This book is compendium surgically targeted at passing the Certified Authorization Professional (CAP) certification exam. The questions in the book cover the "Prepare" step of the Risk Management Framework (RMF) that came into effect in December 2019. The book has 250 multiple choice questions with four answer options. Part One covers the questions, while Part Two covers the questions and answers with annotations on why the correct answers are correct and why the other answer options are incorrect. Part Three, section one, has 50 possible interview questions and guided answers deliberately sequenced from the typical introductory question to closing questions that engender continuous communication with a potential employer. This part is a guiding tool for candidates seeking a breakthrough to the Cyber Security field in roles like; Security Controls Assessor (SCA), Cyber Security Analyst and Cyber Security Specialists. The second section of Part Three is a sequenced interview process guide that would be useful for people entering the Cyber Security field in junior roles and also professionals seeking promotion to other roles. In this section you will find tips on how to handle a phone/video interview and especially a face to face interview in a one-on-one or panel setting. Special attribution goes to the

National Institutes of Standards and Technology (NIST). The material for the sample CAP questions is developed predominantly based on the most updated Special Publications published the NIST including NIST SP-800-37r2, NIST SP-800-53r4, NIST SP 800-53A, NIST SP 800-137, FIPS 199, FIPS 200 etc. Part Three of the book is developed based on the professional experience of publishers.

This book provides an in-depth look at the Risk Management Framework (RMF) and the Certified Authorization Professional (CAP) (c) certification. This edition includes detailed information about the RMF as defined in both NIST SP 800-37 Revision 1 and

NIST SP 800-37 Revision 2 as well as the changes to the CAP introduced on October 15th, 2018. Each chapter focuses on a specific portion of the RMF/CAP and ends with questions that will validate understanding of the topic. The book includes links to templates for all of the key documents required to successfully process information systems or common control sets through the RMF. By implementing security controls and managing risk with the RMF system owners ensure compliance with FISMA as well as NIST SP 800-171.

According to the International Association of Administrative Professionals (IAAP), both the Certified Professional Secretary (CPS) exam and the Certified Administrative Professional (CAP) exam are multiple choice based. Starting from Nov 2011 the CAP exam will be offered as a single part exam. The CAP Examination covers a wide range of topics. The new exam covers: Communication Organization and Planning Information Distribution Records Management Physical and Information Resources Document Production Financial Functions Human Resources As a CAP candidate, you are expected to know almost EVERYTHING. You do not have to be an expert in everyting, but your peers will ell expect you to have knowledge on almost everything. Keep in mind, the phrase administrative professional is a general title associated with administrative support staff - you need to provide support whenever requested. Support request can come from different sources and may involve different disciplines. Even though you may not always need to provide hands-on help, you do need to know how to properly "redirect"

and "allocate" the help requests to the proper places. Administrative professionals are expected to greet and assist company visitors and customers as well as managers, executives and their staff. They serve BOTH as frontline personnel and as backend personnel. They need to be good communicators. They need to be able to adapt to different personalities and work styles of bosses and peers. There isn't any affordable "official" self study pack in the market, so we fill the gap here by releasing the CAP ExamEssentials Study Guide. The CAP ExamEssentials Study Guide provides extensive and in-depth coverage on a wide variety of business and office management topics to help you prepare for the exam. You may take a look at the Table of Contents by clicking [HERE](#). Our CAP Study Guide goes the expert-advice way. Instead of just giving you the hard facts, we also give you information that covers the best tricks and practices. With these information, you will always be able to make the most appropriate expert judgment in the exam.
