The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it

chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, *Three Cups of Tea* combines adventure with a celebration of the humanitarian spirit.

It is the late twenty-first century, and Momo is the most celebrated dermal care technician in all of T City. Humanity has migrated to domes at the bottom of the sea to escape devastating climate change. The world is dominated by powerful media conglomerates and runs on exploited cyborg labor. Momo prefers to keep to herself, and anyway she's too busy for other relationships: her clients include some of the city's best-known media personalities. But after meeting her estranged mother, she begins to explore her true identity, a journey that leads to questioning the bounds of gender, memory, self, and reality. First

published in Taiwan in 1995, *The Membranes* is a classic of queer speculative fiction in Chinese. Chi Ta-wei weaves dystopian tropes—heirloom animals, radiation-proof combat drones, sinister surveillance technologies—into a sensitive portrait of one young woman’s quest for self-understanding. Predicting everything from fitness tracking to social media saturation, this visionary and sublime novel stands out for its queer and trans themes. *The Membranes* reveals the diversity and originality of contemporary speculative fiction in Chinese, exploring gender and sexuality, technological domination, and regimes of capital, all while applying an unflinching self-reflexivity to the reader’s own role. Ari Larissa Heinrich’s translation brings Chi’s hybrid punk sensibility to all readers interested in books that test the limits of where speculative fiction can go.

A Novel of the Dust Bowl Houghton Mifflin Harcourt

A bond of love unites a family throughout generations in this companion to the beloved and bestselling classic *The Keeping Quilt*. As a young Russian Jewish girl in the early 1900s, Anna and her family lived in fear of the Czar’s soldiers. The family lived a hard life and had few possessions—their treasure was a beautiful china tea set. A wedding gift to Anna’s parents, the tea set came with a wish that “Anyone who drinks from this will have blessings from God. They will never know a day of hunger. Their lives will always have flavor. They will know love and joy and they will never be poor.” When Anna’s family leaves Russia for America, they bring the tea set and its blessings. A source of heritage and security, the tea set helps Anna’s family make friends and find better lives in America. A cup from the tea set—*The Blessing Cup*—became an anchor of family history, and it remains a

symbol of lasting love more than a century later. This tender tribute to the importance of loving lineage is a prequel and companion to the perennial bestseller *The Keeping Quilt* and is told and illustrated with authenticity and tremendous heart.

One Of Us Is Lying Simon and Schuster

A beloved classic that captures the powerful bond between man and man’s best friend. Billy has long dreamt of owning not one, but two, dogs. So when he’s finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he’s ecstatic. It doesn’t matter that times are tough; together they’ll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan’s brawn, Little Ann’s brains, and Billy’s sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Where you come from isn’t who you are “Riveting. An achingly beautiful tale told with a singularly fresh and original voice.”

—Jocelyn Green, award-winning author of the Heroines Behind the Lines Civil War series Ten-year-old Pearl doesn’t understand a lot of things—why her sister’s brain doesn’t work right, why the preacher yells so much, why Jesus and the president seem to have forgotten all about Oklahoma. But she does know who she is: Pearl Spence, daughter of the esteemed town sheriff.

Generous and always ready to help in a crisis, the Spences bring hope to this desolate town, and Pearl is proud of her family. She knows who she is, she knows she is loved, and even in unrelenting hardship, life feels secure. Not even the dust that sweeps incessantly across Red River can quench her hopes and dreams. But someone else seems to know who she is, too, and he makes Pearl uneasy. From the moment the mysterious hobo steps off the train and stares at her with his cold blue eyes, Pearl’s secure world begins to unravel. How does Eddie know her name? Why does he seem to hover everywhere she turns? And why does he act like he knows something about her family that she doesn’t? Pearl is determined to avoid him, but Eddie is bent on forcing his way into her life and disrupting her family’s shaky tranquility. The more he badgers Pearl, the greater her confusion, until the storm within her rivals the swirling of dust and dirt without. “The author does a great job of giving the reader a feel

for those dark days in our nation’s history. Very intriguing reading!” —Virgil Dwain McNeil, a Dust Bowl survivor

Roll of Thunder, Hear My Cry Penguin UK

We think the way we do because Socrates thought the way he did. His aphorism 'The unexamined life is not worth living' may have originated twenty-five centuries ago, but it is a founding principle of modern life. For seventy years Socrates was a vigorous citizen of Golden Age Athens, philosophising in the squares and public arenas rather than in the courts of kings, before his beloved city turned on him, condemning him to death by poison. Socrates lived in and contributed to a city that nurtured key ingredients of contemporary civilisation - democracy, liberty, science, drama, rational thought - yet, as he wrote almost nothing down, he himself is an enigmatic figure. In *The Hemlock Cup*, acclaimed historian Bettany Hughes gives Socrates the biography he deserves, painstakingly piecing together Socrates' life and using fresh evidence to get closer to the man who asked 'how should we live?' - a question as relevant now as it has ever been.

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman’s struggle to go forward in the face of loss—that “enriches the reader’s life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing

the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer’s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom’s captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.

"Magnificent." —People Magazine The instant New York Times bestseller: Laugh-out-loud, deeply insightful, and emotion-filled

essays from multitalented actress, comedian, podcaster, and writer Casey Wilson. Casey Wilson has a lot on her mind and she isn't afraid to share. In this dazzling collection, each essay skillfully constructed and brimming with emotion, she shares her thoughts on the joys and vagaries of modern-day womanhood and motherhood, introduces the not-quite-typical family that made her who she is, and persuasively argues that lowbrow pop culture is the perfect lens through which to examine human nature. Whether she's extolling the virtues of eating in bed, processing the humiliation over her father's late in life perm, mourning her mother's passing, or revealing her patented method for keeping the mystery alive in a marriage, Casey is witty, candid, and full of poignant and funny surprises. Humorous dives into her obsessions and areas of personal expertise—self-help, nice guys, cool girls (not her) and how to receive visitors in the bath—are matched by touching meditations on female friendship, anger, grief, motherhood, and identity. Reading *The Wreckage of My Presence* is like spending time with a close friend—a deeply passionate, full-tilt, joyous, excessive, compulsive, shameless, hungry-for-it-all, loyal, cheerleading friend. A friend who is ready for any big feelings that come her way—and isn't afraid to embrace them.
