The Highlander Haus Publishing

The New York Times bestselling author of *Lessons from Madame Chic* and *At Home with Madame Chic* revives the timeless quality of poise and shows how to cultivate it as a daily practice and a life-long endeavor. Just step out your door today and you will notice that poise is a rarity in our wired, fast-paced, and unmannerly

world. As uncivil behaviors like flip-flops at Broadway shows and digital oversharing proliferate, this timely book reminds us of the quiet power of behaving with dignity, kindness, and grace. Jennifer Scott's Parisian mentor, Madame Chic, embodied poise, and not just with the good posture, stylish attire, and natural manners that made her extraordinarily elegant. She also demonstrated steady assuredness and graceful calm in everything she did—from interacting with her family and receiving guests at home to presenting herself in public. Jennifer L. Scott passes on the

lessons she learned as well as some of her own hard-won wisdom, addressing topics such as proper attire at social events, good grooming, communication skills, hospitality and being a good guest, our interactions with neighbors and strangers, role models, self-discipline, and self-image. This charmingly illustrated, practical, and inspiring book, full of tips, lists, and ideas, is certain to start a new conversation about the timeless art of poise.

*A Non-Austronesian Language of Alor, Indonesia* Sourcebooks, Inc.

This book examines how style and intersubjective meanings emerge through language use. It is innovative in theoretical scope and empirical focus. It brings together insights from discourse-functional linguistics, stylistics, and conversation analysis to understand how language resources are used to enact stances in intersubjective space. While there are numerous studies devoted to youth language, the focus has been mainly on face-to-face interaction. Other types of youth interaction, particularly in mediated forms, have received little attention. This book draws on data from four different text types - conversation, e-forums, comics, and teen fiction - to highlight the multidirectional nature of style construction. Indonesia provides a rich context for the study of style and intersubjectivity among youth. In constructing style, Indonesian urban youth have been moving away from conventions which emphasized hierarchy and uniformity toward new ways of connecting in intersubjective space. This book analyzes how these new ways are realized in different text types. This book makes a valuable addition to sociolinguistic

literature on youth and language and an essential reading for those interested in Austronesian sociolinguistics.

*19th China National Conference, CCL 2020, Hainan, China, October 30 - November 1, 2020, Proceedings* Walter de Gruyter GmbH & Co KG

What can Jane Austen teach us about health? Prepare to have your bonnet blown... From the food secrets of *Pride and Prejudice* to the fitness strategies of *Sense and Sensibility*, there's a modern health code hidden in the world's most popular romances. Join Bryan Kozlowski as he unlocks this "health and happiness" manifesto straight from Jane Austen's pen, revealing why her prescriptions for achieving total body "bloom" still matter in the 21st century. Whether that's learning how to eat like Lizzie Bennet, exercise like Emma Woodhouse, or think like Elinor Dashwood, explore how Austen's timeless body beliefs are more relevant, refreshing, and scientifically sensible now than ever before. After all, it's still a truth universally acknowledged - Jane Austen's heroines don't get fat.

**A Grammar of Abui** Library of Alexandria  
What's an honorable Scot to do when a

beautiful woman washes ashore beneath the family castle? Give her to his brother? When Tavish Graham stumbles upon the naked body of Sophie d'Alembert, he thinks she is dead. But it doesn't take him long to discover that Sophie is very much alive and more woman than he can handle, so he leaves her with his brother, James, the Earl of Monleigh. Beautiful, young and French, Sophie finds herself in the wild, strange land of the Scots. Terrified and not willing to trust James, she fails to tell him that she is the granddaughter of Louis XIV-and that she is fleeing a forced marriage to the hated English Duke of Rockingham. Reluctantly, Sophie begins to fall in love with the rugged Highlander. And before she can reveal the truth of her past, James discovers her royal connection, and wonders what else she is keeping from him. Can James resist her, or will he defy the might of England and France for a lover as wild and passionate as himself?

### **Overcoming School Refusal**

Genealogical Publishing Com

The riveting front-page news story of an FBI agent falsely accused of ordering four mob hits. FBI agent Lin DeVecchio was a

key player in the New York Mafia wars from the late seventies through the early nineties. Yet despite his stunning success fighting organized crime, DeVecchio was accused of taking bribes, selling information to the man who was his informant, and even personally ordering four mob hits. Who went after Lin DeVecchio and why? How did a highly respected FBI agent become suspected of corruption and charged with four counts of murder? DeVecchio and bestselling author Charles Brandt go behind the front-page headlines and tell the fascinating story of a law enforcement officer who beat the mob bosses, only to end up fighting for his own freedom.

*American Nudes* Grand Central Publishing  
This work contains the first comprehensive description of Abui, a language of the Trans New Guinea family spoken approximately by 16,000 speakers in the central part of the Alor Island in Eastern Indonesia. The description focuses on the northern dialect of Abui as spoken in the village Takalelang. This study is based on primary data collected by the author on Alor. With Pantar island, Alor Island is the western-most area where Papuan

languages are spoken. Abui syntax is characterized by rigid head-final word order. The language presents a number of typologically interesting features such as semantic alignment. Characteristic for Abui is the extensive use of generic verbs. Generic verbs appear as parts of complex verbs or in serial verb constructions. This grammar covers the phonology, morphology and basic syntax of Abui. The appendix contains several Abui texts and word lists. Not being written against any particular theoretical background, this book is of interest to scholars of both Papuan and Austronesian languages, as well as linguistic typology.

