MELANY HILLARY

The Blue Angel The Red Spot Press

Anthologizes over one hundred toasts, oral folk poems, with variants, collected from various sources, and examines their functions, themes, backgrounds, and methods of performance.

Bimbacic Gallery Books

This breakthrough book presents a disarmingly simple idea: The way we pay attention in daily life can play a critical role in our health and well-being. According to Dr. Les Fehmi, a clinical psychologist and researcher, many of us have become stuck in "narrow-focus attention": a tense, constricted, survival mode of attention that holds us in a state of chronic stress—and which lies at the root of common ailments including anxiety, depression, ADD, stress-related migraines, and more. To improve these conditions, Dr. Fehmi explains that we must learn to return to a relaxed, diffuse, and creative form of attention, which he calls "Open Focus." This highly readable and empowering book offers straightforward explanations and simple exercises on how to shift into a more calm, open style of attention that reduces stress, improves health, and enhances performance. The Open-Focus Brain features eight essential attention exercises for improving health. Dr. Fehmi writes, "Everyone has the ability to heal their nervous systems, to dissolve their pain, to slow down and yet accomplish more, to experience the deeper side of life—in short, to change their lives for the better dramatically." At last readers can learn the techniques that Dr. Fehmi has offered to thousands of clients—the same drug-free, safe, and effective techniques that have led to remarkable and long-lasting results. The Open-Focus Brain offers readers a revolutionary, drug-free way to:

- alleviate depression, anxiety, and ADD
- reduce stress-related chronic pain
- optimize mental and physical performance

The eBook includes a downloadable audio program that provides further guidance on:

- essential attention exercises from the book, led by Dr. Fehmi
- how to "train the brain" to reduce stress, anxiety, chronic pain, and more
- safe and effective techniques used in Dr. Fehmi's clinic for decades

Understanding Popular Music Culture Hypnosis.org

USA Today bestselling author Julie Leto launches a caliente new series featuring a sexy, Latina bounty hunter with an appetite for danger and an insatiable thirst for the man she's hunting down: her ex. When Marisela Morales sets out to stop her ex-boyfriend Francisco Vega from skipping out on bail, she has a secret agenda: revenge. She hasn't seen Frankie in ten years, and back then, he broke her heart, choosing his gang over his girl. So when she tracks him down in their old haunt, a

hot dance club in Tampa, she sets about seducing him into her trap. Frankie has a secret agenda, too, and Marisela soon faces a tough choice: continue drifting through her twentysomething life -- hitting the same town with the same girlfriends every weekend while struggling to find a job and pay the rent -- or dive headfirst into danger with her ex. Frankie operates in a treacherous underworld full of arms dealers, assassins, and sinister agendas -- a world overrun with people keeping dirty little secrets -- and only Marisela has the cojones to fight her way to the truth. Sexy, sultry, and action-packed, *Dirty Little Secrets* is a thrilling adventure in manhunting of the most dangerous kind. *They're Not Your Friends* Elsevier Health Sciences

It's an ordinary day for Judge Allison Smart. That is until an old friend drops in unannounced. Only that old friend is no longer the respectable Officer Sharp. Now she is Officer Trixie, a bimbo cop, with two friends, Nick and Gemma, in tow. It all comes down to a legal question for the judge to decide on. However, it's impossible for the judge to get past the changes Trixie has undergone. And with Nick there to explain his powers, a demonstration is not just arranged, but demanded. And before she knows it, the judge is a bimbo, too. Can a judge also be a bimbo? How will a bimbo judge rule on cases? Will everything fall apart or will some resolution be found? Find out in *Judge Bimbo*. This short story is 5,600 words long. It is the third book in the *Midas Touch Series*. This book contains themes of bimbofication, bimboization, bimboification, and bimbification.

Judge Bimbo BoD - Books on Demand

With 1,500 new words and phrases, this abridged edition of the *Dictionary of American Slang* is the most buzzworthy, banging collection of colloquial American English—no joke This fully updated and abridged fourth edition of *American Slang* contains more than 1,500 new terms representing the variety and vigor of American slang, from "yada yada yada" to "yo momma." There's no better resource for those who are curious about language, fascinated by counterculture, or just completely confused when other people talk. Like previous editions, this edition features pronunciation guides, word origins, examples of appropriate usage as well as a helpful highlighting system that lets you know which terms should be used with caution, and never in polite company. Both an important archive of the way America is really talking and a lot of fun to read, *American Slang* will prove to be an invaluable companion in keeping up with the dauntingly jargon-filled, quickly evolving language of today.

