Mercedes Thompson”
(Publishers Weekly)
has leapt to the
forefront of today’s
urban fantasy heroes,
thanks to bestselling
author Patricia Briggs.

Now, Mercy finds herself in the middle of a bloodbath—with only one way out... Mercy has friends in low places—and in dark ones. And now she owes one of them a favor. Since she can shapeshift at will, she agrees to act as some extra muscle when her vampire friend Stefan goes to deliver a message to another of

his kind. But this new vampire is hardly ordinary—and neither is the demon inside of him. When the undead and the werewolves sent to find him don't return, the local vampire queen turns to Mercy for help. A coyote is no match for a demon, but Mercy is determined to get her friends back—including the two werewolves circling around her heart.

THE FIRST MERCY
THOMPSON NOVEL!

Moon Called is the novel that introduced Patricia Briggs's Mercy Thompson to the world and launched a #1 bestselling phenomenon... Mercy Thompson is a shapeshifter, and while she was raised by werewolves, she can never be one of them,

especially after the pack ran her off for having a forbidden love affair. So she's turned her talent for fixing cars into a business and now runs a one-woman mechanic shop in the Tri-Cities area of Washington State. But Mercy's two worlds are colliding. A half-starved teenage boy arrives at her shop looking for work, only to reveal that he's a newly changed werewolf—on the run and desperately trying to control his animal instincts. Mercy asks her neighbor Adam Hauptman, the Alpha of the local werewolf pack, for assistance. But Mercy's act of kindness has unexpected consequences that leave her no choice but to seek help from those she once

considered family—the werewolves who abandoned her... “In the increasingly crowded field of kick-ass supernatural heroines, Mercy stands out as one of the best.”—Locus

Steal the Dragon
Penguin

In this powerful entry in the #1 New York Times bestselling series, Mercy Thompson must face a deadly enemy to defend all she loves... My name is Mercedes Athena Thompson Hauptman, and I am a car mechanic. And a coyote shapeshifter. And the mate of the

Alpha of the Columbia Basin werewolf pack. Even so, none of that would have gotten me into trouble if, a few months ago, I hadn't stood upon a bridge and taken responsibility for the safety of the citizens who lived in our territory. It seemed like the thing to do at the time. It should have only involved hunting down killer goblins, zombie goats, and an occasional troll. Instead, our home was viewed as neutral ground, a place where humans would feel safe to come and treat with the fae. The reality is that nothing and no one is safe. As generals and politicians face off with the Gray Lords of the fae, a storm is coming and her name is Death. But we are pack, and

we have given our word. We will die to keep it.

Storm Cursed Penguin #1 New York Times bestselling author Patricia Briggs's Mercy Thompson series has been hailed as "one of the best" (Library Journal). Now Mercy must deal with an unwanted guest—one that brings a danger unlike anything she's ever known. When her mate's ex-wife storms back into their lives, Mercy knows something isn't right. Christy has the furthest thing from good intentions—she wants Adam back, and she's willing to do whatever it takes to get him, including turning the pack against Mercy. Mercy isn't about to step down without a fight, but there's a more dangerous threat

circling. As the bodies start piling up, she must put her personal troubles aside to face a creature with the power to tear her whole world apart. Frost Burned Penguin From #1 New York Times bestselling author Patricia Briggs comes the first "thrilling"* novel in the Hurog duology. Most everyone thinks Ward of Hurog is a simple-minded fool—and that's just fine by him. But few people know that his foolishness is (very convincingly) feigned. And that it's the only thing that's saved him from death. When his abusive father dies, Ward becomes the new lord of Hurog...until a nobleman declares that he is too dim-witted to rule. Ward knows he cannot play

the fool any longer. To regain his kingdom, he must prove himself worthy—and quickly. Riding into a war that's heating up on the border, Ward is sure he's on the fast track to glory. But soon his mission takes a deadly serious turn. For he has seen a pile of magical dragon bones hidden deep beneath Hurog Keep. The bones can be dangerous in the wrong hands, and Ward is certain his enemies will stop at nothing to possess them...
