SLADE PAMELA

Queen - Easy Piano Collection Music
 Sales Amer
 A groundbreaking and irresistible
 biography of three of America's most
 important musical artists—Carole King,
 Joni Mitchell, and Carly Simon—charts their
 lives as women at a magical moment in
 time. Carole King, Joni Mitchell, and Carly
 Simon remain among the most enduring
 and important women in popular music.
 Each woman is distinct. Carole King is the
 product of outer-borough, middle-class
 New York City; Joni Mitchell is a
 granddaughter of Canadian farmers; and
 Carly Simon is a child of the Manhattan
 intellectual upper crust. They collectively
 represent, in their lives and their songs, a
 great swath of American girls who came of

age in the late 1960s. Their stories trace
 the arc of the now mythic sixties
 generation—female version—but in a
 bracingly specific and deeply recalled way,
 far from cliché. The history of the women
 of that generation has never been
 written—until now, through their resonant
 lives and emblematic songs. Filled with the
 voices of many dozens of these women's
 intimates, who are speaking in these
 pages for the first time, this alternating
 biography reads like a novel—except it's
 all true, and the heroines are famous and
 beloved. Sheila Weller captures the
 character of each woman and gives a
 balanced portrayal enriched by a wealth of
 new information. *Girls Like Us* is an epic
 treatment of midcentury women who
 dared to break tradition and become what
 none had been before them—confessors in
 song, rock superstars, and adventurers of
 heart and soul.

Hal Leonard
 Chronicles the life of the Canadian singer,
 delving into the art, philosophy,
 relationships, and personal triumphs and
 failures that have shaped her as a person
 and an artist.

 Carole King's *Tapestry* is both an anthemic
 embodiment of second-wave feminism and
 an apotheosis of the Laurel Canyon singer-
 songwriter sound and scene. And these
 two elements of the album's historic
 significance are closely related insofar as
 the professional autonomy of the singer-
 songwriter is an expression of the freedom
 and independence women of King's
 generation sought as the turbulent sixties
 came to a close. Aligning King's own
 development from girl to woman with the

larger shift in the music industry from teen-oriented singles by girl groups to albums by adult-oriented singer-songwriters, this volume situates Tapestry both within King's original vision as the third in a trilogy (preceded by *Now That Everything's Been Said* and *Writer*) and as a watershed in musical and cultural history, challenging the male dominance of the music and entertainment industries and laying the groundwork for female dominated genres such as women's music and Riot Grrrl punk.

Can't Help Falling in Love (Sheet Music) Hal Leonard Corporation
