language and sexual content, not intended for readers under the age of 18. Unspoken Memories Before I Fall The New York Times bestselling author of Before I Fall and the Delirium trilogy makes her brilliant adult debut with this mesmerizing story in the tradition of The Lovely Bones, Her Fearful Symmetry, and The Ocean at the End of the Lane—a tale of family,

ghosts, secrets, and mystery, in which the lives of the living and the dead intersect in shocking, surprising, and moving ways. Wealthy Richard Walker has just died, leaving behind his country house full of rooms packed with the detritus of a lifetime. His estranged family—bitter ex-wife Caroline, troubled teenage son Trenton, and unforgiving daughter Minna—have arrived for

their inheritance. But the Walkers are not alone. Prim Alice and the cynical Sandra, long dead former residents bound to the house, linger within its claustrophobic walls. Jostling for space, memory, and supremacy, they observe the family, trading barbs and reminiscences about their past lives. Though their voices cannot be heard, Alice and Sandra speak through the house

itself—in the hiss of the radiator, a creak in the stairs, the dimming of a light bulb. The living and dead are each haunted by painful truths that will soon surface with explosive force. When a new ghost appears, and Trenton begins to communicate with her, the spirit and human worlds collide—with cataclysmic results. Elegantly constructed and brilliantly paced, Rooms is an enticing and

imaginative ghost story and a searing family drama that is as haunting as it is resonant. *You and Me Against the World* Harper Collins This early work by James Oliver Curwood was originally published in 1915 and we are now republishing it with a brand new introductory biography. In Curwood's tender novel "God's Country and the Woman", the Canadian wilderness hero, Phillip

Weyman, agrees to help Josephine Adare, her family, and friends against the wiles and lechery of an outlaw gang, while the Russett and Barton Lumber Companies clash. James Oliver 'Jim' Curwood was an American action-adventure writer and conservationist. He was born on 12th June, 1878, in Owosso, Michigan, USA. In 1900, Curwood sold his first story while working

for the Detroit News-Tribune, and after this, his career in writing was made. By 1909 he had saved enough money to travel to the Canadian northwest, a trip that provided the inspiration for his wilderness adventure stories. The success of his novels afforded him the opportunity to return to the Yukon and Alaska for several months each year - allowing Curwood to write more

than thirty such books. Curwood's adventure writing followed in the tradition of Jack London. Like London, Curwood set many of his works in the wilds of the Great Northwest and often used animals as lead characters (Kazan, Baree; Son of Kazan, The Grizzly King and Nomads of the North). Many of Curwood's adventure novels also feature romance as primary or secondary plot

consideration. This approach gave his work broad commercial appeal and helped drive his appearance on several best-seller lists in the early 1920s. His most successful work was his 1920 novel, The River's End. The book sold more than 100,000 copies and was the fourth best-selling title of the year in the United States, according to Publisher's Weekly. He contributed to various

literary and popular magazines throughout his career, and his bibliography includes more than 200 such articles, short stories and serializations. In 1927, while on a fishing trip in Florida, Curwood was bitten on the thigh by what was believed to have been a spider and he had an immediate allergic reaction. Health problems related to the bite escalated over the next few months as an infection

set in. He died soon after in his nearby home on Williams Street, on 13th August 1927. He was aged just forty-nine, and was interred in Oak Hill Cemetery (Owosso), in a family plot. Curwood's legacy lives on however, and his home of Curwood Castle is now a museum.

### **The Wren Hunt**

Bloomsbury Publishing The centerpiece of this rare collection, "The Beckoning Fair

One," is widely regarded as a classic of the horror genre. At first blush, it's a conventional haunted house story involving an unsuccessful writer, who moves into an empty house in hope that isolation will help his failing creativity. His sensitivity and imagination are enhanced by his seclusion, but his art, his only friend, and his sanity are all destroyed in the process. . .

Before I Fall

Harper Collins Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a white water rafting trip goes terribly wrong! Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp will be under water in a matter of

moments. As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not. Now they're on their own, with barely any food or supplies, in the middle of the Montana wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can get rescued? Alone in the wild, they forge powerful bonds -- but develop

dangerous disagreement s. If nature doesn't break them, they might just destroy each other. This gripping survival story from the Newbery Honor author of *Wildfire* is filled with adrenaline-pumping adventure and moments of true bravery. *Widdershins* Harpercollins Childrens Books From New York Times bestselling author Lauren Oliver comes a captivating, thrilling novel of fear,

friendship, courage, and hope that will leave readers gasping for air. Now a television series on Prime Video, starring Olivia Welch, Mike Faist, Jessica Sula, Enrique Murciano, Camron Jones, and Ray Nicholson! E. Lockhart, author of *We Were Liars*, calls *Panic* "a thrill a minute." Kirkus says: "Will have readers up until the wee hours," *School Library Journal* raves: "Fast-paced and captivating."

Panic began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do. Heather never thought she would compete in panic, a legendary game played by graduating seniors. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something, and someone,

to fight for, she will discover that she is braver than she ever thought. Dodge has never been afraid of panic. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations,

and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most. Read the book that inspired the series, which the New York Times described as “Reminiscent of ‘The Hunger Games’ but grounded in the real world.”
