In the Boom Boom Room  
Simon and Schuster  
The #1 testimony book that every Christian needs to read. Despite the danger and threat of discovery, the ten Boom family courageously offered shelter to persecuted Jews during the Nazi occupation of

Holland. Then a trap brought about the family's arrest. Could God's love shine through, even in Ravensbruck?

Simon and Schuster  
In these pages, Rent offers what most theater books can't: a chance to step behind the curtain and feel the electricity of a stage phenomenon as it unfolds. Rent has single-handedly reinvigorated Broadway and taken

America by storm. Sweeping all major theater awards, including the 1996 Pulitzer Prize for drama, as well as four 1996 Tony Awards including Best Musical, Best Book, and Best Score for a Musical, Rent captures the heart and spirit of a generation, reflecting it onstage through the emotion of its stirring words and music, and the energy of its young cast. Now, for the

first time, Rent comes to life on the page -- through vivid color photographs, the full libretto, and an utterly compelling behind-the-scenes oral history of the show's creation. Here is the exclusive and absolutely complete companion to Rent, told in the voices of the extraordinary talent behind its success: the actors, the director, the producers, and the librettist and composer himself, Jonathan Larson, whose sudden death, on the eve of the first performance, has made

Rent's life-affirming message all the more poignant. Lap Edition Simon and Schuster Chicka Chicka Boom Boom, does your bookshelf have enough room? For this collectible boxed set, of course it does! A told B and B told C, "I'll meet you at the top of the coconut tree." So begins the celebrated, rollicking alphabet chant that has been a children's favorite for decades. As all the letters of the alphabet race one another up the coconut tree, Bill

Martin Jr and John Archambault's rhythmic text keeps the beat with Caldecott Honor illustrator Lois Ehlert's bold, cheerful art. And the race continues in the counting-themed companion, Chicka Chicka 1, 2, 3, featuring jaunty text from Bill Martin Jr and Michael Sampson and vibrant illustrations from Caldecott Honor illustrator Lois Ehlert. Packaged together in a handsome boxed set, these two Chicka Chicka classics make an ideal gift and belong on every

bookshelf!

The Tony Award-winning playwright of *Hurlyburly* “confronts the timely topic of assisted suicide . . . an affirmation of dignity that rings clear and true” (*Variety*). David Rabe is one of America’s finest dramatists. In *A Question of Mercy*, he explores the controversial and emotional issue of euthanasia, delving deep into the ties that bind friends and lovers. Thomas and Anthony are lovers struggling with

Anthony’s final, exhausting battle with AIDS. Joined by their friend Susanah and a retired doctor, whose help Thomas has requested, they fashion a heartbreaking friendship as they work through the stages of a plan to relieve Anthony of his illness and his life. Rabe creates a passionate depiction of four people confronted with the reality of a loved one’s fight with death and a compelling dramatic event that poses the question: “What would you do?” “A moving and

enlightening experience.” —*Backstage* “Completely gripping. This life and death tale questions the moral implications involved with assisted suicide, and the honor behind the action. A serious and provocative night at the theatre.” —*Theater* “Praise for David Rabe “Few contemporary dramatists have dealt with violence, physical and psychological, more impressively than Rabe.” —*Kirkus Reviews* “A remarkable storyteller.” —*Chicago Tribune* “Rabe’s mastery of

dialogue is the equal of Pinter and Mamet put together . . . full of a measured Mafia formality played against Jacobean terrors, blood lust, horror and revenge raised to an unlikely poetry dazed by equally unlikely insights.”

—The Boston Globe

A Play Houghton Mifflin Harcourt

A searing portrait of a young dancer’s descent into hell—extensively revised and returned to the two-act structure originally intended by the author. Chrissy, a bright and not-quite-innocent

woman with visions of a career as a dancer, finds herself in The Boom Boom Room, a disco/bar in Philadelphia meant to be her first step on the road to stardom. Instead, she finds herself fighting to keep her dreams intact amid the anesthetic sex and stimulation that surround her, the psychological residue of her parents’ betrayals, and the bizarre pack of suitors who follow her. In a desperate search for love and hope, Chrissy careens from the seductive mistress of

ceremonies at The Boom Boom Room to the earnestly friendly gay man next door to a brutally passionate lover. In its compassionate look at Chrissy’s living nightmare, In the Boom Boom Room is a piercing look at a society dangerously close to our own lives, and a drama that captures both our hearts and our heads.

Phil, a supporting character in the author's *Hurlyburly*, takes center stage in this haunting drama about trying to escape the past. A former mob hitman, Phil is in Hollywood trying to make it as a television actor. He's had a few bit parts, but is hardly a success, and he is largely supported by his wife, Susie, a waitress. Unfortunately, Susie desperately wants something in return,

something Phil is not prepared or eager to give: a child. Phil is going nowhere fast when Sal, a mysterious man fr

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through

southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author. Boom Boom Mushroom #3 Random House Detective Mervin Pratt is enjoying a quiet dinner at his favorite Italian restaurant when he's called in to assist at a murder scene at a popular downtown nightclub. The manager has been stabbed to death in his

office. The lead investigator, Detective Gordon, no friend of Pratt's, sees it as an open-and-shut case. He has the suspect, motive and even the murder weapon. But Pratt is unwilling to jump to conclusions. When Pratt's young partner, Dave Ellis, arrives on the scene uninvited and quietly tells Pratt that the suspect is his half brother, Pratt finds himself in an ethical dilemma. Ellis can have nothing to do with the investigation, and his connection to the case should be reported. On

the other hand, Gordon's attempt to railroad the suspect and his outright antagonism to Pratt's involvement rub the detective the wrong way. The only solution, of course, is to solve the crime.

In the 1990s, women in record numbers looked to Wall Street as a great place to build successful and lucrative careers. What many of them found there was not

meritocracy, but a boy's club of misbehaving stockbrokers, and a workplace culture that knew no bounds in its harassment and discriminating behavior toward women. Sometimes it was threatening language; other times it was physical intimidation; but often, it was much worse. Eventually, women who were subjected to this behavior exploited a loophole in stock-exchange rules and opened the door to unprecedented lawsuits

that shook Wall Street to its very core. Taking its title from the notorious party room at Smith Barney's Garden City, New York branch, *Tales from the Boom-Boom Room* is the detailed and riveting insider account of the lewd and obscene behavior that has run rampant on Wall Street. In this edition, author Susan Antilla provides a new afterword maintaining that despite some improvements in workplace conditions, women continue to face an uphill battle on Wall

Street.

 The idea of "The Green

Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the

rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
