BLANKENSHIP PEARSON

A Tale of Flatbush Omnibus Press

"The Beatles: Live at 12 Cold Creek Street" is an engaging fictional account of the Fab Four set amidst the hysteria of 1960s Beatlemania. Laurie Donaldson, one of their most devoted fans, receives the shock of her life when the band arrives at her doorstep for an unexpected weekend visit. Besides dealing with a annoying younger sibling, a jealous boyfriend, two Beatle-infatuated best friends, and parents who don't understand the magnitude of the situation, Laurie gets a comical once-in-a-lifetime glimpse into the lives of John, Paul, George, and Ringo. This version of the novel is significantly revised from its previous incarnation on the World Wide Web, including a number of new scenes that add to the merriment of the original story that hundreds of online Beatle fans, whether young or old, have enjoyed reading.

Routledge

AN OMNIBUS EDITION OF JOHN LENNON' S WHIMSICAL POETRY, PROSE, AND DRAWINGS, REISSUED IN CELEBRATION OF THE 70TH ANNIVERSARY OF HIS BIRTH.

The Beatles Complete Chord Songbook Houghton Mifflin Harcourt
Winner of the 2020 Baillie Gifford Prize for Non-Fiction A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time "If you want to know what it was like to live those extraordinary Beatles years in real time, read this book." —Alan Johnson, *The Spectator* Though fifty years have passed since the breakup of the Beatles, the fab four continue to occupy an utterly unique place in popular culture. Their influence extends far beyond music and into realms as diverse as fashion and fine art, sexual politics and religion. When they appeared on *The Ed Sullivan Show* in 1964, fresh off the plane from England, they provoked an epidemic of hoarse-throated fandom that continues to this day. Who better, then, to capture the Beatles phenomenon than Craig Brown—the inimitable author of *Ninety-Nine Glimpses of Princess Margaret* and master chronicler of the foibles and foppishness of British high society? This wide-ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore

unexamined lore. When actress Eleanor Bron touched down at Heathrow with the Beatles, she thought that a flock of starlings had alighted on the roof of the terminal—only to discover that the birds were in fact young women screaming at the top of their lungs. One journalist, mistaken for Paul McCartney as he trailed the band in his car, found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield. Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant's heartbeat so as to induce a hypnotic state in listeners? And just how many people have employed the services of a Canadian dentist who bought John Lennon's tooth at auction, extracted its DNA, and now offers paternity tests to those hoping to sue his estate? *150 Glimpses of the Beatles* is, above all, a distinctively kaleidoscopic examination of the Beatles' effect on the world around them and the world they helped bring into being. Part anthropology and part memoir, and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen, this book is a humorous, elegiac, and at times madcap take on the Beatles' role in the making of the sixties and of music as we know it.

The Beatles Random House

The Beatles: Illustrated Lyrics is the only major collection of illustrated *The Beatles: Illustrated Lyrics* is the only major collection of illustrated *The Beatles* lyrics available. Originally published in 1969, this book has become a symbol of an era, a must-have for Beatles fans and a brilliant tribute to the band that changed a generation. Quotes from John, Paul, George and Ringo provide candid, witty, insightful commentary on the songs and their origins. Clarification of controversial lyrics is offered by the only true authorities, *The Beatles* themselves. All the famous songs are included – from *Can't Buy Me Love* and *A Hard Day's Night* to *Rocky Raccoon*, *Revolver* and *Yellow Submarine*. Lavish full colour illustrations by internationally famous artists and specially commissioned photographs reflect the psychedelic world *The Beatles* lived in and the whole generation and pop culture they influenced.

The Beatles Lyrics Oxford University Press

A new edition of the best-selling guide to the stories behind all the Beatles' songs.

The Act You've Known for All These Years LIT Verlag Münster

A work of unparalleled candor and splendid beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of *The Beatles*, to *Wings* and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

In His Own Write and A Spaniard in the Works Rowman &

Littlefield

Starting an undeniable revolution, the Beatles took pop culture by storm, shook up the recording industry, and provided a soundtrack for the lives of millions of American teenagers. No band would ever come close to the mania inspired by these four Liverpool exports. Brooke Halpin takes readers on a comprehensive tour behind the masterful instrumentation, timeless (yet sometimes mysterious) lyrics, and experimental recording techniques of the Beatles' American releases from 1964 through 1970. Halpin explores the rock covers from which the four lads launched their careers; the original rock 'n' roll and love songs that fueled Beatlemania; the theatrical, psychedelic, world music, and orchestral elements which continually surprised audiences about the depths of the band's talents, and the guest musicians whose contributions remain unknown to many listeners. Adding to the song analyses are personal vignettes to transport the reader back in time to experience the excitement of hearing the Beatles for the first time. Through their music, lyrics, and playful antics on stage and screen as well as in real life, the Beatles encapsulated the ups and downs of 1960s America. Halpin uncovers how the Beatles' music continues to be relevant to today's audiences, revealing little known facts and drawing exciting conclusions about the band, their eventual breakup, and their undiminished fame.

