Sylvia Browne, the world-famous psychic and New York Times bestselling author of *End of Days*, takes readers on an unprecedented and comprehensive "tour" of the afterlife—a world-changing revelation that has helped millions live for today, tomorrow, and forever... This spiritual guide is packed with prophecies and inspirational advice, including: • Must-read predictions for the future • How psychic energy can keep people healthy and improve relationships • Why we shouldn't fear aging and death • How spirit guides and angels "talk" to us daily • The truth about ghosts and hauntings • Solving "unsolvable" missing persons cases and other true crime tales • And more "Psychic, medium, clairvoyant, channel—these are all words to describe Sylvia Browne's unique powers. I've personally witnessed her bring closure to distraught families, help the police close cases, and open people's hearts to help them see the good within themselves." —Montel Williams "The Other Side and Back is the most grounded and authentic 'entry to the other side' that I have ever read. You know immediately upon reading the first few pages that Sylvia Browne is more than a psychic—she is a master at conveying the truth that exists in the fourth dimension." —Caroline Myss, Ph.D., author of *Anatomy of the Spirit*

OVER HALF A MILLION COPIES SOLD! This is the classic guide to astrological history, legend, and practice! Readers will enjoy simple, computer-accurate planetary tables that allow anyone born between 1900 and 2100 to pinpoint quickly their sun and moon signs, discover their ascendants, and map out the exact positions of the planets at the time of their birth. In addition to revealing the planets' influence on romance, health, and career, *The Only Astrology Book You'll Ever Need* takes a closer look at the inner life of each sign. Celebrated astrologer Joanna Martine Woolfolk offers abundant insights on the personal relationships and emotional needs that motivate an individual, on how others perceive astrological types, and on dealing with the negative aspects of signs. Readers will also welcome the inclusion of new discoveries in astronomy. Lavishly illustrated and with an updated design, this new edition is an indispensable sourcebook for unlocking the mysteries of the cosmos through the twenty-first century and beyond.

The Kybalion: Hermetic Philosophy is a book claiming to be the essence of the teachings of Hermes

Trismegistus. We take great pleasure in presenting to the attention of students and investigators of the Secret Doctrines this little work based upon the world-old Hermetic Teachings. There has been so little written upon this subject, notwithstanding the countless references to the Teachings in the many works upon occultism, that the many earnest searchers after the Arcane Truths will doubtless welcome the appearance of this present volume. The purpose of this work is not the enunciation of any special philosophy or doctrine, but rather is to give to the students a statement of the Truth that will serve to reconcile the many bits of occult knowledge that they may have acquired, but which are apparently opposed to each other and which often serve to discourage and disgust the beginner in the study. Our intent is not to erect a new Temple of Knowledge, but rather to place in the hands of the student a Master-Key with which he may open the many inner doors in the Temple of Mystery through the main portals he has already entered. There is no portion of the occult teachings possessed by the world which have been so closely guarded as the fragments of the Hermetic Teachings which have come down to us over the tens of centuries which have elapsed since the lifetime of its great founder, Hermes Trismegistus, the "scribe of the gods," who dwelt in old Egypt in the days when the present race of men was in its infancy. Contemporary with Abraham, and, if the legends be true, an instructor of that venerable sage, Hermes was, and is, the Great Central Sun of Occultism, whose rays have served to illumine the countless teachings which have been promulgated since his time. All the fundamental and basic teachings embedded in the esoteric teachings of every race may be traced back to Hermes. Even the most ancient teachings of India undoubtedly have their roots in the original Hermetic Teachings.

A special agent fights chaos and terror in midair in this thriller by the New York Times bestselling author of Stone Cross... Special agent Jericho Quinn is a wanted man. Suspected of murder and marked for death by a network of conspirators embedded in the White House, Quinn knows he has to get out of the country—fast—before a team of contract killers finds him and his daughter. To set things right at home, he'll have to take a nonstop flight from Anchorage, Alaska, to Vladivostok, Russia, aboard a massive Airbus A380. But soon after takeoff, it becomes apparent that Quinn and his daughter picked the wrong plane. First, a passenger is brutally murdered. Then, Quinn is mistaken for a terrorist by an off-duty Air Marshal. As panic spreads through the plane and pressure builds to the screaming point, the unthinkable happens. Someone triggers a bomb. Spoiler alert: This plane is in big trouble... From the author of Tom Clancy Power and Empire, this terrifying thriller stars "a compelling, never-give-an-inch hero who will appeal to Jack Reacher fans" (Booklist).
