## HUGHES FOLEY

---

### **Anatomy and Physiology** Nothing Special

Detective Cashel 'Cash' Godfrey is big, tattooed and angry so people typically keep their distance. He's fresh out of the police academy, however, no one is looking to partner with the six foot four beast with a huge chip on his shoulder and an inability to trust. When Cash scans the orientation room he wasn't expecting to find sexy hazel eyes locked onto him. Eyes of the handsome Detective Leonidis 'Leo' Day. Leo is charming, witty, hilariously sarcastic and the only one that can make Cash smile. He's proud, out and one bad-ass detective. Together Cash and Leo become the most revered and successful narcotics detectives Atlanta's ever seen. Able to communicate and understand each other, without even having to voice it, they quickly climb up the promotional ranks. When Cash saves Leo's life in a raid that turns deadly, Leo begins to see something in the big man that no one else does...something special. But Leo fears he'll never break through the impenetrable wall that protects Cash's heart. Nothing

Special takes the reader through various emotions throughout the richly fulfilling plot that's full of erotic gay romance, heartache, passion, trials and tribulations, police action scenes, and an intriguing twist that comes to an amazing ending that's impossible to see coming.

### Defined By Deceit L.J. Shen

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

### *Das Geheimnis der Kuriositäten* Independently Published

Detective Austin Michaels didn't think life could get any better after he was accepted into the most notorious narcotics task force on the East Coast, headed up by two of the baddest' Lieutenants with the Atlanta Police Department - Cashel Godfrey and Leonidis Day. Michaels knew he would fit right in as the team's sniper, having received his fair share of commendations for marksmanship. He was just as badass as the rest of the twenty brothers that made up their team. But when Michaels lets their prime suspect get away from a huge bust with over a quarter of a million dollars in drugs, he's willing to do whatever it takes to make it right. Left with no other options, God chooses to

bring in outside help, calling on his long-time friend and bounty hunter, Judge Josephson. Judge was considered one of the best trackers during his enlistment in the United States Marine Corps. After retiring, he used those skills to become one of the most sought out fugitive trackers in the country. When Judge gets a call from his old friend needing his help, he quickly tells God, yes. Still embarrassed, and intent to prove himself, Michaels immediately volunteers to partner up with Judge to get their suspect back quickly and quietly. Neither man wanted or needed a partner. But, after Judge and Michaels get on the road, the hate/lust relationship they quickly develop between them will either make them heroes... Or get them killed.

#### **Don't Judge** dead soft verlag

Duke Webb has run the most successful bail recovery agency in Atlanta for over twenty years. That's because he has a team of trained, competent hunters backing him up to keep his name feared on the streets. But Duke knows that nothing can go on forever. His hunters are in committed relationships and ready to settle down, and so is he. That's what leads him to start his new training program. "That's the new vision for Dukes. Veterans operating and tracking behind the scenes with a new powerhouse apprehension team on the streets." Brian and Quick are the first to offer up two new recruits. Kellam Knight has studied martial arts under his sensei, Quick, since he was eight years old. A tossed-out reject from high-society, Kell has a problem fighting on the right side of the law. If he sees an injustice, he has to correct it. He doesn't have to run and cower from his enemies anymore, he's a fighter who can protect himself and others. When Quick offers Kell the opportunity to join Duke's training program, he's all in. Except he's not prepared for the straight, over-confident, extremely disciplined, sexy man Brian has recruited to be his partner. Tyrell Jenkins' world was flipped upside down when his father never returned home from his last deployment. He'd been Ty's teacher, mentor, his guide to living a righteous life as a good man. His father didn't raise him to be like every other young, stereotypical male in Atlanta. Instead, he's been taught to be respectful, to speak the language of real men. When Brian King - his father's most trusted comrade - finally comes to him with the truth, he doesn't come alone. He comes with trained men hidden in the shadows... and a once-in-a-lifetime opportunity to join a brotherhood unlike any other. This novel is a part of a series but can be read as a standalone. No cliffhangers. Trigger Warning: This story contains mild acts of bond recovery agent violence.