Mind Play Mystique Vixen

The Lane Fleming collection of early pistols and revolvers was one of the best in the country. When Fleming was found dead on the floor of his locked gunroom, a Confederate-made Colt-type percussion .36 revolver in his hand, the coroner's verdict was "death by accident." But Gladys Fleming had her doubts. Enough at any rate to engage Colonel Jefferson Davis Rand--better known just as Jeff--private detective and a pistol-collector himself, to catalogue, appraise, and negotiate the

sale of her late husband's collection.

Female Chauvinist Pigs Createspace Independent Publishing Platform

Medical acronyms and abbreviations offer convenience, but those countless shortcuts can often be confusing. Now a part of the popular Dorland's suite of products, this reference features thousands of terms from across various medical specialties. Its alphabetical arrangement makes for quick reference, and expanded coverage of symbols ensures they are easier to find. Effective communication plays an important role in all medical settings, so turn to this trusted volume for nearly any medical abbreviation you might encounter. Symbols section makes it easier to locate unusual or seldom-used symbols. Convenient alphabetical format allows you to find the entry you need more intuitively. More than 90,000 entries and definitions. Many new and updated entries including terminology in expanding specialties, such as Nursing; Physical, Occupational, and Speech Therapies; Transcription and Coding; Computer and Technical Fields. New section on abbreviations to avoid, including Joint Commission abbreviations that are not to be used. Incorporates updates suggested by the Institute for Safe Medication Practices (ISMP).

The Beauty Myth Macmillan

Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her first one-night stand ever...with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes...and then a dark stranger whose bite transformed her into an immortal siren with a sexy Itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fierce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How's a girl supposed to save the world when the enemy's so hard to resist?

American Slang 4e Sadie Thatcher

A classic work on gender culture exploring how the women's movement has evolved to Girls Gone Wild in a new, self-imposed chauvinism. In the tradition of Susan Faludi's *Backlash* and Naomi Wolf's *The Beauty Myth*, New York Magazine writer Ariel Levy studies the effects of modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for *Girls Gone Wild*, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in *Female Chauvinist Pigs*, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of *Playboy*, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of the guys.” And she traces the history of this trend

back to conflicts between the women's movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity. Irresistibly witty and wickedly intelligent, *Female Chauvinist Pigs* makes the case that the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

Get Your Ass in the Water and Swim Like Me Penguin

"Palast is astonishing, he gets the real evidence no one else has the guts to dig up." Vincent Bugliosi, author of *None Dare Call it Treason* and Helter Skelter Award-winning investigative journalist Greg Palast digs deep to unearth the ugly facts that few reporters working anywhere in the world today have the courage or ability to cover. From East Timor to Waco, he has exposed some of the most egregious cases of political corruption, corporate fraud, and financial manipulation in the US and abroad. His uncanny investigative skills as well as his no-holds-barred style have made him an anathema among magnates on four continents and a living legend among his colleagues and his devoted readership. This exciting collection, now revised and updated, brings together some of Palast's most powerful writing of the past decade. Included here are his celebrated Washington Post exposé on Jeb Bush and Katherine Harris's stealing of the presidential election in Florida, and recent stories on George W. Bush's payoffs to corporate cronies, the payola behind Hillary Clinton, and the faux energy crisis. Also included in this volume are new and previously unpublished material, television transcripts, photographs, and letters.

Murder in the Gunroom BBC Worldwide Publishing

Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bimbofication, the use of potent aphrodisiacs, a highly erotic medical examination, body transformation, multiple partners, group sex, anal sex and double penetration, submissiveness and dominance. All characters are 18 or older. A wiretap has finally managed to implicate crime boss John Cheever, and Officer Katie Topaz is the smug cop who'll be bringing him into the station under charges of possessing a powerful and highly illegal aphrodisiac. But when a staffing problem leaves the precinct headquarters empty, Katie gets stuck guarding the holding cells until the bail hearings in the morning. It's been a long shift, and she can't pretend she's not a little curious what's so special about these little pills that the notorious man was willing to risk jailtime to have them in his penthouse. It won't hurt to just look at them a little, will it? But when curiosity trumps her better judgement, she quickly finds out she's in for a lot more than she bargained for, and all sorts of very bad ideas start to sound sort of like good ones. Before she knows what's happening, new feelings have drowned out the little voice that says no and her urges have pushed her into the arms and at the mercy of the crime boss and his cell mates, who are more than happy to help her fill her sudden cravings ... Excerpt: Now she was in his grasp, controlled by him utterly. His fingers knew her body so impossibly, impossibly well. Every touch and stroke and caress seemed the single most important thing that had ever happened to her. She pressed against the bars, trying to will herself through them and into the arms of this man she so desperately wanted to give herself to. There wasn't room for any other thought but that simple, driving desire. It felt like she was the one in jail, held back by these awful metal bars from the only place in the world she wanted to be. But something, some distant residual memory, held her back. "I can't," she repeated, though by now the only thing she

