Nothing ever happens on its own on this earth. Evil or good. Miracles do not happen just like that, tragedy too. Failures do not just happen, success does not just happen, the anointing does not just come, people don't just backslide. There is always certain operations that are initiated even in ignorance. For example, if I kick a speaker by mistake, the pain will not

refuse to come to my leg because it thinks I made a mistake, as far as the system of pain is concerned that action calls for it. So, in ignorance, we have activated a lot of spiritual laws and dis-coordinated them and we have become victims of the interplay of those laws. It's like cutting a naked wire and putting it on your head by mistake when it's raining. Now, whether you're aware or not, the wire will not excuse that mistake. It'll shock you. *Cheech the School Bus Driver* FaithWords In her new book, New York Times bestselling author Joyce Meyer explores a life lived in complete and total dependence on God. Drawing on her own experiences and inspiration from the Word of God, Joyce makes the case that in every area of your life -- spiritually, relationally, emotionally, financially -- you can trust that God has your very best in store. With each new chapter, Joyce unveils a sovereign and trustworthy God who longs to be in a relationship with his people, and inspires you to tear down the walls of self-reliance. This book will both equip and encourage, as you learn how to "trust in

the Lord with all your heart and lean not on your own understanding." Regardless of your past pain, your present circumstances, or your future uncertainty, when you learn to trust God each day, you'll experience the joy-filled life Jesus came to give you. Others may have let you down . . . but God never will!

Author Kimberly Stringer has been following Christian singer Kathy Troccoli since the 1980s. She has attended Troccoli's concerts, conferences, and cruises. While attending one of the early events with the popular singer, Kimberly's twin sister Kara, a speech and language therapist, volunteered to do the sign language for the song, Go Light Your World. That began a personal relationship between the women, the singer and her staff. As the owner of Kreative Kids Academy in Wichita, Kimberly had always wanted to do a children's book based on the inspiring lyrics to Go Light Your World. After obtaining permission from Troccoli, Kimberly wrote her own "lyrics" aimed at the children in her classrooms. They had already been schooled in the academy's

motto, "Never hurt anyone on the inside or the outside." They will already be familiar with the message of this latest children's book by Stringer, beautifully illustrated by Debbie Fleck. In November of 2021, as Kimberly and her husband attended another Kathy Troccoli event in Destin, Florida, the down-to-earth singer and her crew sang Go Light Your World to the Kreative Kids students on FaceTime. They were thrilled and excited. Just like all young readers will be with this book. It should make them eager to carry their own marvelous lights out into a world that longs for kindness and love.

Now, most believers are not taught the relevance of a retreat, most Christians are not taught that a retreat is part and parcel of the spiritual growth process of a believer, we teach fasting, we teach prayer but very few believers have been taught as corporate doctrine, not just a time out away from people but a retreat that could end and begin seasons in your life in the presence of God. It is risky to end and begin seasons in your life in the flesh, the most spiritual aspect of your life should be when seasons are ending and

when seasons are beginning because that is when Satan gets at people, when the seasons have been cleared up and you are moving, it is difficult for Satan to derail you. It is very important, every one of us must make sure that we use this one month that we are having and take out at least a few days for a quality retreat, now there are different kinds of retreat, we have workers retreat as a ministry, there are all kinds of retreats, families have their retreats but this retreat I'm talking about is a retreat when you are exclusively alone with God, not even husband and wife, not even father and children.