#### **WitchBlood** dead soft verlag

Brian King was honorably discharged from the United States Navy five years ago. He'd left with the highest honors a man can receive in his country, but he'd paid the ultimate price to earn them. He was considered one of the best; an Intelligence Officer in a Joint Special Operations Delta team that'd been a twelve-man wrecking crew. They'd thought they were invincible... until they weren't. Brian was the only member that survived the ambush. He survived ten months of pain, of torture, only to emerge on the other side a warrior. A POW survivor. He'd returned home with all his limbs, his right mind, and with his only brother Ford, at his side. But, one thing had been lost, maybe for good... his voice. Now, being a bounty hunter is Brian's only means to satisfy his need to calculate, track, and capture. His only outlet to the stress caused by his silence. He was good at what he did. But, all work and no play for a forty-four year old man was taking its toll. Brian wasn't a faulty experiment. He missed companionship, he missed communicating. So, when he met Sway Hamilton - in the most unconventional means - he'd been surprised at his special way of understanding Brian's every look... and touch. Sway grew up in the rough part of ATL, trailing behind his twin brother Stanton

and his best friend, Dana. He and his brother had a bond only twins could understand. So when Stanton's life was taken during their sophomore year in college, Sway didn't think he'd ever recover. He finally finished school, got his masters in nursing, worked hard, and focused on taking care of his mother. However, Sway knew there was more to life than heartache, and caring for others. There had to be. But he didn't know what any of those things were until he met a dark hunter that blew his mind... and the intense man had never uttered a single word. Brian and Sway can feel the powerful connection between them. It was there from the start-but both of them have battled with loss and anguish for so long, neither understand that love can ease all of it. Do they have the courage to battle through it together? Sway has to learn to trust in love, and Brian has to believe that Sway will always understand him even if he never speaks again.

#### **Bishop** dead soft verlag

Detective Cashel "Cash" Godfrey ist groß, tätowiert und angsteinflößend. Daher bleiben die meisten Leute lieber auf Abstand. Nicht allerdings Leonides Day, der sich sofort für den Neuling von der Polizei Akademie interessiert. Leo ist charmant, sarkastisch und der einzige Mann, der Cash zum Lachen bringen kann. Zusammen werden sie die erfolgreichsten Detectives Atlantas im Kampf gegen die Drogenkriminalität. Sie verstehen sich ohne Worte. Doch eines haben sie nicht auf dem Plan gehabt - dass sich Leo in Cash verliebt ...

#### **Fahrenheit 451** DigiCat

Angel DeLucca is one of the most sought after gay bachelors in Virginia Beach. He's smart successful, lethal, and more than anything he's drop dead gorgeous. Angel has his pick of the men that come to his popular Oceanfront night club, but lately the one night stands haven't been enough... Angel craves something deeper. When a one night hook-up goes terribly wrong, Angel comes into contact with the breathtaking Maximus (Max) Strong. Max is a firefighter for the Virginia Beach Fire Department. Max is beautiful, charming, and also very straight. One meeting with the mysteriously, sexy Angel DeLucca and a whiff of that silky, jet black hair, Max finds himself questioning everything he's known to be true about himself. Max tries desperately to understand the new feelings he has for another man and turns to his gay, older brother... Ryker. Ryker has always been Max's protector and his guide their entire lives, which has left him feeling uncared for and alone to handle his own life's problems. Ryker craves to be taken care of, he craves the attention and praise of a Master. No one knows the dark desires within him until Angel's Chief of Security, Sebastian 'Bass' Bagatelli, shatters that secret with their first intense encounter. How will Angel win the heart of the straight firefighter that was tailor-made just for him? Will Max be able to continue denying his feelings for another man? Can Ryker and Bass get through their personal issues to take and receive what they both need from each other? Or will they each give up on a happiness that appears too good to be true? These men's stories will unravel in a whirlwind of romance, bdsm, revelations, lots of action and very hot sex, co-starring very entertaining supporting characters.

