New York Times bestselling author Sylvain Reynard returns with the fourth installment of the beloved Gabriel's Inferno series. When Gabriel and Julia Emerson first lay eyes on their newborn daughter, Clare, they realize life as they know it will never be the same. Gabriel has vowed to be a good father when he suddenly receives an invitation to give a series of lectures in Edinburgh, Scotland--an opportunity of high prestige--but that would mean leaving his wife and child in Boston. Hesitant to bring it up, he keeps the opportunity from Julia as long as he can, not knowing she has a secret of her own. When a frightening situation arises that threatens their new family, both parents must make sacrifices. With the family in danger, the looming question remains: Will Gabriel pursue his lectureship in Edinburgh, leaving Julia and Clare vulnerable in Boston, or will he abandon the chance of a lifetime in order to ensure his family's safety?

Some days, all you need is a message from a stranger. Ruby Santos knew exactly what she was getting herself into when she signed up to write a soldier overseas. The guidelines were simple: one letter or email a week for the length of his or her deployment. Care packages were optional. Been there, done that. She thought she knew what to expect. What she didn't count on was falling in love with the guy.

CANDACE: KAT & YASMINE! DO NOT DALLY! Come straight home after work. Kat, don't take the long route from the subway station just so you can pass by Cute Hot Dog Guy. This is important! I've had THE BEST DAY. You won't believe it. There I was in my preschool classroom, washing a bit of poo out of some soggy

trousers, when this absolute babe came to collect his nephew from my class. Truthfully, I thought I'd blacked out for a moment when I first saw him. He was a proper hunk with glorious brown hair, quite tall, and he had these arms. Are muscly arms supposed to turn me on? I'm panting just thinking about them. Anyway, he told me he's a professional foosball player. At least, I think that's what he said. The tots can get quite loud near pick-up time. YASMINE: Foosball? What are you on about? Have you gone mad? KAT: Oh sod off. So what if I like to have a good look at Hot Dog Guy's arse on my trek home after a hard day's work? It's called self-care. CANDACE: Kat, you're hopeless. Yasmine, yes-foosball! I suppose it's a big thing over here in the States? We must investigate and learn everything we can. By the way, he's called Logan. Logan + Candace. I think that sounds quite nice! I can hear the wedding bells now. Dum dum da-dum. YASMINE Oh good grief. I suppose we can do some snooping when I get home. I'll grab wine on my way. KAT I'll grab hot dogs. THE TROUBLE WITH QUARTERBACKS is a hilarious romance about unlikely love found between a British preschool teacher and the professional quarterback who sweeps her off her feet.

A lasting impression is worth killing for in this intoxicating novel about memories and murder by the author of the Amberlough Dossier series. In New York City everybody needs a side hustle, and perfumer Vic Fowler has developed a delicate art that has proved to be very lucrative: creating bespoke scents that evoke immersive memories--memories that, for Vic's clients, are worth killing for. But the city is expensive, and these days even artisanal murder doesn't pay the bills. When Joseph Eisner, a former client with deep pockets, offers Vic an opportunity to expand the enterprise, the money is too good to turn down. But the job is too intricate--and too dangerous--to attempt alone. Manipulating fellow struggling artists into acting as accomplices is easy. Like Vic, they too are on the verge of burnout and bankruptcy. But as relationships become more complicated, Vic's careful plans start to unravel. Hounded by guilt and a tenacious private investigator, Vic grows increasingly desperate to complete Eisner's commission. Is there anyone--friends, lovers, coconspirators--that Vic won't sacrifice for art?
