The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

"Never go into the deep parts of the

forest, for there are many dangers there, and they will ensnare your soul." Serafina has never had a reason to disobey her pa and venture beyond the grounds of the Biltmore estate. There's plenty to explore in her grand home, although she must take care to never be seen. None of the rich folk upstairs know that Serafina exists; she and her pa, the estate's maintenance man, have secretly lived in the basement for as long as Serafina can remember. But when children at the estate start disappearing, only Serafina knows who the culprit is: a terrifying man in a black cloak who stalks Biltmore's corridors at night. Following her own harrowing escape, Serafina risks everything by joining forces with Braeden Vanderbilt, the young nephew of the Biltmore's owners. Braeden and Serafina must uncover the Man in the Black Cloak's true identity...before all of the children vanish one by one. Serafina's hunt leads her into the very forest that she has been taught to fear. There she discovers a forgotten legacy of magic, one that is bound to her own identity. In order to save the children of Biltmore, Serafina must seek the answers that will unlock the puzzle of her past.

There are ninety-six reasons why thirteen-year-old Genesis dislikes herself. She knows the exact number because she keeps a list: - Because her family is always being put out of their house. - Because her dad has a gambling problem. And maybe a drinking problem too. - Because Genesis knows this is all her fault. - Because she wasn't born looking like Mama. - Because she is too

black. Genesis is determined to fix her family, and she's willing to try anything to do so...even if it means harming herself in the process. "Readers will be captivated by this beautifully written novel about young people who must use their instincts and grit to survive. Padma infuses her story with hope and bravery that will inspire readers."--Aisha Saeed, author of the New York Times Bestseller *Amal Unbound* Four determined homeless children make a life for themselves in Padma Venkatraman's stirring middle-grade debut. Life is harsh on the teeming streets of Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps is the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.