#### **Ancient Animals, New Challenges** dead soft verlag

Nach einem brutalen Angriff flieht Sebastian Volkov, ein Fuchswandler, der unter Werwölfen aufgewachsen ist, vor allem, was er je geliebt hat. In dieser Nacht rettete ein einziger Kuss sein Leben und ließ ihn mit Fantasien über einen Mann zurück, an dessen Gesicht er sich nicht erinnern kann. Der Zufall führt ihn in eine kleine Stadt in Washington, wo er auf einen Alpha-Werwolf trifft, der ihn vage an genau diesen Kuss erinnert. Vor einem Jahr teilte Liam Ulrich, der Alpha des Northern Cascade Rudels, einen von Magie erfüllten Kuss mit einem praktisch Fremden, dem berühmten Witchblood-Kind des mächtigsten Werwolfs der

Welt. Seit dieser Nacht hat Liam darauf gewartet, dass Sebastian den Weg nach Hause findet. Er weiß, dass Sebastian nicht leicht oder überhaupt nicht vertraut, also muss er seinem stacheligen Gefährten Zeit und Raum geben. Die Vergangenheit, vor der Sebastian zu fliehen versuchte, verfolgt ihn immer noch, und wenn er langsamer wird, hat sie Zeit, ihn einzuholen. Doch als der ultimative Feind der Werwölfe sich erhebt, um seinen Schatten auf sie alle zu werfen, erkennt Sebastian, dass er aufhören muss, wegzulaufen, oder er riskiert, alles zu verlieren ... einschließlich seiner Hoffnung auf eine Zukunft mit Liam.

*The Letters of A. E. Housman* Clarendon Press

This book summarizes the latest advances in sponge science through a concise selection of studies presented at the VIII World Sponge Conference. The collection of articles reflects hot, ongoing debates in molecular research, such as the monophyletic versus paraphyletic nature of the sponge group, or the new awareness on pros and cons of standard barcodes and other markers in sponge taxonomy and phylogeny. It also features articles showing how the new sequencing technologies reveal the functional and phylogenetic complexity of the "microbial universe" associated to sponge tissues. The ecological interactions of sponges, the effects of nutrients and pollutants, the variability in reproductive patterns, and the processes generating genotypic and phenotypic variability in sponge populations are covered in several contributions. Zoogeography, population structure and dynamics are also approached with both traditional and molecular tools. The effect of anthropogenic disturbance on the natural environment finds its place in this volume with papers dealing with metal accumulation and the potential role of sponges as biomonitors. Biodiversity data from unexplored tropical and deep sea areas are presented. We hope readers will enjoy the selection of papers, which we believe represent collectively a significant contribution to our current understanding of sponges. Previously published in *Hydrobiologia*, vol. 687, 2012

Sergeant Corbin 'Syn' Sydney had dedicated his life to becoming the best detective. So when he heard there was an opening on the notorious Atlanta Narcotics Task Force, he jumped at the chance. But, what he wasn't ready for was realizing just how lonely he'd made himself, when he observed the loving and dedicated relationship between the two men he served under: Lieutenant Cashel 'God' Godfrey and Lieutenant Leonidis Day. Syn prepared himself to accept his lonely fate until he walked into a small pub and met the long-haired, tattooed bartender, Furious Barkley. Before Syn can even understand why, he's overcome with feelings he barely recognizes: passion, yearning, craving. And if the dark, lustful gazes are anything to go by, Furious might be feeling the same things for him. Just two things need to happen before Syn and Furi can give each other what's been missing from their lives for so long... Syn needs to find the evidence that proves Furi's innocence of murder, as well as protect him from a past that refuses to let go. God, Day, Ronowski, and Johnson are still as entertaining as ever... You'll swoon over God's massive take-charge attitude... You'll laugh hysterically at Day's never-ending wit... You'll fall in love with Furious' mysterious, sexy demeanor... and... You'll embrace Syn... Disclaimer: The main characters of this book DO NOT participate in polygamous sexual pairings.

