Discover the Purpose and Power of Fasting Do you desire to feel His presence, hear His voice, sense His pleasure?
Since ancient times, fasting has been considered an essential means of

drawing near to God. But this spiritual discipline involves much more than abstaining from food; it goes right to the heart of genuine faith. Through this invigorating study, you'll gain a clear understanding of the principles behind this practice and be equipped to make fasting a key part of your relationship with God.

Week-by-Week Homework for Building Grammar, Usage, and

Mechanics Skills Crown
In this updated edition, Cathy Vatterott examines the role homework has played in the culture of schooling over the years; how such factors as family life, the media, and "homework gap" issues based on shifting demographics have affected the homework controversy; and what recent research as well as common sense tell us about the

effects of homework on student learning. She also explores how the current homework debate has been reshaped by forces including the Common Core, a pervasive media and technology presence, the mass hysteria of "achievement culture," and the increasing shift to standards-based and formative assessment. The best way to address the homework

controversy is not to eliminate homework. Instead, the author urges educators to replace the old paradigm (characterized by long-standing cultural beliefs, moralistic views, and behaviorist philosophy) with a new paradigm based on the following elements: Designing high-quality homework tasks; Differentiating homework tasks; Deemphasizing grading of

homework; Improving homework completion; and Implementing homework support programs. Numerous examples from teachers and schools illustrate the new paradigm in action, and readers will find useful new tools to start them on their own journey. The end product is homework that works—for all students, at all levels.

Best Practices That Support Diverse

Needs

Penguin
A nostalgic compendium of essential knowledge that can help you show the world that you're smarter than a ten-year-old after all! Have you ever stared blankly at your kids when they've asked why the sky is blue? Or clumsily changed the subject when they've wanted to know why the wind blows? If you're done with school, it's likely you're also done knowing the difference

between an isosceles and equilateral triangle, and you probably leave participles dangling all over the place. Well, not anymore! Thanks to professional know-it-alls Foley and Coates, you can now gain back your self-respect and actually show those kids a thing or two as you tell it to them straight (and not make it up from fragments of facts you kind of remember). Packed with all the basic

facts that have managed to free-fall from our heads over the years, Homework for Grown-ups is the ultimate grammar school refresher course in book form. In fact, there's even a quiz at the end of each chapter to ensure you've been paying attention! Written in the light, engaging style of a favorite teacher and featuring lessons in English, math, history, science,

geography, art, and even home economics and recess, this fun and handy guide will help you stop hemming and hawing and start speaking with a lot more authority—and a little less shame. E. FOLEY and B. COATES are editors at Vintage who both live in London. **Breaking Free from Fear** Reading Comprehension and Fluency, Grades 2-330 Reproducible High-Interest Passages for Kids to Read

What does it
take to fuel a

faith that
burns bright,
no matter
what? At
different times
in our spiritual
journey, we
may discover
that we've
somehow
developed
apathy toward
the things of
God. Instead
of being
fueled by
spiritual
passion, our
faith seems to
be running on
autopilot--or
maybe
sputtering to a
halt as we
seek excuses
to avoid
spiritual
engagement.

Through this
six-week
study, your
eyes will be

opened to the
things that
can
undermine our
interest in the
things of God,
and you'll
discover
practical steps
you can take
to ignite a fire
that will
propel you
toward a
deeper, more
meaningful
faith.

Break free from Fear Life is filled with all sorts of fears that can assault your mind, trouble your soul, and bring untold stress. But you don't have to remain captive to your fears. In this six-week study you will learn how to confront your circumstances with strength and courage as you live in the fear of the Lord—the fear that conquers every other fear and sets

you free to live in faith. 40 minutes a week could change your life! The 40-Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you. These inductive study guides, designed to be completed in just six 40-minute lessons with no homework required, help you discover for yourself what God says and how it applies to your life

today. With the leader's note and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small-group discussion.

Reproducible High-Interest Passages with Text-Dependent Questions That Help Students Meet Common Core State Standards
WaterBrook
Created by an experienced classroom teacher, this

resource features ready-to-go homework pages that target grade-level reading standards for both literary and informational text. Assignments include a reading passage and a short letter to families that gives directions and suggestions about how to help their children before, during, and after reading. Text-dependent comprehension questions for each passage also	support the specific reading standard. Perfect for effectively building the school-home connection. For use with Grade 2. Teaching Resources Do you really know God? You may know about God, but do you truly know what He says about Himself- and what He wants from you? This eye-opening study will help you gain a true understanding of God's character and His ways. As you discover	for yourself who He is, you'll be drawn into a deeper, more personal relationship with the God of the universe--a relationship that will enable you to confidently display His strength in life's most challenging circumstances . 40 minutes a week could change your life! With the leader's note and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small-group discussion.

Fatal Distractions Paw Prints "A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--
Building Reading Comprehension Turtleback Books
 Don't become a spiritual statistic. Any

type of sin can undermine a believer's effectiveness, but certain sins can become so deeply rooted in our lives—even without our realizing—that they become fatal to our spiritual growth. This study looks at six of the "deadly" sins that threaten spiritual progress: Pride, Anger, Jealousy, Gluttony, Slothfulness, and Greed. You'll learn to identify the subtle ways in which these fatal

distractions can invade your life, and you'll be equipped to conquer these destructive temptations so you can mature in your journey with Christ. <u>Fifth Grade</u> <u>Spelling</u> <u>Words Book</u> Teaching Resources Ready-to-go homework	pages target grade-level reading standards for both literary and informational text and provide scaffolding tips for families as they help their children. <i>The Heart of</i> <i>True Faith</i> Cambridge University Press	Short passages, comprehensio n activities, and parent tips--perfect reading homework! Grade 2 Anchor Andy forgot to do his homework. He only has a few minutes to find out what he needs to complete the project.
