Once well beyond the chance of a fire glimmer he arose to his feet and quickly regained his own camp. This was exactly on the opposite side of the circle. The four men with whom he shared his tiny cotton tent, askaris all as beseeemed his dignity, were sound asleep. He squatted on his heels, pushed together the embers of his fire, staring into the coals. His ugly face was as though carved from ebony. Only his wild savage eyes glowed and flashed with a brooding lambent flame; and his wide nostrils slowly expanded and contracted as though with some inner heaving emotion.

If you're looking for the sage wisdom of an author who's been there and done that, look no further. Kimberly Michelle is your new go-to girlfriend for advice on all things dating related. Dating in the age of narcissism is harder than ever, and nowadays women can't seem to recognize the three obvious flags inherent to dating-the red flags, the yellow, and the green. Never fear! Michelle is here to lay it all out for you. Whether you are a divorcee, newly single, a single mom, or a soon-to-be married woman, this book is for you. It functions as a quintessential primer to allow modern women everywhere to get ahold of their relationships. A testament to the author's many failed and successful relationships over the past twenty years, Michelle sets out to help you get the relationship you want and deserve. While most dating books for single women focus on the goal of being successful in finding the perfect mate, "Dating in the Age of Narcissism" focuses on past failures as a way of obtaining the proper knowledge that leads to success. Written like a letter between girlfriends, you'll come away from these words armed with the real truth about dating-in its purest and rawest form.

★ 55% OFF for Bookstores! Now at \$ 27.99 instead of \$ 33.99 ★ You don't know HOW TO DATE A WOMAN, but would you like to learn? Do you want a better dating life. . . but need a little practical, how-to help? Your Customers Will Never Stop to Use This Awesome Dating Manual! Dating isn't what it used to be. In the old days, dating was a straightforward process. Man likes a woman. A woman likes man. They court, they date, and if things worked out, they marry. Today's love scene however, is something else entirely, thanks in large part to how heavily reliant all of us have become on technology. Specifically, our mobile phones. The dating scene today is dominated by text messaging, status updates, social media updates, online flirting, sexting, and the list goes on. These days, the first date usually takes place only after you've been interacting for some time over texts. Which means a date is only likely to happen if your texting sessions go well. It's no secret that men and women each think the opposite sex is hard to understand. You never know what you're going to say or do that's suddenly going to put the other person off or cause them to lose interest. It is even harder when you can't exactly see their reaction through the screen of your phone when you text them. Keeping and holding onto the man you want over text messages can seem like a bewildering challenge and it's easy to feel lost trying to figure out what works best. Life certainly seems like it would be a whole lot easier if we knew just what to text and how to text a man in a way that he can no longer ignore to keep him coming back for more. This book will help you attain this goal. With the help of this advice, you will not only be able to talk to women, but you will also be able to date them. All that you need is a little boost and the right information. In this book, you were given everything you need to not only attract and charm women but to talk and hold their attention, too. Once you get the hang of dating do's and don'ts, you will be able to enjoy success in your dating life. This book gives a comprehensive guide on the following: - Master communication with women - Women want a man, not a boy - How to become the man women lust for - The smart rules for sex and dating - Turning the meeting into a date - Let her be feminine - First date tips... AND MORE!!! Buy it NOW and let your customers get addicted to this amazing book!

Modern society evolves and so do women. Nevertheless, like with any other natural selection, we can clearly notice that while some are succeeding, a vast majority is feeling like they are heading for extinction. Let's call this the difference between the Alpha and Beta females, and start from this point to analyze the whole issue and where the problems have begun in the first place. The media is constantly bombarding women with ideas about what to do in life and which man to choose, or even with concepts and ideas about romance and marriage. Nevertheless, modern women couldn't feel more lost with the whole topic of their true role and place in society. Reading extensively about love, dating and relationships, has surely done little for them. And it was taking into consideration all the misunderstandings and overwhelming problems they face nowadays that this book was created. The content here provided shows a resume of real-life stories that were successful after following these principles but, above all, takes into consideration conversations with women that didn't know nothing of what here is shown. The issues here analyzed focus on the difference between Alpha and Beta Females, the real purpose of a relationship, men's true intentions and the values within loving commitments and marriage. It's expected that upon finishing this reading a woman can find exact answers on how to be herself and still find happiness in life.

