Izuku Midoriya is the inheritor of the superpower of the world's greatest hero, but the mantle of greatness won't come easy, and even superheroes have to go to school! What would the world be like if 80 percent of the population manifested

superpowers called "Quirks"? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? In the aftermath of the sports festival, the Class 1-A students begin their internships. Midoriya goes to study under Gran Torino, who

was once All Might's mentor. Gran Torino appears to be a washed-up nutjob, but the old hero still has more moves than a football team, and Midoriya has a lot to learn! Elsewhere, the League of Villains enacts another sinister plot and unleashes a terrifying new enemy!

Bakugo's abduction by the League of Villains was a carefully calculated move designed to draw out the heroes—All Might in particular—and destroy them. Midoriya and his friends set out on a rescue mission that eventually pulls in not only All Might but also several other heroes! The casualties mount, until at last the mastermind of the plot appears—All for One, the only villain powerful enough to take on All Might head-to-head and possibly win!

Not everyone needs a

license to fight for justice! In a superpowered society, there is nothing ordinary about evil anymore. Heroes, trained and licensed to protect and defend the public against supervillains, stand above all the rest. Not everyone can be a hero, however, and there are those who would use their powers to serve the people without legal sanction. But do they fight for justice in the shadows, or for reasons known only to themselves? Whatever they fight for, they are called...vigilantes. Pop has emerged as the new Queen Bee, her transformation forced by the villainous Nomura, a.k.a. Number 6. At his direction, Pop begins to rain destruction down on

Naruhata. With a villain on the loose, it's only natural for heroes to be called in to deal with the situation, but Koichi knows his friend's life and soul are at stake. Will inspiration from his old master and training with past foes help him find the hero within?
