Becoming successful at managing your money begins with a commitment to follow biblical principles. In doing so, certain areas of your life must be confronted in an honest, open and accurate manner. You must confront the following areas: A. spiritual B. attitudinal C. habitual D. practical E. personal Addressing only selective areas of your financial life will not bring you to a place of success. You must be willing to tackle each area and come face to face with the clear reality of your past

decisions. This means developing a new determination to change past spiritual decisions and the adopting of new biblical attitudes toward the management of your money. Only you can make a difference in your financial life. You can be successful at managing your money if you will begin to follow these 30 biblical principles. Author Rich Brott shows you how. *Keys to the Kingdom: Principles of Success in the Bible* Independently Published

What distinguishes this book from other books written about wealth? First of all, this book is grounded in the principles and foundations of the bible. What is a principle? A principle is a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning. For this book it is the basic principles of wealth. What is a foundation? It is a basis for the structure that supports the principles. Without the foundation, the principles cannot stand. This is not a book about a get rich quick scheme. This is not a book requesting donations and offerings like some of the prosperity preacher

programs on television. This is a book created to help people build wealth God's way, not the World's way. Real wealth is not income. Living within your means is not wealth. Just barely getting by is not wealth. Wealth is not linked to hard work alone. God is our creator and as our creator, he is the creator of real wealth. Everything else is counterfeit, fake and short lived. Real sustainable wealth is created over time. God has to make sure that you are mature enough to handle the wealth he wants you to have. As a second distinction, this book includes daily prayers and decrees. Job 22:28 (KJV) says "You shall decree a thing and it shall be established for you and the light will shine upon thy ways". What is a decree? According to Dictionary.com, the definition of "decree" includes a formal and authoritative order especially having the force of law, a judicial decision or order. Google's definition includes a mandate, proclamation, edict, command, an official order issued by a legal authority. Other definitions include to state emphatically to show,

reveal or manifest and to declare one's position in a controversy. The word established means to set up on a firm or permanent basis, to achieve permanent acceptance or recognition for, to sow, and reveal to be true based on the facts. Any person who makes a decree must be in a position of power and authority. As Christians, in Christ, Luke 10:19 reminds us that Jesus gave us all authority to trample on snakes and scorpions and over all the power of the evil one so that nothing will harm us. Scripture also reminds us in Matthew 16:19 that Jesus has given us the keys to the kingdom of heaven and whatever we bind on earth will be bound in heaven and whatever we loose on earth will be loosed in heaven when we pray in his name. There are many other verses on spiritual authority. Proverbs 18:21 Death and Life are in the power of the tongue and those that love it will eat its fruit. Just as God spoke everything into existence, we, as his children, have a powerful weapon in our words. We can declare blessings or curses upon our lives and others. We can also cancel out our prayers in moments of

doubt, stress, anxiety, and conflict by complaining and thinking/speaking about what we can or cannot handle. On the morning of July 13, 2016, I was awakened to a male voice saying Death and Life are in the power of the tongue and I knew that it was God speaking to me. Yes, I have heard God's voice more than once and not just in dreams. Since that day, I have been decreeing what I want to happen in my life on a daily basis. As a final distinction, I share some of my personal testimony and decrees as a bonus which I hope will help confirm to you that the word of God is alive and real today. Hebrews 4:12 For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

Some people teach that we should give to get. Others teach that we should sacrifice and withhold from our family

in order to give more. Neither extreme point of view is correct. We must provide for our family. We should not give to get. Our attitude should be one of obedience and liberality. The best way to give to the Lord is to understand all that He has given to us, and then freely give back to Him. Author Rich Brott provides a very balanced perspective in his latest book, *Prosperity Has a Purpose*. He notes that we gain by giving and we lose by withholding. When we freely give to God, regardless of our own personal need, we allow God to be big in our lives. We allow Him to provide for us. This can only happen as we buy into the principle of freely giving. If we are stingy in our giving and withhold from the Lord, we miss the many blessings and provisions He wants to shower upon us. We have created a society and group of people that now have been pressured into thinking that you should amass extreme amounts of debt to pay for their education. The grave reality is that most individuals that accumulate this educational debt never

have the capacity to repay it. And if they do repay it, it's certainly not in the short-term. People are carrying educational debt throughout a large portion of their life. Whether they know it or not, they are actually paying to get a job. This is a shocking statement but unfortunately it doesn't end here. As mindsets have been conditioned into owning a home, wearing certain types of clothing or driving fancy automobiles with no regard to cost, the average person is in severe debt before the age of 26. This is called bondage and being a servant to the lender. The rich ruleth over the poor, and the borrower is servant to the lender - Proverbs 22:7 (NJV)

