An ardent treatise for the Dignity of Man, which elevates Humanism to a truly Christian level. This translation of Pico della Mirandola's famed "Oration," hitherto hidden away in anthologies, was prepared especially for Gateway Editions, making it available for the first time in a stand-alone

volume. The youngest son of the Prince of Mirandola, Pico lived during the Renaissance, an era of change and philosophical ferment. The tenacity with which he clung to fundamental Christian teachings while crying out against his brilliant though half-pagan contemporaries made him exceptional in a time of exceptional men. While Pico, as Russell Kirk observes in his introduction, was an ardent spokesman for the "dignity of man," his devout nature elevated humanism to a truly Christian level, which makes his writing as pertinent today as it was in the fifteenth century.

Our America Bantam

Having taught American history a number of times, each time writing (and re-writing) her own materials, Celeste has shared her love of history with many students in her homeschool classes. Designed to be engaging and written in a comfortable style, All American History reads like a good book -- bringing America 's story to life piece by piece. Containing hundreds of images and dozens of maps, All-American History Volume I is a complete year's curriculum for students in grades 5 - 8 when combined with the Student Activity Book and Teacher's Guide. It is also adaptable for younger and older students. The first volume covers Exploration through 1840. Each week includes a chapter from the Reader, maps, forms, and review questions in the Activity Book, and plenty of hands-on and further research ideas in the Teacher Guide. (As well as great teaching tips, ANSWERS to everything, and a great book list) The teacher book also provides additional hands-on and further research ideas for the younger students you may use this with. There are 32 weekly lessons, and each lesson contains three sections examining: the atmosphere in which the event occurred the event itself the impact this event had on the future of America

Creating America W W Norton & Company Incorporated

#1 NEW YORK TIMES BESTSELLER • This is the true story behind the immortal photograph that has come to symbolize the courage and indomitable will of America In this unforgettable chronicle of perhaps the most famous moment in American military history, James Bradley has captured the glory, the triumph, the heartbreak, and the legacy of the six men who raised the flag at Iwo Jima. Here is the true story behind the immortal photograph that has come to symbolize the courage and indomitable will of America. In February 1945, American Marines plunged into the surf at Iwo Jima—and into history. Through a hail of machine-gun and mortar fire that left the beaches strewn with comrades, they battled to the island's highest peak. And after climbing through a landscape of hell itself, they raised a flag. Now the son of one of the flagraisers has written a powerful account of six very different young men who came together in a moment that will live forever. To his family, John Bradley never spoke of the photograph or the war. But after his death at age seventy, his family discovered closed boxes of letters and photos. In *Flags of Our Fathers*, James Bradley draws on those documents to retrace the lives of his father and the men of Easy Company. Following these men's paths to Iwo Jima, James Bradley has written a classic story of the heroic battle for the Pacific's most crucial island—an island riddled with Japanese tunnels and 22,000 fanatic defenders who would fight to the last man. But perhaps the most interesting part of the story is what happened after the victory. The men in the photo—three were killed during the battle—were proclaimed heroes and flown home, to become reluctant symbols. For two of them, the adulation was shattering. Only James Bradley's father truly survived, displaying no copy of the famous photograph in his home, telling his son only: “The real heroes of Iwo Jima were the guys who didn't come back. ” Few books ever have captured the complexity and furor of war and its aftermath as well as *Flags of Our Fathers*. A penetrating, epic look at a generation at war, this is history told with keen insight, enormous honesty, and the passion of a son paying homage to his

father. It is the story of the difference between truth and myth, the meaning of being a hero, and the essence of the human experience of war.

History Lessons Champion PressLtd

A “fascinating” look at what students in Russia, France, Iran, and other nations are taught about America (The New York Times Book Review). This “timely and important” book (History News Network) gives us a glimpse into classrooms across the globe, where opinions about the United States are first formed. History Lessons includes selections from textbooks and teaching materials used in Russia, France, Iran, Saudi Arabia, Cuba, Canada, and others, covering such events as the American Revolution, the Cuban Missile Crisis, the Iran hostage crisis, and the Korean War—providing some alternative viewpoints on the history of the United States from the time of the Viking explorers to the post-Cold War era. By juxtaposing starkly contrasting versions of the historical events we take for granted, History Lessons affords us a sometimes hilarious, often sobering look at what the world thinks about America's past. “A brilliant idea.” —Foreign Affairs

American History The New Press

An exciting, eye-catching repackaging of acclaimed author Walter Dean Myers' bestselling paperbacks, to coincide with the publication of *SUNRISE OVER FALLUJA* in hardcover. "Those shackles didn't rob us of being black, son, they robbed us of being human." This is the story of one family. A family whose history saw its first ancestor captured, shackled, and brought to this country from Africa. A family who can still see remnants of the shackles that held some of its members captive -- even today. It is a story of pride, determination, struggle, and love. And of the piece of the land that holds them together throughout it all.
