Distant Winds Createspace Independent Publishing Platform

From the #1 New York Times bestselling author of *Salt to the Sea* and *Between Shades of Gray* comes a gripping, extraordinary portrait of love, silence, and secrets under a Spanish dictatorship. Madrid, 1957. Under the fascist dictatorship of General Francisco Franco, Spain is hiding a dark secret. Meanwhile, tourists and foreign businessmen flood into Spain under the welcoming promise of sunshine and wine. Among them is eighteen-year-old Daniel Matheson, the son of an oil tycoon, who arrives in Madrid with his parents hoping to connect with the country of his mother's birth through the lens of his camera. Photography--and fate--introduce him to Ana, whose family's interweaving obstacles reveal the lingering grasp of the Spanish Civil War--as well as chilling definitions of fortune and fear. Daniel's photographs leave him with

uncomfortable questions amidst shadows of danger. He is backed into a corner of difficult decisions to protect those he loves. Lives and hearts collide, revealing an incredibly dark side to the sunny Spanish city. Master storyteller Ruta Sepetys once again shines light into one of history's darkest corners in this epic, heart-wrenching novel about identity, unforgettable love, repercussions of war, and the hidden violence of silence--inspired by the true postwar struggles of Spain. Includes vintage media reports, oral history commentary, photos, and more. Praise for *The Fountains of Silence* "Spain under Francisco Franco is as dystopian a setting as Margaret Atwood's Gilead in Ruta Sepetys's suspenseful, romantic and timely new work of historical fiction . . . Like [Shakespeare's family romances], 'The Fountains of Silence' speaks truth to power, persuading future rulers to avoid repeating the crimes of the past." --The New York Times Book Review "Full of twists and revelations...an excellent story, and timely, too." --The Wall Street Journal "A staggering tale of love, loss, and national shame." --Entertainment Weekly * "[Sepetys] tells a moving story made even more powerful by its placement in a lesser-known historical moment. Captivating, deft, and illuminating historical fiction." --Booklist, *STARRED REVIEW* * "This gripping, often haunting historical novel offers a memorable portrait of fascist Spain." --Publishers Weekly, *STARRED REVIEW* * "This richly woven historical fiction . . . will keep young adults as well as adults interested from the first page to the last." --SLC, *STARRED REVIEW* * "Riveting . . . An exemplary work of historical fiction." --The Horn Book, *STARRED REVIEW* **I'll Take Care of You** Penguin Group Warm, vibrant illustrations combine with the steady reassurance "I'll take care of you" to introduce children to the cycles of nature and the gift of nurturing. A helpless, tiny seed finds itself lost in the world, but with care from the Sky, Earth, and Sun it grows up to be a beautiful apple tree. When the tree meets a bird in need of help, it offers its branches as shelter and shows little readers the magic of being cared for and taking care. This comforting tale celebrates the harmonious relationship between birds and trees, reveals the quiet wonder of our ecosystems, and helps little readers appreciate the care they receive from their family and friends every day. In return, children will learn that they can care for others too and cultivate empathy and kindness. With brightly beautiful illustrations and a timely message of love

and community, *I'll Take Care of You* offers families a go-to soothing story for bedtime and tough days.

The Unadoptables Fight for Me
Based on the true story of a brave German nurse tasked with caring for Auschwitz's youngest prisoners, *Auschwitz Lullaby* brings to life the story of Helene Hannemann—a woman who sacrificed everything for family and fought furiously for the children she hoped to save. On an otherwise ordinary morning in 1943, Helene Hannemann is preparing her five children for the day when the German police arrive at her home. Helene's worst fears come true when the police, under strict orders from the SS, demand that her

children and husband, all of Romani heritage, be taken into custody. Though Helene is German and safe from the forces invading her home, she refuses to leave her family—sealing her fate in a way she never could have imagined. After a terrifying trek across the continent, Helene and her family arrive at Auschwitz and are thrown into the chaos of the camp. Her husband, Johann, is separated from them, but Helene remains fiercely protective of her children and those around her. When the powers-that-be discover that Helene is not only a German but also a trained nurse, she is forced into service at the camp hospital, which is overseen by the notorious Dr. Mengele himself. Helene is under no illusions in terms of Dr. Mengele's intentions, but she agrees to cooperate when he asks her to organize a day care and school for the Romani children in the camp. Though physically and emotionally brutalized by the conditions at Auschwitz, Helene musters the strength to protect the children in her care at any cost.
