 'If you want a picture of the future, imagine a boot stamping on a human face--forever.'  
 Nineteen Eighty-Four (1949), George Orwell's final novel, was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period, and has been a huge international bestseller over many decades. Continually in print, it has long been controversial, both in its immediate Cold War context and in later history. It is in some ways a realist novel, but in others is more akin to a work of science fiction, a dystopia or a satire. It also has strong

affiliations to Gothic in its plotting, motifs and affective states. Full of horror and terror, it contains prophetic dreams and a central character who thinks of himself as a 'monster', a 'ghost' and 'already dead'. Like Frankenstein and Dracula, it is fascinated by the power of a documentary remnant addressed to an unknown reader.  
English as a Global Language Penguin  
 Alice's Adventures in Wonderland is an 1865 English children's novel by Lewis Carroll, a mathematics don at the University of Oxford. It details the story of a girl named Alice who falls through a rabbit hole into a fantasy world of anthropomorphic creatures. It is seen as an example of the

literary nonsense genre. The artist John Tenniel provided 42 wood-engraved illustrations for the book. It received positive reviews upon release and is now one of the best-known works of Victorian literature; its narrative, structure, characters and imagery have had a widespread influence on popular culture and literature, especially in the fantasy genre. It is credited as helping end an era of didacticism in children's literature, inaugurating an era in which writing for children aimed to "delight or entertain". The tale plays with logic, giving the story lasting popularity with adults as well as with children. The titular character Alice shares her name with Alice Liddell, a girl Carroll

knewscholars disagree about the extent to which the character was based upon her.
