House Arrest Houghton Mifflin Harcourt

Cassandra Cain, teenage assassin, isn't exactly Batgirl material...not yet, at least. But with Batgirl missing from Gotham City, can Cassandra defy her destiny and take on a heroic mantle of her very own? She'll have to go through an identity crisis of epic proportions to find out. After a soul-shattering moment that sends Cass reeling, she'll attempt to answer this question the only way she knows how: learning everything she possibly can about her favorite hero-Batgirl. But Batgirl hasn't been seen in Gotham for years, and when Cass's father threatens the world she has grown to love, she'll have to step out of the shadows and overcome her greatest obstacle-that voice inside her head telling her she can never be a hero. Sarah Kuhn, author of *Heroine Complex* and *I Love You So Mochi*, takes on one of her favorite heroes for a new audience of readers. Featuring the edgy art style of Nicole Goux, *Shadow of the Batgirl* tells the harrowing story of a girl who overcomes the odds to find her unique identity.

New York Times Bestseller • Finalist for the National Book Award • Winner of the Anisfield-Wolf Book Award • A Best Book of the Year as chosen by the New York Times (Notable), Seattle Times, San Francisco Chronicle, The Atlantic, St. Louis Post Dispatch, The Oregonian, and Book Page. "Masterful...Evocative and moving." —NPR For twenty-five years, a reclusive American novelist has been writing at the desk she inherited from a young Chilean poet who disappeared at the hands of Pinochet's secret police; one day a girl claiming to be the poet's daughter arrives to take it away, sending the writer's life reeling. Across the ocean, in the leafy suburbs of London, a man caring for his dying wife discovers, among her papers, a lock of hair that unravels a terrible secret. In Jerusalem, an antiques dealer slowly reassembles his father's study, plundered by the Nazis in Budapest in 1944. Connecting these stories is a desk of many drawers that exerts a power over those who possess it or have given it away. As the narrators of *Great House* make their confessions, the desk takes on more and more meaning, and comes finally to stand for all that has been taken from them, and all that binds them to what has disappeared. *Great House* is a story haunted by questions: What do we pass on to our children and how do they absorb our dreams and losses? How do we respond to disappearance, destruction, and change? Nicole Krauss has written a soaring, powerful novel about memory struggling to create a meaningful permanence in the face of inevitable loss. "This is a novel about the long journey of a magnificent desk as it travels through the twentieth century from one owner to the next. It is also a novel about love, exile, the defilements of war, and the restorative power of language." —National Book Award citation

Tangerine Houghton Mifflin Harcourt

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a "powerful" (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an

announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?

Mauve Gloves and Madmen, Clutter and Vine W. W. Norton & Company

From the bestselling author of *Tangerine*, a "taut and mesmerizing follow up...voluptuously atmospheric and surefooted at every turn" (Paula McLain, author of *The Paris Wife* and *When the Stars Go Dark*). It's 1966 and Frankie Croy retreats to her friend's vacant palazzo in Venice. Years have passed since the initial success of Frankie's debut novel and she has spent her career trying to live up to the expectations. Now, after a particularly scathing review of her most recent work, alongside a very public breakdown, she needs to recharge and get re-inspired. Then Gilly appears. A precocious young admirer eager to make friends, Gilly seems determined to insinuate herself into Frankie's solitary life. But there's something about the young

woman that gives Frankie pause. How much of what Gilly tells her is the truth? As a series of lies and revelations emerge, the lives of these two women will be tragically altered as the catastrophic 1966 flooding of Venice ravages the city. Suspenseful and transporting, Christine Mangan's *Palace of the Drowned* brings the mystery of Venice to life while delivering a twisted tale of ambition and human nature.
