The first in a spicy and unforgettable rom-com duology from #1 New York Times bestseller and tik tok favorite Tessa Bailey, in which a Hollywood "It Girl" is cut off from her wealthy family and exiled to a small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn't belong. Piper Bellingier is fashionable, influential, and her reputation as a

wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather—and the hot, grumpy local—that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart. From influential feminist artist and essayist Anais Nin, Delta of Venus is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book Review). Anais Nin pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing. "Inventive, sophisticated . . . highly elegant

naughtiness."—Cosmopolitan

Winner of the National Leather Association's 2008 Pauline Reage Novel Award. Erotic bdsm romance. The ideal D/s relationship for Anders and Maia is nothing less than total power exchange: no games, no negotiations, no safewords. When the two stumble onto each other in an on-line chat room, the fire of their offbeat sexual desires ignites and draws them together for an explosive sexual encounter. For Maia, Anders offers the kind of firm and unyielding dominant she has only dreamed of. For Anders, his new sub is as deliciously erotic as she is submissive to his will. During the first weeks of their relationship, Anders lays down rules for his new possession, while Maia gradually hands over her autonomy, slipping into the obedience that is basic to her nature. Anders explores, manipulates and experiments on both mind and body, all of which she laps up in a continuous state of terror and joy. This beautifully written story depicts a master/slave relationship that is extreme, loving, creative, steeped in imagination, but embedded in the real world. In this passionate, private sexual reality, the balance of power tips only one way.

"A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success."—Dave Pelzer, author of *A Child Called "It"* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.
