learning henna art simple and fun. In no time, you will master the basic techniques and designs, including: • Flowers • Leaves • Swirls • Vines • Paisleys • Netting • Petals • Mandalas • Lines and dots
Whether you want to sport something quick and simple or decorate a large area, you can easily choose how much of your skin to adorn with these stylish motifs. And because the tattoo is from henna, next month you get to try a new and different look!

Akame ga KILL! Courier Dover Publications

Jakarta based Andreas Harsono is one of the most knowledgeable, experienced, high-profile and courageous of reporters and commentators on contemporary Indonesian society. Race, Islam and Power: Ethnic and Religious Violence in Post-Suharto Indonesia is the result of Harsono's fifteen year project to document

how, in post-Suharto Indonesia, race and religion have come to be increasingly prevalent within the nation's politics. From its westernmost island of Sabang to its easternmost city of Merauke in West Papua, from Miangas Island in the north, near the Philippines border, to Ndana Island, close to the coast of Australia, Harsono reveals the particular cultural identities and localised political dynamics of this internally complex and riven nation. This informed personal travelogue is essential reading for Indonesia watchers and anyone seeking a better understanding of contemporary Indonesia. A passionate seeker of human rights protections, civil liberties, democracy, media freedom, multiculturalism and environmental protection, Harsono reminds us that Indonesians 'still have not found the light at the end of the tunnel'.

Billie Eilish - Don't Smile at Me Easy Piano Songbook Yen Press LLC

Developing Digital Marketing: Relationship Perspectives provides a holistic perspective about the role of digital marketing in the global economy, helping readers to understand the shift from traditional marketing to more novel and innovative forms.

Relationship Perspectives Yen Press LLC Penelope Fitzgerald's novel, *The Golden Child*, combines a deft comedy of manners with a classic mystery set in London's most refined institution—the museum. When the glittering treasure of ancient Garamantia, the golden child, is delivered to the museum, a web of intrigue tightens around its personnel, especially the hapless museum officer Waring Smith. While prowling the halls one night, Waring is nearly strangled. Two suspicious deaths ensue, and only the cryptic hieroglyphics of the Garamantes can bring an end to the mayhem. Fitzgerald has an unerring eye for human nature, and this satirical look at the art world delivers a terrifically witty read.

Akame ga KILL! Investigating Power How did cranes come to symbolize matrimonial happiness? Why were magpies the only creatures that would not go inside Noah's Ark? Birds and bird imagery are integral parts of our language and culture. With her remarkable ability to dig up curious and captivating facts, Diana Wells hatches a treat for active birders and armchair enthusiasts alike. Meet the intrepid adventurers and naturalists who risked their lives to describe and name new birds. Learn the mythical stories of the gods and goddess associated with bird names. Explore the avian emblems used by our greatest writers—from Coleridge's albatross in "The Ancient Mariner" to Poe's

raven. A sampling of the bird lore you'll find inside: Benjamin Franklin didn't want the bald eagle on our National Seal because of its "bad moral character," (it steals from other birds); he lobbied for the turkey instead. Chaffinches, whose Latin name means "unmarried," are called "bachelor birds" because they congregate in flocks of one gender. Since mockingbirds mimic speech, some Native American tribes fed mockingbird hearts to their children, believing it helped them learn language. A group of starlings is called a murmuration because they chatter so when they roost in the thousands. Organized alphabetically, each of these bird tales is accompanied by a two-color line drawing. Dip into *100 Birds* and you'll never look at a sparrow, an ostrich, or a wren in quite the same way.

The Detective Is Already Dead, Vol. 2

Springer Science & Business Media Ed Sarafino and Timothy Smith draw from the research and theory of multiple disciplines in order to effectively demonstrate how psychology and health impact each other. The newly updated 9th Edition of *Health Psychology: Biopsychosocial Interactions* includes a broader picture of health psychology by presenting cross-cultural data.

Furthermore, international examples are also included to further explore the psychologist's perspective of health issues around the world and highlight what works in the field. The psychological research cited in the text supports a variety of behavioral, physiological, cognitive, and social/personality viewpoints. An emphasis on lifespan development in health and illness is integrated throughout the text. The Courteous Power Hal Leonard Corporation

Teigu--powerful weapons imbued with great wisdom and forged under the reign of the first emperor. It's said that when two teigu-wielding opponents clash, one will die--there are no exceptions. As the assassination team Night Raid continues to rid their Capital of corruption and filth, one head at a time, they also draw the ire of the Empire's strongest teigu-wielding allies. With a bloodred target on their backs, Tatsumi, Akame, and the rest of Night Raid become embroiled in an all-out life-or-death struggle!

The Three Musketeers University of Michigan Press

My name is Raib, I'm fifteen years old, I'm in Class 10. I'm an ordinary girl, just like your younger sisters, just like your neighbours. I have two cats: Whitey and Blacky. My parents are nice. My teachers are great. My friends are kind and supportive. I'm just like most teenagers,

except for one thing. There's something that I have kept to myself since I was small. Something amazing. My name is Raib, and I can disappear. The first book of EARTH SERIES.

