## FARMER KELLEY

*The B. A. S. S. Story Unplugged* Hal Leonard Corporation  
 Never before has wildlife narration been this bold and this hilarious. More than 40 million people have viewed Randall's honey badger video, "The Crazy Nastyass Honey Badger." "It has no regard for anyone or anything—it just takes what it wants! What a little badass!" When viewing wildlife footage, who hasn't thought at times, "Ewww! What the hell is that?!" Randall thinks it — and says so! In *Honey Badger Don't Care*, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he's not afraid to share. Unlike most nature writers, Randall doesn't deliver the sugarcoated or drab description. He "goes there" and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals. Designed with callouts, sidebars, and more than fifty photos, *Honey Badger Don't Care* presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don't be stupid—buy this book!

**Thesaurus of Scales and Melodic Patterns** Outdoor Sportsman Group  
 Sterling, Travis, and the gang at BART Investigations think their days are moving along rather quietly. They have a few somewhat easy cases, and then toward the end of the book, several come to a head at the same time, including one which surfaces at another classic car show. This situation has a very unexpected ending.

**Sowbelly** Hal Leonard Corporation  
 John Noporadny is an expert bass fisherman, and he's here to offer his secrets and those of other fishing greats on hooking hawg largemouths in *101 Bass Fishing Tips*. The latest techniques and tactics are revealed in this book full of tips from the top touring pros. The best competitors of the Bassmaster and FLW circuits share their secrets on how to catch largemouth bass throughout the year on various bodies of water. Learn how to select the right tackle and lures so you can fish just like the pros. Bass fishing's elite anglers also discuss how to find fish on structure such as drop-offs, ledges, points, and flats. They also describe their tricks for coaxing bass out of weeds, bushes, stumps, docks, and other types of cover. Beginners and advanced anglers alike will discover a treasure trove of valuable information they can apply on their favorite waters to catch America's most popular game fish. Full of information and great stories, *101 Bass Fishing Tips* is the best guide available to help fishermen land more bass and is a revealing look at the exciting world of professional fishing.

*Final Classic* Random House Canada  
 This book includes information on smallmouth distribution, smallmouths' favorite forage, their habitat preferences, the necessary equipment for fishing smallmouth bass, techniques for finding and catching smallmouths, and much more.

*The Bass Book* Hal Leonard Corporation  
 For the aspiring musician, knowing what to listen to is just as important as knowing what to play. Bass player and writer Ryan Madora provides the reader with exactly that--a guide to listening and learning from the greats. Shining the spotlight on players who are too often confined to the background, this book highlights the session aces, band members, and career musicians whose bass lines have permeated popular culture. Madora discusses the nuances of bass playing and the stylistic choices behind classic records, top-forty hits, and funky deep cuts. An invaluable resource

for professionals and hobbyists alike, *Bass Players To Know* features players who have contributed to the evolution of the instrument, including Ray Brown, Jack Bruce, Cliff Burton, Duck Dunn, Louis Johnson, Edgar Meyer, Willie Weeks, and many others.

**Honey Badger Don't Care** Casagrande Press LLC  
 Features tips from today's most successful bass pros. -- Amazing photography of largemouth bass in their natural habitat.

**Chord Tone Mastery for Electric Bass** Skyhorse Publishing Inc.  
 Since its publication in 1947, great musicians and composers of all genres, from Arnold Schoenberg and Virgil Thomson to John Coltrane and Freddie Hubbard, have sworn by this legendary volume and its comprehensive vocabulary of melodic patterns for composition and improvisation. Think about this book as a melodic reference manual or plot wheel. Looking for new material to add to your playing instruction, improvisations, or composition? This book has more than you'll ever be able to use. Many serious musicians have a copy of this lying around somewhere.

**Bass Madness** Penguin  
 In 1932, a farmer named George Washington Perry decided it was too rainy to plow and went fishing. That day, George landed the largest largemouth ever recorded—twenty-two pounds four ounces. The fish has inspired and frustrated hundreds of anglers for decades. They've dedicated their lives to the pursuit of "Sowbelly"—a nearly mythical fish, whose swinelike girth holds the key to their dreams. From an L.A. cop who came within ounces of besting the record to an Alabaman who has lost his marriage and his daughter to this pursuit, Burke takes readers along for the ride in this legendary race.

