DEVIN MIDDLETON

The Normal Christian Church Life TEACH Services, Inc.

What's special about Oneness Pentecostals? In this penetrating analysis of Oneness theology and practice, Gregory Boyd reveals the experience of four years of personal involvement in a Oneness church. Although Oneness Pentecostals' belief in Christ's deity establishes some common ground with other Christians, their aggressive denial of the Trinity has nonetheless fostered their indisputably sub-Christian ideas about God's character, about salvation, and about Christian living.

Maadili ya taifa na hatma ya Tanzania
 James Clarke & Company
 Though a primary requirement of God for

leaders, very little has been written on this subject. In this book, Dag Heward-Mills outlines very important principles with the intention of increasing the stability of churches. So relevant and practical is the content of this book that it has become an indispensable tool for many church leaders.

The Book of Discipline of the United Methodist Church, 1968 InterVarsity Press

A facsimile reprint of the 1930 edition, containing the often quoted questions and answers regarding the change of the solemnity of the seventh-day Sabbath to Sunday.

Take the Risk Createspace Independent Pub

In the 1920s, Robert Athlyi Rogers founded the Afro-Athlican Constructive Gaathly religion in the West Indies. He

wrote *The Holy Piby* as a guiding text, seeing Ethiopians - in the classical meaning of all Africans - as God's chosen people, and he preached self-determination and self-reliance. *The Holy Piby* is a major source of influence to the Rastafarian faith, which holds Haile Selassie I as Christ, and Marcus Garvey as his prophet. *The Holy Piby* consists of four books, and the seventh chapter of the second book identifies Marcus Garvey as one of three apostles of God. Original copies are extremely rare, and it is not even listed in the Library of Congress. The text was banned in Jamaica and many other Caribbean Islands until the late 1920s.

The Normal Christian Church Life is a record of messages given during conferences held in Shanghai and Hankow.

Watchman Nee spoke to his fellow workers on the principles in the New Testament concerning the practical arrangement of the churches, the ministry, and the work. In his speaking, he honestly examined his own work before the Lord in the light of these principles, provided adjustment and encouragement to his co-workers, and confirmed through personal testimony that the practice of the normal Christian church life revealed in the New Testament can be recovered.

Operation World Living Stream Ministry
This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite preaching filled the asylums, and so forth.

A Word to the "little Flock" Victor John Chrysostom (c. 347-407), Archbishop of Constantinople, was an important Early Church Father. He is known for his eloquence in preaching and public speaking, his denunciation of abuse of authority by both ecclesiastical and political leaders, the Divine Liturgy of St. John Chrysostom, and his ascetic sensibilities. After his death in 407 (or, according to some sources, during his life) he was given the Greek epithet chrysostomos, meaning "golden mouthed" in English, and Anglicized to Chrysostom. The Orthodox and Eastern

Catholic Churches honor him as a saint and count him among the Three Holy Hierarchs, together with Basil the Great and Gregory Nazianzus. He is recognized by the Eastern Orthodox Church and the Catholic Church as a saint and as a Doctor of the Church. Churches of the Western tradition, including the Roman Catholic Church, some Anglican provinces, and parts of the Lutheran Church, commemorate him on 13 September. Some Lutheran and many Anglican provinces commemorate him on the traditional Eastern feast day of 27 January. The Coptic Orthodox Church of Alexandria also recognizes John Chrysostom as a saint (with feast days on 16 Thout and 17 Hathor).

God's Chosen Fast Tyndale House Publishers, Inc.