The Beatles from A to Zed Omnibus Press

Cover songs operate as a form of cultural discourse across various musical genres and different societal, historical and political conditions. Case studies include a comparative analysis of Jimi Hendrix's and Whitney Houston's versions of "The Star-Spangled Banner" as well as a mapping of the trajectory of "(I Can't Get No) Satisfaction" from the original version by the Rolling Stones through cover versions by Otis Redding, Devo, and Britney Spears. The radical deconstruction of pop and rock songs by the Residents and Laibach is also examined, with additional studies of cover songs by such as Van Halen, Kim Wilde, Rufus Harley, the Four Tops, Pat Boone and Johnny Cash. Rather than questions of quality or how a cover song measures up as "better or worse" than other versions, this book focuses on the ideological implications and social stakes of the "same old songs" as they are reconfigured to consider, comment on and confront political issues of gender, sexuality, race, the nation-state and the

generation gap.

The Songs of Lennon, McCartney, Harrison and Starr Black Dog & Leventhal

The only major collection of illustrated Beatles lyrics in book form, this commemorative edition features autobiographical comments and quotes from the Fab Four, interpretation of the lyrics from 206 songs, lavish, full-color illustrations, and specially commissioned photographs.

Experiencing the Beatles PediaPress

The #1 True Crime Bestseller of All Time—7 Million Copies Sold In the summer of 1969, in Los Angeles, a series of brutal, seemingly random murders captured headlines across America. A famous actress (and her unborn child), an heiress to a coffee fortune, a supermarket owner and his wife were among the seven victims. A thin trail of circumstances eventually tied the Tate-LeBianca murders to Charles Manson, a would-be pop singer of small talent living in the desert with his "family" of devoted young women and men. What was his hold over them? And what was the motivation behind such savagery? In the public imagination, over time, the case assumed the proportions of myth. The murders marked the end of the sixties and became an immediate symbol of the dark underside of that era. Vincent Bugliosi was the prosecuting attorney in the Manson trial, and this book is his enthralling account of how he built his case from what a defense attorney dismissed as only "two fingerprints and Vince Bugliosi." The meticulous detective work with which the story begins, the prosecutor's view of a complex murder trial, the reconstruction of the philosophy Manson inculcated in his fervent followers...these elements make for a true crime classic. Helter Skelter is not merely a spellbinding murder case and courtroom drama but also, in the words of *The New Republic*, a "social document of rare importance." Some images in this ebook are not displayed due to permissions issues.

The Beatles Are the Greatest Rock Band of All Time and I Can Prove It Farrar, Straus and Giroux

Inspired by The Beatles, Gordon Lightfoot, Johnny Cash, Elvis and others, Brad began writing songs at the age of sixteen. Maybe it was fifteen, who can remember? With the guitar he got for Christmas, and an impressionable psyche, he created many songs that spoke to yearning and longing, and some desire here and there that he didn't understand. Many of his songs no longer exist

except in the farthest recesses of Brad's mind. However, the words of those that survived over the years are contained within. Read, enjoy ... and smile.

[Teaching the Beatles](#) Virtualbookworm Publishing

A Darkly Comic and Deeply Moving Memoir of a New York City Lost to Time, from the Author of the Bestselling John Lennon Bio *Nowhere Man* From the final days of the Brooklyn Dodgers in the mid-1950s to the arrival of the Beatles in 1964, Bobby in Naziland is an unsentimental journey through one Brooklyn neighborhood. Though a 20 minute and 15-cent subway ride from the skyscrapers of Manhattan, Flatbush remained provincial and working-class—a place where Auschwitz survivors and WWII vets lived side by side and the war lingered like a mass hallucination. Meet Bobby, a local kid who shares a shabby apartment with his status-conscious mother and bigoted father, a soda jerk haunted by memories of the Nazi death camp he helped liberate. Flatbush, to Bobby, is a world of brawls with neighborhood "punks," Hebrew-school tales of Adolf Eichmann's daring capture, and grade-school duck-and-cover drills. Drawn to images of mushroom clouds and books about executions, Bobby ultimately turns the seething hatred he senses everywhere against himself. From a perch in his father's candy store, Bobby provides a child's-eye view of the mid-20th-century American experience—a poignant intertwining of the personal and historical.

The Beatles in Japan Henry Holt and Company

A Women's History of the Beatles is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women. Drawing on a mix of interviews, archival research, textual analysis, and autoethnography, this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women, while also reexamining key, influential female figures within the group's history. Organized topically based on key themes important to the Beatles story, each chapter uncovers the varied and multifaceted relationships women have had with the band, whether face-to-face and intimately or parasocially through mediated, popular culture. Set within a socio-historical context that charts changing gender norms since the early 1960s, these narratives consider how the Beatles have affected women's lives across three generations. Providing a fresh perspective of a well-known tale, this is a cultural history that moves far beyond the screams of

Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades.

The Beatles Lyrics *The Lyrics: 1956 to the Present* (Vol. Two-Volume Set)

The Beatles est un groupe musical originaire de Liverpool, composé de John Lennon, Paul McCartney, George Harrison et Ringo Starr. Il demeure, en dépit de sa séparation en 1970, l'un des groupes de rock les plus populaires au monde. En dix ans d'existence, et seulement huit ans de carrière discographique (de 1962 à 1970), les Beatles ont enregistré douze albums originaux et ont composé plus de 200 chansons. Une productivité particulièrement remarquable dans la période 1963-1966 où, entre les tournées incessantes et la participation à deux longs métrages, ils ont publié sept albums, treize singles et douze EPs. Considérées comme la « bande-son » des années 1960, les chansons des Beatles ont marqué leur décennie ainsi que les générations suivantes, et leurs mélodies ont été adaptées à de nombreux genres musicaux, notamment le jazz, la salsa, le reggae ou la musique classique et baroque.