Last Tang Standing Fodors Travel Publications

"K-Pop Now! [...] features one hundred and twenty-eight glossy pages of Korean pop eye-candy." —KpopStarz.com K-Pop Now! takes a fun look at Korea's high-energy pop music, and is written for its growing legions of fans. It features all the famous groups and singers, and takes an insider's look at how they have made it to the top. In 2012, Psy's song and music video "Gangnam Style" suddenly took the world by storm. But K-Pop, the music of Psy's homeland of Korea has been winning fans for years with its infectious melodies and high-energy fun. Featuring incredibly attractive and talented singers and eye-popping visuals, K-Pop is the music of now. Though K-Pop is a relatively young phenomenon in the West, it is rapidly gaining traction and reaching much larger audiences—thanks in large part to social media like Facebook, YouTube and Twitter. Top K-Pop acts get ten million to thirty million hits for their videos—the Girls Generation single "Gee" has over a hundred million views! In *K-Pop Now!* you'll find: Profiles of all the current K-Pop artists and their hits A look at Seoul's hippest hot spots and hangouts Interviews with top artists like Kevin from Ze:A and Brian Joo A look at the K-Pop idols of tomorrow You'll meet the biggest record producers, the hosts of the insanely popular "Eat Your Kimchi" website, and K-Pop groups like Big Bang, TVXQ, 2NE1, Girls Generation, HOT, SES, FinKL Busker Busker and The Koxs. The book also includes a guide for fans who plan to visit Seoul to explore K-Pop up close and personal. Join the K-Pop revolution now! PIECES OF YOU (한글 표지)(한글 HardCover) Simon and Schuster Over the past decade, Korean popular culture has become a global phenomenon. The "Korean Wave" of music, film, television, sports, and cuisine generates significant revenues and cultural pride in South Korea. The *Korean Popular Culture Reader* provides a timely and essential foundation for the study of "K-pop," relating the contemporary cultural landscape to its historical roots. The essays in this collection reveal the intimate connections of Korean popular culture, or hallyu, to the peninsula's colonial and postcolonial histories, to the nationalist projects of the military dictatorship, and to the neoliberalism of twenty-first-century South Korea.

Combining translations of seminal essays by Korean scholars on topics ranging from sports to colonial-era serial fiction with new work by scholars based in fields including literary studies, film and media studies, ethnomusicology, and art history, this collection expertly navigates the social and political dynamics that have shaped Korean cultural production over the past century. Contributors: Jung-hwan Cheon, Michelle Cho, Youngmin Choe, Steven Chung, Katarzyna J. Cwiertka, Stephen Epstein, Olga Fedorenko, Kelly Y. Jeong, Rachael Miyung Joo, Inkyu Kang, Kyu Hyun Kim, Kyung Hyun Kim, Pil Ho Kim, Boduerae Kwon, Regina Yung Lee, Sohl Lee, Jessica Likens, Roald Maliangkay, Youngju Ryu, Hyunjoon Shin, Min-Jung Son, James Turnbull, Travis Workman
Shine Duke University Press

Diet just 2 days a week to drop the pounds and dodge type 2 diabetes! In a recent study, researchers in the UK found that restricting carbohydrates just two days per week was superior to a standard, daily calorie-restricted diet for both reducing weight (about 9 pounds lost vs 5 pounds) and lowering insulin levels (reduced by 22% vs 4 %). Based on this and other research indicating that safe weight loss is the key to reversing and preventing diabetes, Reader's Digest has partnered with registered dietitian and diabetes expert Erin Palinski to distill the latest science to create an easy-to-follow plan that allows people with diabetes to have their cake—and other carbs—and still keep their blood sugar under control. A diagnosis of diabetes can be overwhelming and frightening, and even many of those who have lived with

diabetes for years often struggle with the question of what they can eat. The 2-Day Diabetes Diet makes it simple—there are no forbidden foods and no carb-counting. You just need to restrict what you eat for 2 days a week—and research suggests you will see the pounds drop off, your blood sugar levels stabilize, and your waist shrink. On those 2 days a week, you follow the low-carb “Power Burn” program, and consume approximately 600 calories of selected foods. What does that look like on your plate? How about a 2-egg omelet with onions and peppers plus yogurt for breakfast; a hearty bowl of carrot soup plus fresh fruit for lunch; meatloaf and broccoli for dinner with milk; and a cup of sweet grapes for a snack? Or Canadian bacon and spinach for breakfast with a cup of milk; vegetable soup and half a banana topped with peanut butter for lunch; grilled chicken and zucchini over pasta for dinner; and an orange with a cup of milk for a snack. With real delicious food filling your tummy, you won't believe it all adds up to only about 600 calories. For the rest of the week, you follow a delicious 1500-calorie-a-day Mediterranean-style eating plan—we call these “Nourishment” days. You can enjoy a bounty of brightly colored fruits and vegetables, lean proteins, whole grains, and even a few treats. The book will include: A 2-week day-by-day meal plan that lays out sample Power Burn and Nourishment days More than 60 meal options, including restaurant and frozen food options, so you can customize the menus to your taste and lifestyle More than 50 delicious diabetes-friendly recipes An optional easy walking and strength-training program to boost results even

more Stress-reducing exercises to help you ward off cravings and reduce hunger Success stories from the 10 men and women who tried the plan with amazing results! The plan is designed to be flexible—you can do your Power Burn days whenever works for you, and you can personalize almost any meal to suit your tastes—and will work for both people with type 2 diabetes and those at risk.

Drama from the Rim Simon and Schuster When Rachel Gardner wakes up in the basement of an unfamiliar building, she finds herself face-to-face with Zack, a serial killer wrapped from head to toe in bandages. Narrowly escaping his bloody scythe, she makes it to the next floor, where she meets a man named Danny who claims to be her doctor. Rachel breathes a sigh of relief, but she can't help noticing that Danny's got a strange look in his eyes...
