Check, Please! Book 2: Sticks & Scones First Second

"Y: THE LAST MAN, winner of three Eisner Awards and one of the most critically acclaimed, best-selling comic book series of the last decade, is that rare example of a page-turner that is at once humorous, socially relevant and endlessly surprising. Written by Brian K. Vaughan (LOST, PRIDE OF BAGHDAD, EX MACHINA) and with art by Pia Guerra, this is the saga of Yorick Brown: the only human

survivor of a planet-wide plague that instantly kills every mammal possessing a Y chromosome. Accompanied by a mysterious government agent, a brilliant young geneticist and his pet monkey, Ampersand, Yorick travels the world in search of his lost love and the answer to why he's the last man on Earth. In these stories, a Russian Soyuz capsule is coming down from the International

Space Station carrying three passengers: one woman and two men. Could this be the end of Yorick's tenure as last living male? And then, as the Last Man on Earth and his companions continue to head west, the story takes a detour into the psychological. In the care of a fellow Culper Ring member, Yorick Brown is forced to confront his tremendous feelings of survivor guilt that lead him

to constantly put his life in danger. Collects Y: THE LAST MAN #21-40."  Many important and valuable manuscripts, rare books, and artefacts related to Korea have

been acquired by donations throughout the long history of the Bodleian Library and the museums of the University of Oxford. However, due to an early lack of specialist knowledge in this area, many of these Korean items were largely neglected. This publication uncovers these treasures and presents them together in a single volume for the first time. Notable items include

the court painting scroll of the funeral procession of King Yongjo (1694-1776); a presentation edition of a book given by King Yongjo to his son-in-law; a group of documents issued by Emperor Kjong (1852-1919) between 1885 and 1886 to confer various titles to his civil and military officials; a sundial made by the famous maker Kang Yun (1830-98) for Emperor Kjong; a ceramic dish made and

signed by Princess Yi Pangja (1901-89) as well as a rare example of a suit of armour, an ornate helmet of the early sixteenth century, a general's quiver and arrows, and many more. -- Book jacket. *Ninja-K Vol. 2: The Coalition* TPB VIZ Media - Children's Explore the art and adventure of the quintessential entries in the Final Fantasy saga with this gorgeous 300-plus-page hardcover.