**Hannon's Big Bass Magic** Lyons Press  
 "American BeheMouth" is a timely literary work that depicts American moral equivalencies and excesses. For fishermen, baseball fans, book lovers, sports enthusiasts, and economists alike, the novella is highly entertaining and insightful. Full of true fisheries science and sports history, "American BeheMouth" tells the greatest bass fishing story of all time while giving an insight into what America has become. On the surface, the story is about a literature student and his fisheries biologist girlfriend who raise the world-record bigmouth bass in a Kentucky lake. Underneath, the novella is much more than a fishing story; it is a metaphor for many other things: life, family, sacrifice, commitment, and dreams. In addition, it raises ethical questions about modern American sports, American businesses and consumerism, and our quest for the elusive. "American BeheMouth" is a metaphor for many things that are wrong in American culture, including the relentless pursuit for more, mirroring and predicting the many bubbles in the American economy. In the big picture, the author may be asking all the existential questions while writing about fishing. In all, everyone can glean something from the story with humor and inquisitiveness.

**Largemouth Bass in the 1990s** Whitman Pub LLC  
*Fishings Greatest Misadventures* presents 25 larger-than-life true stories covering the spectrum of

fish tales, from terrifying to comical to downright bizarre. Everyday fishermen, journalists, and pros tell their stories of freak accidents, fish attacks, sabotage, pranks, getting lost at sea, idiotic decisions, eerie incidents, and other jaw-dropping calamities. This book takes you from the freshwater to the sea with stories about every form of angling, from fly-casting for trout to noodling for catfish, and big game sport fishing to casting for the unknown.

*Knowing Bass* Andrews McMeel Publishing

(Book). R&B Masters is a close examination of the legendary R&B bassists that shaped modern music. Explore the styles of Duck Dunn, Chuck Rainey, George Porter, James Jamerson, Jerry Jemmot, David Hood and many others through written examples and play-along tracks. Learn their stories, their working setup, and their unique approaches to the groove. The CD features examples from all of the book's lessons.

**Paul McCartney: Bass Master** National Geographic Books

Discover all the secrets of smallmouth bass fishing! Catching a smallmouth bass—especially a big one—can be a daunting pursuit for the unprepared. Successful smallmouth bass fishing depends on a variety of factors, including weather, habitat, time of year, type of tackle, and the tactics you decide to use on any given day. In *A Beginner's Guide to Smallmouth Bass Fishing*, lifelong angler Jim Root reveals all the specifics behind achieving success on lake, river, or pond. This comprehensive handbook includes key information about how to identify a smallmouth and where they live. It features specialized chapters on choosing, setting up, and using various rigs, including the Carolina rig, double fluke rig, Texas rig, Petey rig, and many others. Root explains the unique Japanese technique of spybaiting and breaks down deep, medium, and shallow cranks. He offers different tips depending on the season and fishing location, and he even includes a chapter on his top fifty smallmouth destinations. This book, which features 150 color photographs, is the perfect gift for anyone eager to learn all the tips and tricks of smallmouth bass fishing—in winter, spring, summer, or fall.

*Jeff Berlin Bass Mastery* Simon and Schuster

Throw out the rulebook - it's time to learn something new! The Big Bass Zone provides the fresh ideas you need to shift your focus from just catching fish to catching the big ones. Authors Michael Jones and Bill Siemantel have drawn on years of practical experience to break the mold of traditional bass fishing, developing new lures and exploring new techniques. Instead of relying on the conventional wisdom of fishermen, the authors discard the baggage of traditional bass fishing and look for answers from the fish themselves. The Big Bass Zone will help you build confidence in your own fishing skills and let you discover that there are more truly big fish out there than you ever imagined. Whether you fish in Missouri or California, Florida or Maine - or even Japan, wherever the black bass lurks, you'll eventually be chasing bass giants in your own home waters. This innovative guide will give you the right tools and insight to guarantee that the big strikes will come. Key Selling Points: Creative and innovative strategies and techniques to catch really big fish. Detailed information about "big bait" choice, use, and presentation. The real "secrets" of finding and hooking big bass.