Home Cell Group Explosion (2023 version) is the most researched and practical book ever written on cell group evangelism! Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost. He found the answers and freely shares them within this volume. If you are a pastor or small group leader, you should devour this book! It will encourage you and give you simple, practical steps for dynamic small group life and growth. My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar. Joel spent hundreds of hours and thousands of dollars visiting eight of the highest-visibility cell group churches to interview their leaders and record his findings. I love this book because it focuses on the multiplication of cells for the greatest evangelistic results. (C. Peter Wagner, Author, Scholar, and Church Growth Expert) Comiskey does not just describe what is happening in cell churches. He takes the next step and identifies in a step-by-step fashion how we can apply these principles in our churches. It is all here-everything we need to know to start and grow a cell group ministry. I am grateful to Dr. Comiskey, for the time, effort, and research that has gone into producing this long-needed book. (Richard Peace, Ph.D., Professor of Evangelism and Spiritual Formation, Fuller Theological Seminary) Joel and I shared many days in Bogota as this book was written. His grasp of cell church models is superior to any other person I have worked with: this book is a treasure of information for church planters and pastors wishing to transition to the cell model. (Ralph W. Neighbour, Jr., Author, and Pioneer Church Planter)

Why do Protestants keep Sunday? From the Catholic Mirror, the official organ of Cardinal Gibbons, Baltimore, Maryland.
Four Cups Tyndale House Publishers
First published in 1977, Muhammad 'Ata ur-Rahim's classic text examines Jesus as a prophet teaching the Unity of God, and the historical collapse of Christianity as it abandoned his teaching. Now revised by coauthor Ahmad Thomson, the book sketches the dramatic picture of the original followers of Jesus who affirmed Unity, showing how Christianity became the fiction that replaced their truth. A wide-ranging study that covers the Gospel of Barnabas, the Gospel of Hermes, the shepherd, early and later Unitarian Christians, and Jesus in the gospels and in the Qur'an and hadith, Jesus: Prophet of Islam argues persuasively that the idea of Jesus as part of a trinity was a Greek pagan concept adopted by early Christian missionaries to gain converts among the Greeks, and did not become a widely accepted Christian doctrine until after the Council of Nicea in 325 A.D.

Scripture Twisting CLC Publications

It's positively astounding! It has remained undiscovered by science! No religion has revealed it! Higher education has never taught it! Is it possible the whole world has been deceived-regarding the awesome purpose of human life-about the way to world peace and how it will come? And could it be true that the real gospel message Christ brought from heaven revealed this missing dimension-but was suppressed? This is the eye-opening story of the real gospel message of Jesus Christ-of how this missing dimension was withheld, and the whole world deceived. In this book: • Christ's Gospel Was Suppressed—Not Heard From the First Century Until Now • The Startling Revelation of What Was Christ's Gospel • The Incredible Human Potential at Last Revealed! • Pre-Existence Before the Material Universe • What Led to the Creation of Man? • How God Planned to Reproduce Himself! • Bridging the Gap Between Human Man and the Ultimate Spirit-Composed Sons of God • Why Today's World Evils? • Why the Church? • Just What Do You Mean... Conversion? • Human Nature-And How a Whole World Is Deceived About Its Origin • Is There Life After Death? • World Peace-How It Will Come This ebook is offered completely free of charge by the Philadelphia Church of God. However, please note that Google Play will need a verified Google Wallet account which requires your credit card

information. In a small number of countries, a temporary authorization of \$1 will be charged to your account but will be refunded. This refund can take up to 1 month to process.

The Power of Prayer Ravenio Books
In the first meeting of the Relief Society, Sister Emma Smith said, "We are going to do something extraordinary." She was right. The history of Relief Society is filled with examples of ordinary women who have accomplished extraordinary things as they have exercised faith in Heavenly Father and Jesus Christ. Relief Society was established to help prepare daughters of God for the blessings of eternal life. The purposes of Relief Society are to increase faith and personal righteousness, strengthen families and homes, and provide relief by seeking out and helping those in need. Women fulfill these purposes as they seek, receive, and act on personal revelation in their callings and in their personal lives. This book is not a chronological history, nor is it an attempt to provide a comprehensive view of all that the Relief Society has accomplished. Instead, it provides a historical view of the grand scope of the work of the Relief Society. Through historical accounts, personal experiences, scriptures, and words of latter-day prophets and Relief Society leaders, this book teaches about the responsibilities and opportunities Latter-day Saint women are given in Heavenly Father's plan of happiness.