Brazen, uproarious, slyly prescriptive, and always entertaining, Ali Adler is a sex and relationship guru who knows what women want. As a gay woman, she has both the equipment and the experience to give straight men (and the women who love them) advice on both how to get more sex and how to get this job done right. In her day job as a comedy writer and TV producer, Ali is sometimes the only woman in a room full of comedy writers. She became legendary for offering frank, sometimes insightful, often bossy reality checks and for translating female sexuality into words a man could understand. In her book, How to F*ck a Woman — 20 percent explicit instructions, 80 percent relationship advice, and 100 percent hilarious — she brings together essential advice for men (even the ones who insist they could write this book) and the women who want their lovers to truly understand them, both mind and body. With illustrations by New Yorker cartoonist Liza Donnelly.

It seems that women have powerfully moved into the masculine way of achievement in order to fit in and to be taken seriously. Now a shift is going on -- a swing back to the feminine -- and the feminine energy is coming back to dominance as it reaches out for balance. As women, we often judge ourselves and our success on an old, outdated version of what other people think life should look like. If you're ready to stop trying to fit into the mold of a man's world and you are ready to create and manifest as the powerful woman you are, then you are in the right place at the right time. Do you know that you are a brilliant feminine leader and the world is waiting for YOU and your unique gifts? Your opportunity awaits - everything depends on this moment, and you stepping into your brilliant feminine leadership! This book will empower you to embrace your powerful feminine energy, let go of the old beliefs and lies that women have believed for generations, and become the intentional feminine leader that you are meant to be!

The author of the international bestseller How to Be a Woman returns with another "hilarious neo-feminist manifesto" (NPR) in which she reflects on parenting, middle-age, marriage, existential crises—and, of course, feminism. A decade ago, Caitlin Moran burst onto the scene with her instant bestseller, How to Be a Woman, a hilarious and resonant take on feminism, the patriarchy, and all things womanhood. Moran's seminal book followed her from her terrible 13th birthday through adolescence, the workplace, strip-clubs, love, and beyond—and is considered the inaugural work of the irreverent confessional feminist memoir genre that continues to occupy a major place in the cultural landscape. Since that publication, it's been a glorious ten years for young women: Barack Obama loves Fleabag, and Dior make "FEMINIST" t-shirts. However, middle-aged women still have some nagging, unanswered questions: Can feminists have Botox? Why isn't there such a thing as "Mum Bod"? Why do hangovers suddenly hurt so much? Is the camel-toe the new erogenous zone? Why do all your clothes suddenly hate you? Has feminism gone too far? Will your To Do List ever end? And WHO'S LOOKING AFTER THE CHILDREN? As timely as it is hysterically funny, this memoir/manifesto will have readers laughing out loud, blinking back tears, and redefining their views on feminism and the patriarchy. More Than a Woman is a brutally honest, scathingly funny, and absolutely necessary take on the life of the modern woman—and one that only Caitlin Moran can provide.

Over the course of many successful years in the business world, Rachel met scores of wonderful men that were wounded by the breakdown of their marriages and subsequent divorces. She saw repeating patterns including the waste of time and money spent clumsily struggling to meet new women and have enjoyable dates. With a determination to avoid repeating patterns herself, she found the tips, techniques and values it takes to recognize, to have and to maintain a successful relationship. Now combining her passion for writing and story telling with her skills, knowledge, and drive that lead to her business success, Rachel shares her off beat take on the world, and her findings where life, love, divorce and dating are concerned. An excellent, lighthearted read for both men and women!