*Pantun mélayu* Turner

Mary was an ordinary schoolgirl who never thought about having crazy adventures. One day, she was captured by an alien and sent to another planet for an experiment, but it was a failure. When the experiment failed, she was sent back to Earth by a UFO. Then she experienced another adventure, going back to her past life as a queen who was a fish. Will she be able to return to her present life? Age Range: 8-10 (Third/Fourth/Fifth grade)  
*Lessons in Everyday Elegance* Simon and

Schuster

It all starts with a forbidden one-night stand. It should end there, but it doesn't. Cole Miller could have any woman on the planet--except her. Harlow Collins is off limits for a million reasons. But, there's something about her black hair and icy blue eyes that sear a hole in his chest every time he catches a glimpse of her. It's more than looks, though. There's something real--a connection between them. Both of them feel it. She's reluctant. He's insistent. When all hell breaks loose, only one question remains... Will their relationship survive?

**The Shocking Frame-up of a Mafia Crime Buster** Booksurge Llc

Even as a young man, Hamid Farsi is acclaimed as a master of the art of calligraphy. But as time goes by, he sees that weaknesses in the Arabic language and its script limit its uses in the modern world. In a secret society, he works out schemes for radical reform, never guessing what risks he is running. His beautiful wife, Noura, is ignorant of the great plans on her husband's mind. She knows only his cold, avaricious side and so it is no wonder she feels flattered by the

attentions of his amusing, lively young apprentice. And so begins a passionate love story of a Muslim woman and a Christian man.

### **Becoming a Connoisseur of Daily Life**

Riverhead Trade (Paperbacks)

**The Lives and Loves of Dickie and Edwina Mountbatten** American NudesArtistic nudes, shot as a part of a two year journey through the US by an Israeli photographerSuper Jumbo A heart-thumping whirlwind of action, suspense & murder that reaches deep into the highest levels of Vatican power & uncovers a demonic scheme to massacre hundreds of thousands of Chinese in an attempt to establish a new Holy Roman Empire on the Chinese mainland in the twenty-first century.

**Austen's Secrets to Food, Fitness, and Incandescent Happiness** Vision School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with

anxious high achievers • how to help children on the autism spectrum with school refusal

### **100 Most Infamous Criminals**

Australian Academic Press

The Nightmare Affair is the first in a gripping new urban fantasy trilogy by Mindee Arnett. Sixteen-year-old Dusty Everhart breaks into houses late at night, but not because she's a criminal. No, she's a Nightmare. Literally. Being the only Nightmare at Arkwell Academy, a boarding school for magickind, and living in the shadow of her mother's infamy, is hard enough. But when Dusty sneaks into Eli Booker's house, things get a whole lot more complicated. He's hot, which means sitting on his chest and invading his dreams couldn't get much more embarrassing. But it does. Eli is dreaming of a murder. Then Eli's dream comes true. Now Dusty has to follow the clues—both within Eli's dreams and out of them—to stop the killer before more people turn up dead. And before the killer learns what she's up to and marks her as the next target. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Reunion Planner Springer Science & Business Media

You don't have to say yes to prove that you love them. "Describes helpful, pertinent, and loving ways to correct spoiled behavior before it becomes a serious problem." -ParentWorld Nearly 95% of parents feel like they are overindulging their children, but feel powerless to stopping themselves. How to Unspoil Your Child Fast offers a straightforward and practical solution to fixing and preventing the problems of spoiling your children and offers concrete tips, simple strategies, and easy action steps for reversing the effects almost immediately. Feel more confident, competent, and parent more consistently while instilling character and self-reliance in your children today. What parents are saying: "Wonderful, trenchant, and desperately needed." "Short, sweet and to the point for those of us who don't have time to waste." "Truly sensible and useful." "Although my daughters like being doted on, they think I parent better...when I utilize many of Dr. Bromfield's suggestions. I highly recommend this book." "A snappy read, so you can't claim

you don't have time. And the method's simple, so you can't pretend you aren't qualified to use it." -Newsday

*How to Unspoil Your Child Fast* DC Kids

This third edition of *Exploring Internal Communication* includes new chapters on the history of internal communication, the evolution of employee engagement, the current state of practice, change communication, storytelling, research and measurement, an internal communication measurement dashboard, intranet management and internal social media. It argues that internal communication practice is about keeping employees informed and at the same time giving them a voice that is treated seriously. The book is both a companion for internal communication courses and an exploration of key concepts for a strategic approach to practice that underpins employee engagement.

*Pachinko* (National Book Award Finalist) Simon and Schuster

Language endangerment has been the focus of much attention and as a result, a wide range of people are working to revitalize and maintain local languages. This book serves as a general reference

guide to language revitalization, written not only for linguists and anthropologists, but also for language activists and community members who believe they should ensure the future use of their languages, despite their predicted loss. Drawing extensively on case studies, it sets out the necessary background and highlights central issues such as literacy, policy decisions, and allocation of resources. Its primary goal is to provide the essential tools for a successful language revitalization program, such as setting and achieving realistic goals, and anticipating and resolving common obstacles. Clearly written and informative, *Saving Languages* will be an invaluable resource for all those interested in the fate of small language communities around the globe.

An Introduction to Language Revitalization Penguin UK

The charmingly oblivious elephant Little Jumbo "saves the day" in a superhero story that's perfect for fans of Ian Falconer's Olivia. Being a superhero isn't easy. All Little Jumbo wants to do is fight crime and defend the weak, by doing things like halting traffic for snails to cross

the street and stopping Dad from sneaking cookies. It's not his fault grown-ups don't appreciate his heroic deeds! Luckily, Little

Jumbo doesn't give up easily. He even powerfully resists cake (his greatest weakness!) to help a new friend in need! Super Jumbo is the hilariously sweet

companion to Fred Koehler's standout debut, *How to Cheer Up Dad*, which received three starred reviews.