The Everlasting Covenant TEACH Services, Inc.

The definitive guide to global prayer has been updated and revised to cover the entire populated world. Whether you are an intercessor praying behind the scenes or a missionary abroad, *Operation World* gives you the information you need to play a vital role in fulfilling the Great Commission. (Copublished with Global Mapping International.)

Not by Bread Alone Messenger International

By avoiding risk, are you also avoiding your life's full potential? Join acclaimed

neurosurgeon Dr. Ben Carson as he explores the life-changing power of taking the risk, even if you're afraid. In our risk-avoidant culture, we place a high premium on safety. We insure our vacations. We check crash tests on cars. We extend the warranties on our appliances. But by insulating ourselves from the unknown--the natural risks of life--we miss the great adventure of living our lives to their fullest potential. Dr. Ben Carson spent his childhood as an at-risk child on the streets of Detroit, and he took big risks in performing complex surgeries on the brain and the spinal cord. Now, offering inspiring personal examples, Dr. Carson invites us to embrace risk in our own lives. In *Take the Risk*, Dr. Carson examines our safety-at-all-costs culture and the meaning of risk and security in our lives. *Take the Risk* guides you through an extensive examination of risk, including: Risk-taking in history An assessment of the real costs and rewards of risk Learning how to assess and accept risks Understanding how risk reveals the purpose of your life From a man whose life dramatically portrays the connection between great risks and greater successes, the insights Dr. Carson shares in *Take the Risk* will help you dispel your fear of risk in order to dream big, aim high, move with confidence, and reap the rewards of wise risk-taking. Praise for *Take the Risk*: "Whether you are a world-renowned neurosurgeon, a CEO, or a teacher, this book applies to anyone who ever wondered about the difference between the pacesetters and those who struggle to keep up. It is the pacesetters who *Take the Risk*, and this book explains when and why to take risks to empower everyone to become a trailblazer rather than a mere spectator. For anyone who wants to rise above mediocrity, this book is a must-read." --Armstrong Williams, author and radio host, *The Armstrong Williams Show*

Oneness Pentecostals and the Trinity InterVarsity Press

In *Worship, Its Theology and Practice*, Jean-Jacques von Allmen establishes the broader framework of a doctrine of

worship, to then see how it can be applied in practice. The book's two parts, 'Problems of Principle' and 'Problems of Celebration' allows for a holistic approach to worship in all its forms. Covering a wide range of liturgical study, von Allmen places regular Sunday worship in its historical and theological context, affirming its nature as the 'recapitulation of the history of salvation' and a sacred sign of Christ's presence, while fully acknowledging its practical role in building the Church. At its core, *Worship, Its Theology and Practice* envisions an experience of worship with deeper participation and simple obedience to Jesus Christ.

Elpis Israel Shelter Publications

The modern church has become a comfortable place, as congregations focus on creating warm and welcoming environments. But have casual attitudes replaced reverence for the Lord? The prophet Ezekiel was called to remind God's people about His holy and glorious nature, and that message remains as relevant today as when it was first delivered. This study examines Ezekiel's mission to describe the indescribable, a God beyond imagining, a King worthy of our reverence. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, *BE Reverent* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe calls us to rediscover the awesomeness of the Lord. Filled with inspiring words and images, Ezekiel's timeless message will draw you into a deeper level of holy reverence for our God.

[Home Cell Group Explosion](#) CCS Publishing Arthur Wallis offers this balanced study on fasting, and seeks to give to the subject the weight that Scripture gives it while also avoiding exaggeration and over-emphasis. This book includes a biblical index, and an appendix dealing with the textual problems surrounding four references to fasting in the New Testament.
