a vivid portrait of a topic of relevance to social historians and students of the history of medicine, law and crime.

**A History of Western Society, Concise Edition, Combined Volume** Routledge

This brief edition offers the unsurpassed social history of *A History of Western Society* in an accessible, lively format. Short enough to use with supplements and more affordable than its parent text, *A Brief History* retains the sustained attention to daily life, the rich art and map program, and all of the special features of the full-length edition. Extensive study aids help students comprehend the material and prepare for exams. Now you can have it all in a briefer book.

*A History of Western Society* Houghton Mifflin College Division

Praised by instructors and students alike for its readability and attention to everyday life, the thirteenth edition of *A History of Western Society* includes a greater variety of tools to engage today's

students and save instructors time. This edition features an enhanced primary source program, a question-driven narrative, five chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. **A History of Western Society** Houghton Mifflin College Division

*A History of Western Society* continues to capture the attention of AP European

history students because it recreates the lives of ordinary people and makes history memorable. The eleventh edition continues to tie social history to the broad sweep of politics and culture, heightening its attention to daily life, and aligning perfectly to the AP European course. With its unique AP-specific features and

resources, and a variety of new digital tools, A History of Western Society helps AP students master the concepts and content of European history, whether in print or online.