In Deuteronomy 8:18 we read that before the Israelites entered the promised land, Moses said to them that they must remember [with profound respect] the Lord their God, for it is He who is giving you the power to make wealth, that He may confirm His covenant which He swore to your fathers. This book is based on the teaching of Gary Keese titled "Fight Like Heaven" I titled the

book "Power To Make Wealth" because it describes the contents of the teaching in line with Finances. Pastor Gary refers to the process of making wealth as fighting like heaven, but his teaching is an answer to our financial crisis: being in debt, fearful, and unemployed. But through this teaching, we start learning what it is we must do to live financially free from debt and unemployment. Here is what Pastor Gary said: Fight Like Heaven well that's a great title and Pastor Drenda my wife, talks about standing up for yourself, your family, and your finances. But you have to know how to fight like heaven. In other words, how do you fight like heaven? The enemy has some tactics and he's going to try to trap your finances. You have a sword remember Ephesians 6:17 says that we must take the helmet of salvation, and the sword of the Spirit, which is the Word of God. You need to know how to take that sword and use it. I want to go back to Luke 4 with you for a moment, remember in Luke chapter 4 Jesus just came out of the River Jordan baptized by the Holy Spirit, and in the first verse it has an

interesting phrase that used to confuse me. It says that the spirit of God led Jesus Into the Wilderness to be tempted by the devil, and for a long time I thought that this is one of the weirdest scriptures I've ever read. I want to look at the Temptations that Jesus had to fight against because that is going to help us fight like heaven for our finances.

You will learn that if you lose the sight of God, you will lose sight of greatness. King Uzziah lost sight of God as well as Apostle Judas Iscariot. Both never became great. Succeeding through the force of labor. You will understand that your wealth, success, or prosperity is traceable to your assignment or God's purpose you are carrying out. There is no entitlement in title bearing. It is the work you do that bears the title and brings about your wealth. Invest in the kingdom of God. Here in this chapter, you will learn how to serve God properly. You will also know that if you don't service your purpose, your purpose will become purposeless. Kingdom investment is what brings life increment. Whatever that is saved in God's hands is secured and generates wealth. There is a bank of heaven and given is the channel through which you store up treasures in the bank and righteousness is the medium through which you activate it for

withdrawal, and through the name of Jesus withdrawal is made possible. Patience is a divine factor that stabilizes your faith for effective performance in any given areas of life. Obedience is one of the spiritual tests for succeeding in life. You will get to understand that when you obey God's Word, natural and even spiritual things will obey you. Kingdom Prosperity; Ten Irrevocable Principles is a book that comes as a timely nip in the bud to address the confronting challenges and embarrassments of poverty especially in the Church of Christ. It has, through a systematic teaching, uncovered the eternal plans and purposes of God in redemption as it concerns prosperity. It also reveals the four dimensional covenant wealth and riches available to the believers by inheritance in (1) Adam's Garden of Eden, (2) Abraham's Covenant Blessing, (3) His Heir-ship of God and (4) Christ's Joint Heir-ship

with Him. Kingdom Prosperity further reveals that despite these mammoth indicators to the life of abundance and wealth, the believer is a far cry from his ideal wealthy status in Christ because of ignorance of his rights in Christ and place in covenant, on one hand, and lack of committed implementation of God's Ten Irrevocable Principles of Kingdom Prosperity as showcased by father Abraham and King Solomon, on the other hand. Since God's will is prosperity, as a result, Father God decreed the prophecy of restoration to bring about, the take-over of earth's resources by the end-time Church for the purpose of global evangelization. This knowledge, when received, will change your whole life as a New Testament believer and return you to the wealthy place. Take a hold of it now.