**Genesis Mortalis** dead soft verlag

Publicly humiliated, Marisa Banks is blindsided by the news that the man she's been dating for months is married. Being called names she wouldn't wish on anyone in front of a room full of people by her boyfriend's wife is enough to shake her identity to its foundations. In an attempt to rebuild, she makes a few

questionable decisions. Asher Blaine is one of them. He's intelligent and sexy, but the pedestal he's got himself up on is unshakeable. Or so he thinks. Marisa asks for the one thing he can't deny her, even if it's the craziest thing he's ever done. She wants one night, his best eight hours. And damn if he doesn't deliver. The next morning, her bubble is shattered by his loud mouth, and Marisa retaliates with a stiletto and a remote. The best night of her life is over, and she's more than happy to walk away a free woman. Asher's job sends him to Marisa's city, and when they cross paths again, it's Asher's turn to make an offer. And just like him, she can't refuse. Will her worst nightmare and his complicated past ruin what they're building, or can they lean on one another to make it through?

'Samira has created a chilling, powerful, all-too-real near future that's a must-read for everyone's TBR' Karen M. McManus, author of *One Of Us Is Lying* 'A must-read . . . A heart-rending and all-too-credible tale of sacrifice, the ugly face of authority and the courage of youth' Sunday Times' Children's Book of the Month 'A tremendous novel' the Guardian *Rebellions* are built on hope. Set in a horrifying 'fifteen minutes in the future' United States, seventeen-year-old Layla Amin is forced into an internment camp for Muslim-Americans along with her parents. With the help of newly-made friends also trapped within the camp, her boyfriend on the outside, and an unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the internment camp's Director and his guards. Heart-racing and emotional, *Internment* questions the imaginary boundaries that separate us and challenges readers to fight the complicit silence that exists in our society today. 'Chillingly plausible' Financial Times 'If you enjoyed *The Hate U Give*, this should be at the top of your TBR pile' -- Culturefly

**All I've Wanted All I've Needed** Simon and Schuster

*Defy* is a smutty, insta-love, insta-lust short novella. *Defy* is a prequel to *Vicious* (*Sinners of Saint #1*). It is recommended, but unnecessary, to read *Defy* before reading *Vicious*. My name is Melody Greene, and I have a confession to make. I slept with my student, a senior in high school. Multiple times. I had multiple orgasms. In multiple positions. I slept with my student and I enjoyed it. I slept with my student and I'd do it all over again if I could turn back time. My name is Melody Greene, and I got kicked out of my position as a teacher and did my walk of shame a la Cersei Lannister from the principal's office, minutes after said principal threatened to call the cops on me. My name is Melody Greene, and I did something bad because it made me feel good. Here is why it was totally worth it.

**Nothing Special: Nichts Besonderes** Hachette UK

Life isn't always fair, and that's something that Llewellyn Gardner knows about first hand. His life was on the fast track until one night of extreme passion changed everything. Now eight years later, he's still living with the aftershocks of that night. Everywhere he turns or runs, there's another reminder. What the hell do you do when you try to drown your demons only to find out they can swim? Shane Smith, Jr. owner of Smith Construction, could see the emotional turmoil within his new employee - it's why he hired him. There was something about the gorgeous, misunderstood man with the overly expressive eyes that came to their small town with a past no one was willing to overlook. Shane

could see the good in Llewellyn, and those eyes of his were a clear window to his soul. Shane wasn't going to let the man live a future of solitude because his past had been plagued with deceit. Llewellyn wasn't sure what to think about Shane. After years of protecting himself from being tricked twice, he was now faced with worry again. What would happen to him if Shane didn't believe his truth, and walked away? Llewellyn wasn't sure he'd be able to survive being left alone. Again. Blurb Written by: Crystal Marie of Crystal's Many Reviewers

