Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep--spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In Deep Work, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, Deep Work takes the reader on a journey through memorable stories--from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air--and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. Deep Work is an indispensable guide to anyone seeking focused success in a distracted world. True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

With The Ultimate Guide to Chakras, tune in to your chakras, the power centers connecting your physical body and the world of energy. Your chakras are the power centers that translate between the seen world of the physical body and the unseen world of energy. First discussed in ancient Hindu texts and studied for thousands of years in numerous spiritual traditions, including acupuncture, meditation, and yoga, chakras hold the key to our well-being. By tapping into the power of our chakras, we can live healthier, balanced, and more abundant lives. Athena Perrakis, leading

metaphysical teacher and creator of the world's largest online metaphysical resource website, SageGoddess.com, addresses the nine major chakras we can tap into to balance, heal, and manifest. This guide explains how and why different crystals, essential oils, and sacred plants help to support each chakra. Each chapter of The Ultimate Guide to Chakras includes magical exercises for accessing the energy of each chakra, including meditations, journal exercises, and working with goddesses and spirit guides. Readers will even learn how to create a dedicated chakra altar. Lavishly photographed and illustrated, this guide promises to be an essential volume for beginners and experienced energy workers alike. The Ultimate Guide to... series offers comprehensive beginner's guides to discovering a range of mind, body, spirit topics, including tarot, divination, crystal grids, numerology, witchcraft, aromatherapy, and more. Filled with beautiful illustrations and designed to give easy access to the information you're looking for, each of these references provides simple-to-follow expert guidance as you learn and master your practice.

The Message Game is about many things. It's not just a dating guide for men to get dates quickly and efficiently through dating apps like Tinder, or social media. It's about becoming a good communicator, knowing how to lead conversations and being able to set up genuinely fun activities that maximize your sexual results and relationships. With hundreds of analyzed screenshots collected from dedicated Message Game followers and Ice White himself, this is a visual guide with real stories of sex and adventures, and real conversations that have provided an understanding of successes and failures. All the learning has been done for you and compiled into a structured guide that can answer all your possible questions. From maximizing how many contacts and phone numbers you get to setting up dates quickly, from getting dates to getting laid, and from logistics to escalation. The book also features special sections that are especially useful, such as: The Situation Index - A table of common situations with references to every single page that has explained or showed the given situation. She isn't responding? She doesn't want anything serious? She says she is busy? She is only visiting your town or city? She thinks you just want sex? Whatever it is, we have the pages. Frequently Asked Questions - A summary of many common questions, such as how long you should wait to reply, how often you should message someone, if you should use Tinder superlikes, if you should swipe a certain way on Tinder, and SO MUCH MORE. Without hesitation, this book is your own personal guide to getting the dates you want as frequently as possible.