could remember about what she couldn't do was that she wanted to do it anyways. "I shouldn't." His fingers ran down her smooth, trembling stomach and paused tantalizingly. "We all do things we shouldn't do," he murmured. "Isn't that where all the fun is?" "Couldn't I just -"

Gender on the Line Jeffries Publishing

Mind Play: A Guide to Erotic Hypnosis introduced thousands of people to the exciting, sexy world of erotic hypnosis. Now, take your knowledge to the next level with *The Mind Play Study Guide*. Are you looking to learn more about erotic hypnosis? *The Mind Play Study Guide* contains 27 lessons, complete with exercises to use in practicing the skills from each chapter. From the very basics of how to do inductions, deepeners, triggers, and suggestions to an expanded menu of his well-known "Kinky Human Tricks" to advanced topics like transformation play, dual inductions, and mutual hypnosis, Wiseguy's lessons are direct, clear, and detailed enough to have you enjoying mind play at any level you desire. Have you already found a local erotic hypnosis group to play and practice with? Each chapter in the *Study Guide* contains everything you need to teach the lesson's content to a group, including discussion questions, exercises, and even notes on effective ways to present that topic. There is even a lesson on how to give presentations, in which Wiseguy reveals some of the techniques that he uses to make his classes so entertaining and effective. Whether you enjoy hypnotizing, being hypnotized, or just want to know at a deep level what erotic hypnosis is all about, *The Mind Play Study Guide* is the most comprehensive handbook you'll find. And it's written in Wiseguy's clear, direct, and often humorous style.

A Year with Swollen Appendices Simon and Schuster

Look Out for Falling Stars Charlotte "Lottie" Love has a thing for celebrity. Actually, it's more of an obsession. All her life she's lurked in the shadows of Hollywood, desperate to step into the light. When she lands a job at *Personality* magazine, her dreams of red-carpet strolls, popping flashbulbs, and the attention of white-hot heartthrobs finally start to come true. Even Hollywood's latest "It" boy falls for her, and everyone wants his story. Can Lottie score the scoop? Ask Lem Brac, a British boozehound in the twilight of a mediocre career who knows an exclusive with the It boy would save his job. Lem looks for help from his new (and only) friend—Mike Posner, a young hotshot reporter just hired away from a New York tabloid. But Mike has some damaging secrets himself that are about to surface. He needs the interview too, and it's anyone's guess how far he'll go to get it. Welcome to the world of entertainment journalism and star worship, where you're only as good as the gossip you dig up. Written by a former *People* magazine correspondent who knows the underbelly of Hollywood hearsay all too well, *They're Not Your Friends* slips past the velvet rope and grants access to a wickedly funny—and sometimes scary—celebrity magazine scene.

JFK Simon and Schuster

In a society where bimbofication is not just the norm, but the law, Elliot Coolate finds himself facing justice. He has broken the law and avoided bimbofication, until now. However, Elliot does not plan to go quietly. He will fight back against a system that wants to turn him into a bimbo, even if it means he exhausts every avenue available to him in this courtroom drama meets physiological exploration of a man trying to hold onto his masculinity in a bimbofied society. Will justice be served? Will Elliot find a means to avoid his fate? Or will he slowly succumb to the joy that is being a bimbo? Find out in *Bimbo Legal*. This novel is a gender transformation and bimbo transformation story. It was written

as a commissioned story.

The Best Democracy Money Can Buy FHU Bookstore

Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling *In Death* series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare...