**Kiss Me, Daddy** Createspace Independent Publishing Platform Gadsby is a novel by Ernest Vincent Wright. A fading fictitious city known as Branton Hills is rejuvenated due to the efforts of central character John Gadsby and a youth organizer. A humorous read! *Gadsby* Zondervan

The Letters of A. E. Housman is a scholarly edition of over 2200 letters. (The previous edition, edited by Henry Maas, contained just over 880.) The letters cover the whole range of Housman's daily activities, whether he writes as poet, Professor of Latin, son, brother, uncle, friend, or citizen. Thus they allow the fullest possible revelation of a man whose reserve was legendary. He emerges as a more amiable, more sociable, more generous, more painstaking, and more complex person than has previously been realized. In most cases the source of the text is a manuscript, and this has resulted in a text that is more accurate and more complete than any previously available. Accompanying the text are notes covering persons and places, poetry, classical scholarship, publishing history, and literary allusion and echo.

Blue Moon Springer

On a single sheet of paper, Madisyn writes the word "UCOCA" in bold red letters. She looks over her shoulder at her sister Marcie, their eyes as big as saucers. Madisyn does not smile or speak, but she communicates a seriousness about the word-one that would change the meaning of their lives forever. Madisyn and Marcelle Montevega have everything they could ever want in the world. As children of billionaires, they never needed to worry about money; at least, not their own. Now, at age sixteen, the twins and their best friend Robbie run the Unorthodox Capitalists Organized Crime Association (UCOCA), a rogue organization dedicated to stealing from notable business moguls and crime lords across the world. Their new vigilante life takes them on

exciting missions-like infiltrating the lair of a corrupt Brazilian businessman in the Amazon rainforest, and dismantling a high-profile game of Russian Roulette led by American senators-but their world turns upside down when their long-time tutor, Valentina, reveals a dark secret. Take It: Genesis Mortalis is an action-packed, cinematic novel that shows wealth doesn't always determine happiness, and that greed will eventually come to humble even the most ambitious souls.

The World Book Encyclopedia dead soft verlag

Nach einer verheerenden Katastrophe ist Schottland von der Außenwelt abgeschnitten und auf eigene Ressourcen angewiesen. Um das Land nach einem Bürgerkrieg zu befrieden, wurde die Monarchie wiedereingeführt. Während sich die Lebensbedingungen der Bevölkerung immer mehr verschlechtern, verfällt die Oberschicht zunehmend der Dekadenz. Da erhält der Berufskiller Sam einen sehr speziellen Auftrag, den er voller Überzeugung annimmt: Königliches Blut soll vergossen werden! Aber dann kommt alles anders und anstatt sich an den Plan zu halten, entführt Sam den Thronfolger Prinz Victor. Doch damit fangen die Probleme erst an ... Eine dystopische Gay Romance voller Leidenschaft und Abenteuer Band 1 von 2

Promises Hyweb Technology Co. Ltd.

As the planet's human numbers grow and environmental concerns proliferate, natural scientists, economists, and policy-makers are increasingly turning to new and old questions about families and kinship as matters of concern. From government programs designed to fight declining birth rates in Europe and East Asia, to controversial policies seeking to curb population growth in countries where birth rates remain high, to increasing income inequality transnationally, issues of reproduction introduce new and complicated moral and political quandaries. Making Kin Not Population ends the silence on these issues with essays from leading anti-racist, ecologically-concerned, feminist scholars. Though not always in accord, these contributors provide bold analyses of complex issues of intimacy and kinship, from reproductive justice to environmental justice, and from human and nonhuman genocides to new practices for making families and kin. This timely work offers vital proposals for forging innovative personal and public connections in the contemporary world.
