ALEXANDER CLARA

The Complete Idiot's Guide to Playing The Harmonica, 2nd Edition Mel Bay Publications

The visual arts have always played a significant role in Bob Dylan's worldview, and drawing and painting served as an outlet for his huge creative energy. Exquisitely reproduced, these intensely colored works are variations of sketches Bob Dylan completed while touring America, Europe and Asia, revealing a new facet of the artist. Bob Dylan's watercolors

and gouache recreate scenes of everyday life in riotous color: hotel room and apartment interiors; land- and cityscapes; views of sidewalk cafes, train tracks and wandering rivers. This beautiful collection, which reveals yet another dimension of Bob Dylan's poetic vision, will be treasured by all who respond to his extraordinary talent.

Berklee Method for Chromatic Harmonica Hal Leonard Publishing Corporation (Harmonica). 50 top pop songs every harmonica player should know, including: All My Loving * Blowin' in the Wind * Bye Bye Love * Happy Birthday to You * Isn't She Lovely * Leaving on a Jet Plane * Let It

Performing Brazil Hal Leonard Corporation

The frank, funny, and unforgettable autobiography of a living legend of Chicago blues. Simply put, Billy Boy Arnold is one of the last men standing from the Chicago blues scene's raucous heyday. What's more, unlike most artists in this electrifying melting pot, who were Southern transplants, Arnold—a harmonica master who shared stages with Bo Diddley, Muddy Waters, and Howlin' Wolf, plus a singer and hitmaker in his own right who first recorded the standards "I Wish You Would" and "I Ain't Got You"—was born right here and has lived nowhere else. This makes his perspective on Chicago blues, its players, and its locales all the rarer and all the more valuable. Arnold has witnessed musical generations come and go, from the decline of prewar country blues to the birth of the electric blues and the worldwide spread of rock and roll. Working here in collaboration with writer and fellow musician Kim Field, he gets it all down. The Blues Dream of Billy Boy Arnold is a remarkably clear-eyed testament to more than eighty years of musical love and creation, from Arnold's adolescent quest to locate the legendary Sonny Boy Williamson, the story of how he named Bo Diddley Bo Diddley, and the ups and downs of his seven-decade recording career. Arnold's tale—candidly told with humor, insight, and grit—is one that no fan of modern American music can afford to miss.

Chromatic Harmonica Solos Lulu.com (Harmonica). Ready to take your harmonica playing to the next level?