The Sin of Monsieur Pettipon CreateSpace

"What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

Snow Crash Harper Collins

In this fifth edition of *A Cognitive Psychology of Mass Communication*, author Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world, and how this knowledge influences our attitudes and behavior. Presenting theories from psychology and communication along with reviews of the corresponding research, this text covers a wide variety of media and media issues, ranging from the commonly discussed topics - sex, violence, advertising - to lesser-studied topics, such as values, sports, and entertainment education. The fifth and fully updated edition offers: highly accessible and engaging writing contemporary references to all types of media familiar to students substantial discussion of theories and research, including interpretations of original research studies a balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines. The text is appropriate for *Media Effects*, *Media & Society*, and *Psychology of Mass Media* coursework, as it examines the effects of mass media on human cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes mass communication research, theory and analysis.

Dirty Little Secrets Sadie Thatcher

"My name is Jorem Farr, a sorcerer born in a city that despises magic and all who wield it. For the past several months I have been desperately trying to escape an army of mage-hating fanatics and their leader, the so-called "Inquisitrix." I never would have survived this long without the help of my beautiful amazon bodyguard, Kaseya. She pledged her sword--and her perfect body--to my service, and together we rescued my old lover, Valuri, from the clutches of the enemy. Thankfully Val doesn't mind sharing my affections...as long as she gets a piece of Kaseya too! We have become a better team than I ever could have imagined. In the span of a few short weeks we have unraveled several ancient mysteries, thwarted a barbarian invasion, and saved Kaseya's people from total annihilation.

Oh, and naturally we've had a preposterous amount of sex, too...Unfortunately, the Inquisitrix isn't done with us just yet. She and her mage-slaying Senosi Huntresses are plotting an invasion of Highwind, and they have accumulated enough power that they might just be able to pull it off. Our only hope is to seek out new allies and figure out a way to stop the enemy before it's too late. Kaseya is determined to hunt down and destroy the Inquisitrix for all the devastation her crusade has wrought, and if there's one thing I've learned it's that no one should underestimate an amazon on a quest for vengeance."THE AMAZON'S VENGEANCE is an action-packed erotic romp that continues the story from Sarah Hawke's best-selling THE AMAZON'S PLEDGE series. At 64,000 words, it is also her longest book to date! **Content Warning: This book contains fantasy violence and numerous explicit sex scenes, including male-female, female-female, and some male-female-female bondage**

The Hormone Myth Alexi Remington

Launch! Advertising and Promotion is written for advertising and promotion courses taught to students in the business school and journalism & mass communication students. This textbook is the first of its kind to teach advertising concepts by reverse engineering a real advertising campaign from beginning to end. In April 2007, SS+K, an innovative New York City communications agency, launched the first ever branding campaign for msnbc.com with the tag "A Fuller Spectrum of News." Launch! follows that campaign from initial agency pitch through roll-out of print and media assets to post-campaign analysis. Throughout, it exposes readers to the theory and concepts of advertising and promotion, and the personalities and decisions that drove this campaign. The book takes a rare look "behind the curtain" - even letting you see some of the paths not chosen by the agency and

client. Students get a realistic sense of how theory plays out in practice, and get a flavor for the exciting field of advertising and promotion. And, they consistently learn the perspectives of both the advertising agency (where many journalism and communications students will work) and the client (where many marketing majors will work). This is a unique book, with a unique perspective, by a unique author team, and you won't find this kind of insight in any other text on the market. We think you're going to love it! This textbook has been used in classes at: Ball State University, Emerson College, Florida Institute of Technology, Grand Valley State University, Johnson County Community College, Manchester Business School, McLennan Community College, Michigan State University, North Hennepin Community College, Pierce College, Rochester Institute of Technology, Saint Louis University, Salem State College, South Dakota State University, Texas State University, Texas Tech University, University of New Hampshire, University of North Carolina, University of Notre Dame, University of South Florida, Virginia Tech, Western Kentucky University.

A Cognitive Psychology of Mass Communication Sadie Thatcher

It's Halloween and an emergency costume purchase sets off a disastrous chain of events as Mike buys four costumes that will change his life and the life of his friends forever. A Cowgirl. A Demon. A Maid. A Streetwalker. They're not the costumes they planned, but they're the costumes they have and they'll have a sensual, bimbofying influence on Mike, Evan and their girlfriends Tracy and Linda. Join them as they embrace parts of their personalities that they never thought would see the light of day. As they transform into taboo creations, hungry for lust! Collecting three previously published works: Bimbo Costume pt.1 Bimbo Costume pt.2 Bimbo Costume pt.3 These stories collect over 22,000 words of spicy genderswap demonic bimbofication erotica featuring breast growth, iq loss, lactation, hu-cows, bdsm and spanking!
