A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

From the late Middle Ages to THE MARRIAGE OF FIGARO to Mel Gibson's BRAVEHEART, the ultimate symbol of feudal barbarism has been the right of a feudal lord to sleep with the bride of a vassal on her wedding night. But here, in a fascinating case study of the folklore of sexuality, Alain Boureau elegantly demonstrates such tradition is a myth.
